SUPER MASSIVE KRABOOM!

A MASSIVE EXPLOSION ERUPTED, AND RIGHT IN THE CRATER, SCOTT AND THE SCOTT CLONE WAS SEVERELY BURNED AND CHARRED BY LINCOLN'S BENSON STYLE RANT, BUT THEY WERE STILL ALIVE, AND THE REAL SCOTT HEARD IT AND HE WAS LITERALLY BLEEDING FROM HIS EARS AND BLOOD BEGAN SPURTING OUT OF HIS ASS!

Green Firestorm Super Genius Coyote: You really are a piece of shit, Scott, in this universe or ours, you are nothing more than a monster, and we're gonna enjoy putting you down for good. And here's a little something extra from me.

Me: YEAH!

Green Firestorm Super Genius Coyote fired a massive ball of green energy and green fire which hits Scott and the Scott clone and he got burned even more.

Then, I also went wild on him by slashing him hard with my gold-armored dragon claws leaving scars on him. Then, I held out my left hand and fired ten massive balls of fire at Scott and his clone, and they collided and exploded as they hit them, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

Finally, I formed a massive blue fireball in my left hand and I threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

KRABOOM!

IT EXPLODED IN A MASSIVE FIERY EXPLOSION OF BLUE FIRE

AS IT ROSE UP INTO THE AIR AND THE EXPLOSION ALSO HIT SCOTT AND HIS CLONE AND PILLARS OF BLUE FIRE ROSE FROM THE GROUND AND HIT THEM AND THEY GOT BURNED!

Me: YEAH!

Nico: You better get ready, Scott! You're in for a world of pain!

Scott: (uninterested) Yeah, yeah…

Nico: Hey! Didn't you hear me?! I said to get ready because-

Scott: Oh, I am getting ready…to read this little yellow book!

Veon: Say what?

He pulled out a yellow book and it was SPONGEBOB'S DIARY!

WE GASPED!

SpongeBob: MY DIARY!

Me: YOU WOULDN'T DARE!

Scott opened it up!

Me: Scott I'm warning you!

He put in some breath spray and read it! He was showing them all to everyone!

HE REVEALED SOME HORRIBLE SECRETS OF SPONGEBOB!

HE CLUCKS WHENEVER HE SEE'S PLAID KILTS! AND SO MUCH MORE!

SpongeBob: (BROKEN) HOW COULD YOU! (CRYING HYSTERICALLY)

HE CRIED LIKE A FOUNTAIN!

SCOTT LAUGHED LIKE A MADMAN!

I GROWLED SO FEROCIOUSLY! MY EYES GLOWED WITH INTENSE RED FURY!

Me: YOU SICKENING FUCKING MOTHERFUCKING MONSTER!

Villamax: Why would you do this?!

Scott: Because I hate all of you! Bad enough you beat me at Total Drama! But you took away the chance to be a hero! When it was really your fault for doing the Ridonculous Race! You should've just accepted having normal lives! Or better yet, you should've just killed yourselves! Consider this punishment for all of that!

Nico: You son of a bitch! You're dead when the time comes. You fucking hear me?!

Scott: This is me not caring!

Me: WELL FUCK YOU TOO!

BUT THEN RARITY SNAPPED!

Rarity: (SUPER ENRAGED!) YOU DISGUSTING PIECE OF DIRT! HOW DARE YOU READ SOMETHING PRIVATE LIKE THAT!? I AM GOING TO GIVE YOU THE WORST BEATING OF YOUR MISERABLE LIFE!

Me: Uh oh!

Xenia: That can't be good!

(ENDLESS MIST OF NIGHTMARES PLAYS)

SUDDENLY A MASSIVE POWERFUL VORTEX OF DARKNESS EXPLODED OUT OF THE GROUND AND THEN RARITY TURNED INTO A DARK VERSION OF HERSELF! SHE TURNED INTO NIGHTMARE RARITY!

SHE LAUGHED LIKE A DANGEROUS MADWOMAN!

WE GASPED IN SHOCK AND HORROR!

Me: OH NO!

Qin: NOT GOOD!

Xenia: NOW SCOTT HAS DONE IT!

NIGHTMARE RARITY THE TERROR GEM HAS BEEN UNLEASHED!

She went at Scott and punched and kicked him ferociously and blasted him with intense fury and slashed him all over!

Lincoln: Guys, keep that asshole busy, I'll handle Nightmare Rarity.

Lincoln approached Nightmare Rarity as he unholstered his massive Lincoln Loud's True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship True Almighty Eternal Celestial Cosmic Elemental Almighty Eternal Godly Friendship Universal Cosmic Elemental Heaven Cosmos Storm Shining Rainbow Ultimate Harmony True Unbreakable Eternal Bonds True Immortal True God Hero Thunderbird Buffalo True Alpha Werewolfairan Vampirairan Cyborg God Mythological True Seraphim God Phoenix God Archangel Greatsword of True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship True Almighty Eternal Celestial Cosmic Elemental Almighty Eternal Godly Friendship Universal Cosmic Elemental Heaven Cosmos Storm Shining Rainbow Ultimate Harmony True Unbreakable Eternal Bonds True Immortal True God Hero Thunderbird Buffalo True Alpha Werewolfairan Vampirairan Cyborg God Mythological True Seraphim God Phoenix God Archangel Justice.

Lincoln: Rarity, you have to stop! We'll get rid of Scott in due time.

Nightmare Rarity: NEVER! HE MUST DIE HERE AND NOW! HE MUST DIE! NOW, MOVE!

Nightmare Rarity fired blasts of dark gems at Lincoln, but he used Rarity's Gem shields to block them.

Suddenly, The Elements of Harmony of Sunny Starscout and her friends, The Elements of Harmony of Twilight Sparkle and her friends, and The Unity Stones on top of The Element of The Magic of Friendship embedded on the 620'11" massive, wide, double-edged hulking gold blade of Lincoln's massive greatsword started glowing, and the blade was also surrounded by very powerful holy white purifying fire.

Lincoln: No, Rarity. As your future husband, I must purify you from that Nightmare monster that you'd become thanks to Scott. And he was hoping I'd kill you. (To Scott as he flips him the middle finger with his left hand) Well, fuck you, asshole, you must think I'd do something like that?! You're still nothing but a damn lowlife and an absolute piece of crap.

Scott: WHAT THE FUCK DID YOU JUST...?!

POW!

I didn't give him time to finish slinging that insult as I punched him hard in the face. Then, Lincoln turned to Nightmare Rarity.

Lincoln: Now, to free you from the Nightmare demon inside you, Rarity! (Elemental Forces Swirled around him) I am The Reincarnation of Amaterasu, The Descendant of King Arthur of Camelot, The Champion of The Iroquois God of Thunder and The Gods and Goddesses, and The Champion of Friendship and Protector of Earth and loved by all. When my Cutie Mark comes to life, the elemental storms of justice will strike evil down!

Lincoln unleashed his Rainbow Power and he fired a massive white purifying energy beam strengthened by The Elements of Harmony of Sunny Starscout and her friends, The Elements of Harmony of Twilight Sparkle and her friends, and The Unity Stones and Lincoln's Rainbow Power from his massive greatsword's 620'11" massive, wide, double-edged hulking gold blade and it hit Nightmare Rarity and she screamed as the darkness was being purified from her, and she landed feet first, and she had a pure white holy aura surrounding her.

Rarity: Ugh. What happened? (Sees Nightmare Rarity) Is...is that?!

Nightmare Rarity: Free! FREE AT LAST!

But, Lincoln traps her using a white magic prison trap.

Lincoln: That's the very creature you turned into when Scott read SpongeBob's diary to humiliate him, and that asshole was also expecting me to kill you, but you and my entire harem know me better than that.

Rarity flew to Lincoln and she hugged him as she wrapped her arms around his neck and cried hard onto his chest

Rarity: (BAWLING AND CRYING HYSTERICALLY)

Lincoln holstered his massive greatsword on his back and hugged Rarity with both arms.

Rarity: (Crying Hard) Why did he do something like this?! Why?!

Lincoln: He's a monster, Rares, he only cares about inflicting pain and suffering on others.

Rarity: (Crying Hard) It hurts, it hurts so much! He's an unfeeling brute!

Lincoln rubs Rarity's head with his left hand.

Lincoln: (Soothing Voice) Shh, it's alright, Rarity. It's okay, it's okay.

But, Sweetie Belle, Erica Tala, Dioptase Angel Belle, Blood Diamond, and Cookie Crumbles were furious!

Sweetie Belle, Blood Diamond, and Dioptase Angel Belle: THAT GOOD FOR NOTHING ROTTEN JERK! HOW DARE HE MAKE OUR SISTER CRY!

Cookie Crumbles: That monster's gonna get it big time!

Erica Tala: Making Mom turn into a monster and making her cry! He's gonna pay!

But, Lincoln heard their words loud and clear.

Lincoln: Rarity, let me leave you with a clone of myself to comfort

you.

Lincoln made a clone of himself as he continued comforting her. Then, he turned angrily to Scott.

Lincoln: (ENRAGED SCREAM) SCOTT! YOU'RE GONNA PAY FOR MAKING MY FUTURE WIFE CRY AND FOR MAKING HER TURN INTO NIGHTMARE RARITY!

Scott: DAMN YOU! DAMN YOU! YOU SHOULD'VE KILLED...!

SLASH! SQUELCH! SCREAM!

LINCOLN SLASHED HIM IN THE CHEST WITH HIS LEFT HAND'S GOLD-PLATED DRAGON CLAWS AND HIS MASSIVE GREATSWORD WHICH HE UNHOLSTERED! NOW, HE WAS REALLY OUT TO MAKE THAT JACKASS PAY!

Sea King: I swear to you I didn't know he would do that. ZI would've stopped him if I did.

Octane: Relax. We believe you

I then grabbed Scott by his neck and squeezed tight and he choked!

Me: I'm going to kill you right here and right now!

I had my sword ready to strike and stab him!

Me: And you don't have your parents to back you out this time! They should have just killed you the moment you came into this world and I don't know what the fuck Billy McLean was thinking having you on the show! You are nothing more than a heartless monster! A Soulless, heartless, remorseless, compassionless, evil, pathetic monster!

Scott: You'll have to catch me first!

He tried to kicked me off him but he was weak to do so.

Me: Nice try. But you are totally pathetic! You only have 75 power. I'm stronger than you! Now I'm going to snap your neck!

Overdrive: Relax, J.D. I'm mad too. But I got a feeling the repercussions are gonna work out in our favor. And what vehicles can I use here?

Qin: Nothing here because it's all swamp.

Overdrive: Darn!

Nico pulled out a tank.

Overdrive: That works.

But all the people were booing loudly!

Me: Well looks like your plan to read SpongeBob's diary didn't work Scott!

Nico: Wait. What are we saying? We can't kill you yet. Fang still would like some words with you.

Me: Yeah! But actually he's just a clone so we CAN kill him. Also... (WHISTLES)

Scott: (IN FEAR) FANG?!

He felt a poke on his shoulder and saw Fang smiling with his big Toothy Grin.

Fang: Hello dinner!

Me: Whoa! You actually CAN talk!

Fang: I wanted to surprise you.

Me: COOL!

Fang: Yep.

Me: Well after we deliver the finishing blows, he is all yours.

Fang: Thanks!

Lego Black Manta: Whether that's a clone or not, you guys can handle him while me, King Shark, and Parasite handle Sea King and his pet!

Me: Lets dance!

I punched and pulverized Scott in his face!

The Real Scott at Team Buktu HQ felt me delivering those blows!

I slashed and cut him all over!

Nico pulverized him all over!

Lincoln slashed him brutally!

Lincoln: NO ONE MAKES RARITY CRY!

Scott: (Scared) Um...

Me: Huh? Oh, what, you going for something? (His eyes dart aside; pan over slightly to SpongeBob's Diary.) You going for that? (Back to Scott.)

Fang: I want to get some enjoyment out of this first.

We tied him up and I had my eye openers ready and we made Scott watch BLOOD AND HONEY!

You're done for, you piece of shit!

Lincoln went wild on Scott and his clone as he punched, kicked, and slashed at them like a wild beast, and he left scars on them, and I also did the same as well.

Then, Lincoln held out his left hand and fired ten massive balls of fire at Scott and his clone, and they collided and exploded as they hit them, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

Finally, Lincoln formed a massive blue fireball in his left hand and he threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

KRABOOM!

IT EXPLODED IN A MASSIVE FIERY EXPLOSION OF BLUE FIRE AS IT ROSE UP INTO THE AIR AND THE EXPLOSION ALSO HIT SCOTT AND HIS CLONE AND PILLARS OF BLUE FIRE ROSE FROM THE GROUND AND HIT THEM AND THEY GOT BURNED!

Lincoln and I went at Scott and his clone and we began brutally smashing them all over the place with our massive godly superhuman strength, and it was even more brutal than ever. Then, we punched them hard in the face and kicked them in the stomach and we sent them flying into a wall, they got back up and Lincoln and I fired massive elemental energy balls and beams of light at the two of them and they really got scorched and burned.

Esmeralda charged a him and kicked him in his face.

She fired jewels and cut him good.

Qin: YEAH!

Rhonda Ogami slashed him all over and blasted him with rocks!

Esmeralda was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Varyon, Rhonda, Brynja and Felicia!

Varyon: NO! We control the power. It doesn't control us!

They concentrated and reigned in the powers of Mega Electivire, Mega Magmortar, Mega Scizor, Mega Groudon and Pickaxe and they transformed and fired waves of energy and elements at Scott!

Me: YEAH!

They reverted back!

Me: Nico I hope you don't keep internal organs next.

Nico: OH SICK! What do you think I am, a homicidal maniac!?

Me: Okay okay! Sorry!

Nico cut off Scott's middle fingers and he screamed in agony.

Me: NICE!

SCOTT WAS HORRIFICALLY MANGLED UP!

Nico: That way, you can't flip us the bird!

We smirked.

Then Stinky Butt, Anti-Wanda, Cavalier, Eris, Mammoth, Raven Branwen, Condiment King, 2016 Morbucks, Professor XXXL and Artie Ziff came.

Nico: Stinky Butt, Anti-Wanda, Cavalier, Eris, Mammoth, Raven Branwen, Condiment King, 2016 Morbucks, Professor XXXL and Artie Ziff!

Stinky Butt: GEEZ! You guys really beat him up!

Me: No kidding! WHEW! Can me and Nico have a snowcone professor?

Professor XXXL: Sure guys.

He gave us one.

We ate them and licked them.

Me: Ahh needed that. Thanks Professor.

Scott: (Groans) Guys... please... help me.

They thought about it...

Stinky Butt, Anti-Wanda, Cavalier, Eris, Mammoth, Raven Branwen, Condiment King, 2016 Morbucks, Professor XXXL and Artie Ziff: NO!

Me: I think he is too mangled up for you to beat up anyway.

Cavalier: You guys are covered in blood!

Me: WHEW! Yeah and we're sweaty. We need a shower when we get back. (To Lego Poison Ivy) Also sorry you guys had to see that. We tend to go overboard when it comes to torture sessions like that.

Lego Poison Ivy: I can understand why.

Stinky Butt: And for good reason!

Anti Wanda: He just became the most hated member of Team Buktu!

Cavalier: That's right!

Me: I agree there! And all of Total Drama too.

Eris: (to Nico) We heard you fought Eva

Nico: We sure did.

Mammoth: (to Boy Lynn) You should take care of that Mankey

Boy Lynn: I will!

?: Awesome!

A figure came out and it was Jenko Copamino from episode 12 of LupinRangers VS PatRangers!

Jenko Copamino (ジェンコ・コパミーノ Jenko Kopamīno) was a water flea-themed Gangler Monster of the Interdimensional Crime Group Gangler, equipped with the "Life on the fast track/La vie sur la voie rapide" treasure from the Lupin Collection.

Jenko Copamino was running at highspeed while tossing his bombs at random location, however while Lupin Red distracted Jenko, Lupin Yellow managed to steal the La vie sur la voie rapide (which translate as "Life in the Fast Lane") Bracelet.

But during the fight, it wound up to a student who was training for a marathon runner, so Jenko tossed the bombs into the air in order for him to retreat.

A while later, he found the same student that has the bracelet-like treasure, so in response he'd chased the boy back to where he hid the bracelet and battle the Lupinrangers now taken to a forest where he'd sent out the Pordermen to keep them busy but he was stopped by the Patrangers, but not before long he was taken out by the Blade Boomerang.

However he was then enlarged by Goche Ru Medou only to be destroyed by the Patkaiser Biker's Lock-Up Strike.

Kairi Yano: Jenko Copamino!

Jenko Copamino: Been a while rangers!

Me: I remember you! You were going to blow up the entire city with those bombs and bracelets of yours! Also you know the funny thing, those bombs and bracelets were used on us when we went after one of Rai and Sena's enemies back in 2021! We actually got to live that one!

Jenko Copamino: That is a huge coincidence! But good memory on that!

Me: Thanks!

Qin: Yeah every time we got angry it would increase the charge up the bomb. But we stopped it.

Nico: No kidding.

Jenko Copamino: I can't believe you guys took my treasure early that day.

Kairi Yano: Well, we had to get it from that kid as well

Me: He didn't know that humans couldn't use it. But we found out a while back that you need intensely strong power to use them. We can use them now.

Jenko Copamino: That is amazing!

Me: Yep.

Nico: LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway!

Loki, Luke (Earthbound), Stinkbomb, Spittor, Cybershark, Airazor, Tigerhawk, Twilight Sparkle, Stellar Sparkle, Harmony Sparkle, Starshine Sparkle, Magic Skylanders, Indigo Zap and Gloriosa Daisy VS Stinky Butt, Malodor, Springload, Hammerstrike, Airazor & Divebomb, Crazybolt and Slicedice, Nojoke and Fart (Theme including Luke (Earthbound)) - Nico's rescue on the planet

Luke (Earthbound): Yeah it was! We were really amazed too!

Stinkbomb: He really made her suffer big time!

Twilight Sparkle: In the end though we sent her to the Xaikora prison.

Stellar Sparkle: We're one step closer to killing all the Total Drama Sore Losers and ending their lives.

Harmony Sparkle: we sure are!

Starshine Sparkle: And they are going to regret it!

Spyro: That is for sure!

Stinky Butt: HOLY CRAP! What a battle! Lets do this!

Loki used Stinky Butt's ring and then...

LOUD NASTY HORRIBLE AND POWERFUL FART OF EPIC POWER!

He fired a massive fart and it hit Stinky Butt and group and they coughed, gagged, vomited and retched and then they fired waves of stars and magic and smashed them down.

Anti-Wanda: WOW! That is amazing y'all!

Argent: It sure is. Also we met the gene-slammers of Mega Electivire, Mega Magmortar and Mega Scizor. They were Kamen Riders Brachiosaurus, Violence and Fang.

Cavalier (to Luke): I heard Lincoln's rescue was in Brazil. Hebattled a clone of PrimusPlanetmon and the Dark Sleep Card.

Luke: Yeah that was really intense!

Noah: It sure was and the clone of PrimusPlanetmon was powerful as well.

Wendy Darling: Indeed it was.

Applejack: Yeah that was great too.

Emily Douglas: Boy it sure was!

Apple Star: We had fun on that one.

Wolf Moon Bloom: You got that right.

Apple Bloom: It sure was fun.

Flashwing: It sure was!

Cavalier: Indeed. Shall we start?

Cavalier pulled out a white glove and slapped Luke with it.

Luke: I accept your challenge!

They got clashing with swords and then Luke used Cavalier's ring and they clashed more and they fired waves of energy, earth, mud, rock, boulders, meteors, lava, crystal, dust and apples and smashed them down.

Lane: It was really cold! But we got to see what Carrie Kirk's planet in her birthright was like and it was really cool!

Chromastone: It sure was and we were really amazed about it.

Howard The Duck: And the Andorians had an amazing culture and Carrie explained to us what they do and all that too.

Eris: That is really cool!

Rarity: (CRYING AND BAWLING HYSTERICALLY)

Lincoln was comforting Rarity as she was crying and crying and crying hard.

Lincoln: There there Rarity. There there.

Eris: Boy Rarity is really broken isn't she?

Erica Tala: What Scott did to mom was absolutely horrible!

Sapphire Ocean: He went too far on that!

Rarity (G5): That was absolutely horrible!

Dioptase Angel Belle: Yeah no kidding!

Sweetie Belle: I agree there too!

Gill Grunt: No kidding!

Eris: Oh the poor girl. Lets do this!

Lane used Eris's ring and they fired golden apples and water, ice, jewels, lightning and energy and smashed them down.

Raven Branwen (to Lars): It's Cameron's day to shine. As you can see, Sea King and Scott made an attack on the Hall of Doom.

Lars: Yes they sure did and we're not going to let them get away with that.

Nebula: Now this is going to piss off the Lego versions of the Legion here.

Irina Wendolva: I agree there!

Aqualad: No kidding there! What Scott did was horrible!

Camie the Mermaid: Yeah that is for sure!

Pinkie Pie: That's not the worst of it! What he did made Rarity snap!

Citrine Pie: Yeah that was awful!

Pinkie Pie (G5): Scott is just an absolute monster!

Condiment King: Yeah no kidding! Lets do this!

Leif used Condment King's ring and fired waves of ketchup, mustard, mayonnaise and relish and they fired waves of metal, gears, blades, magnetic energy and lightning and smashed them down.

2016 Morbucks was next.

2016 Morbucks (to Lexx): Cameron's akuma looks like a Romulan Battlecruiser! What can he do?

Lexx: Well he is really awesome! He is actually an amazing rescue ark that was made to rescue people that Billy McLean was tormenting and humiliating all over the multiverse.

Yost Black Widow: Yeah no kidding there! His is called the Valdore Anti-Billy Rescue Ark. He was a mixture of a Romulan Stormbird Battlecruiser, Romulan Scimitar and a Son'a Battleship. He was even as big as the U.S.S. Valorous Phoenix!

Goofy: Gawrsh he sure was! He was really something. He showed us on board and we were amazed seeing it.

Starlight Glimmer: But because he was a good Akuma we fought the Gozyugers Footsoldiers instead. They were called Aryees. Bellheaded footsoldiers.

2016 Morbucks: WHOA! That is awesome!

Moonlight Glimmer: It provided a really good warmup for battling them for next year.

Starlight Glimmer (G5): It sure did. That was so fun!

Professor XXXL was next.

Professor XXXL: (to Levi) Scott reading SpongeBob's diary caused Rarity to snap and turn her into Nightmare Rarity!? HE IS A TRUE MONSTER! They should have never had him on Total Drama at all to begin with!

Levi: That is an understatement. I don't know what was going through Billy McLean's mind when he had a monster sociopath like Scott on the show but it appears he wanted to add him to make the ratings go up with him torturing the masses.

Megadramon: Yeah no kidding there! Obviously he didn't read the fine print in the show guidelines to see if they have any mental problems or problems that can lead to killing people!

Carapace: Yeah! Got to read the fine print!

Princess Celestia: But having Rarity turn into NIGHTMARE Rarity!? That is horrible! If he was a pony in Equestria, I would have gladly condemned him to eternity in Tartarus for his crimes!

Bird Brain: Condemn him to the Greek Underworld!? That would be fitting!

Dawn Eclipse: No this is not the Greek Underworld. Tartarus in Equestria has no connection at all to the Greek Underworld whatsoever. Even though it shares the same name as it does it's not the underworld. It's actually a prison. It's a magical prison for Equestria's most dangerous and most evil monsters and criminals to ever terrorize the land. Like Tirek and Cozy Glow were at once.

Bird Brain: Oh I see.

Princess Celestia (G5): Yeah this is different. I would have made sure he got the exact same thing.

King Solar: Me too and that is for sure.

Solar Eclipsa: I agree too and he doesn't deserve to walk and live in the world!

Artie Ziff: (to Leon) Scott has gone too far this time! Even Sea King's disgusted

Leon: So is the world and also all of the Crime Syndicate too!

Sonoi: Rarity even is crying hard!

Simone Houou: Scott is a monster all in capital letters!

Princess Luna: You ot that right!

Dusk Eclipse: That was awful he did that!

Princess Luna (G5): Yeah no kidding there.

Nico teleported and opened his safe and got a bunch of weapons called the Destroyers of Scott, they're a massive collection of holy greatswords, blasters, spellbooks, and magic rings infused by holy magic and the powers of The Gods and Goddesses of The Ancient World and the power of God, The Angels, and Archangels of Heaven that'll really hurt that asshole!

Nico teleported back with them.

Kairi Yano: Lets finish him!

LupinRangers: LUPIN BLAST!

PatRangers: VICTORY STRIKER!

They fired waves of energy and elements and blasted him and he exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMM

All that was left of him was his safe!

Nico: YEAH! Jenko Copamino You have failed this world!

PatRangers: MISSION ACCOMPLISHED!

LupinRangers: With that we bid you a final adieu!

Troy Burrows: RANGERS AND RIDERS THAT'S A SUPER MEGA WIN!

We regrouped.

Scott: (to Albedo) Why don't we continue our previous discussion about your betrayal?!

Albedo: Yes. Let's!

He turned into Negative Ripjaws

He slashed Scott all over!

Negative Ripjaws: All you cared about was your own selfishness and that makes me sick!

Me: It ends for you Scott!

Troy: You just crossed a line!

Tsukasa: That makes you just as bad as Zedd.

Me: Uh Zedd was worse.

Kamen Ride: SPD Red!

Kamen Ride: SPD Blue!

Kamen Ride: SPD Green!

They turned into the SPD Rangers too!

We went at him and bashed and smashed and pulverized him all over the place.

Then I looked Scott square in the eyes.

Me: I want you to remember this Scott. You NEVER read someone's diary like that, and let me tell you right now. You think everything revolves around you but it doesn't. You think the world is your oyster, but it's not. You have done terrible things in the past and we're not going to let you do anymore terrible things ever again. Let me tell you right now, when we come for you and the rest of your team, you better have made peace with your maker because we're not going to show any mercy on you. And we're going to RIP YOU APART AND THEN WE'RE GOING TO FUCKING EAT YOUR ORGANS AND LIMBS! YOU UNDERSTAND ME YOU PUTRID MOTHERFUCKING PIECE OF SHIT!?

I GROWLED FEROCIOUSLY!

Lincoln and the girls fired waves of elements and energy that transformed into said sharks and they attacked Scott and his clone!

Juggernaut: As much as I'd like to kill you right now, I can learn to be patient. So, until then…

He placed a tracer on the jerk.

Me: Wait Cain. This is a clone. Allow me.

I formed a viewing window and the REAL Scott had it REALLY rough! Not just because of the curse of the Sore Losers but also because of what the clone experienced.

I snapped my fingers and put the tracer on the REAL Scott.

Lincoln and his harem: It's over, Scott! Time to die! SHARK FINAL SMASH: RAGE OF JAWS!

Lincoln and his harem summoned a Black Abyss version of Jaws the Great White Shark to rip, tear and devour Scott, but Scott pushed his own clone into its path, and he was ripped, torn, and devoured and sent to The Black Abyss.

Nico: YOU FUCKING COWARD! YOU CHEATED DEATH!

Scott: FUCK YOU! THIS ISN'T OVER YET!

Me: Try this one instead! (WHISTLES)

Scott ran and Juggernaut grabbed him and ripped him in two! He threw the halfs and then FANG APPEARED!

SCOTT SCREAMED AND THEN...

CHOMP!

He chewed him up really good and ate him good.

We holstered our weapons and powered down and headed to the gym at Lynn's Table.

Me: I cannot believe that piece of shit cheated his date with death!

Nico: Pushing his own clone into the path of that shark Lincoln and his harem, he really is an absolute fucked-up loser!

Me: But Fang finished him good.

Then Fang belched!

Lincoln: But, he's not getting out of this, not with one of my tracers on him, and we'll kill him, Evil Sasuke, Evil Neutron, and Tim Buktu on Jonny 2x4's big day. Now, there's one thing left to do and one last loose end to tie up: The Fire Elemental Deity, Blaze.

We then turned our attention to Blaze who's still trying to get out, but couldn't.

Blaze: Now, you will face me!

Adrianne Acmetropolis: But, this is to prepare us for that day, very well.

Lincoln did one final powerful energy slash that hit Blaze hard, and a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Blaze was on his last legs.

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into Blaze's chest and he began absorbing him and assimilated Blaze's Fighting Skills and Master Martial Artist, Indomitable Will, Cosmic Elemental Physiology: Cosmic Fire and Fire Magic, Reality Manipulation, Teleportation, Absolute Strength, Absolute Speed, Absolute Stamina, Self-Sustenance, Invulnerability, and Immortality, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame

RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of Blaze and Lincoln has an orange energy aura with fire and elemental forces surrounding his rainbow, white, golden yellow, and blue energy aura, rainbow protective aura, and holy white aura, and our rainbow, white, golden yellow, and blue energy aura and rainbow protective auras flared up as Blaze's excessive power also flowed into us as well, and Lincoln also sucked out all the energy remaining in Blaze's soul and Blaze then merged with Lincoln as the rainbow Thunderbird and rainbow animals on his forehead has rainbow fire reflecting in them, same with the animals emblazoned on our foreheads, and Lincoln let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and flexes his massive muscles as fire burst out of his massive biceps and massive muscles!

We cheered as we holstered our weapons and powered down and Adrianne Acmetropolis' new body, clothes, weapons, jewelry, Third Eye, 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded orange gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded orange gems behind the gold rings behind her head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999 large black and orange planets orbiting around her legs, 999,999,999,999,999,999,999,999,999,999,999,999,999,999 smaller black and orange planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and orange planets orbiting around her wrists and ankles, and enormous black angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large black angel wings underneath her enormous black angel wings are permanent.

Adrianne Acmetropolis: And with this, the pact has been forged, and doomsday will arrive for Shao Khan, Quan Chi, Shang Tsung, Shinnok, and Kronika. Thanks for helping me take down Blaze, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Adrianne.

Me and Nico: Our pleasure, Adrianne.

Suddenly, Adrianne Acmetropolis wrapped her arms around Lincoln's waist as he lifted her up to his face as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Adrianne Acmetropolis' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Adrianne Acmetropolis sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Adrianne Acmetropolis: With this, Lincoln and all of us made our vow to destroy Shao Khan, Quan Chi, Shang Tsung, Shinnok, and Kronika.

Me: We're gonna make absolutely sure Shao Khan, Quan Chi, Shang Tsung, Shinnok, and Kronika pay for their crimes. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Volcanic Laval Masters of Courage and Lavalval Chain.

Lincoln: (GASPS) The symbol of The Volcanic Laval Masters of Courage and Lavalval Chain.

Adara Vulcania: There's only one person who fits this: Adeen Vulcania, Avatar and Gene-Slammer of Lavalval Chain, and you guys are going to love meeting her, Adeen Vulcania, Avatar and Gene-Slammer of Lavalval Chain, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lavalval Chain. She's The Volcanic Lava Serpent Master and member of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Adeen Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lavalval Chain, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lavalval Chain, and Lincoln was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Adeen Vulcania hates Sergio with a passion because that stupid bird dumped a massive bucket of garbage on her, and he, Sancho, and the Party Birds callously laughed at her with cruelty. Adeen got super enraged and angry, she fired a massive blast of fire at them, and the blast of fire burned their feathers and left them in the nude and when she exposed their nudity to the public, they were laughed at and had to fly to The Casagrandes' apartment and she had to take a hot bath to get the smell of the garbage off her.

WE GASPED!

Me: That stupid bird! That repulsive feather duster!

Nico: That was absolutely evil!

Lanaia: I threatened that I was gonna fry that stupid bird if I ever saw him again! (GROWLS)

Me: So, that's why I smelled that much garbage from her.

Lincoln: Yep, Adeen fell victim to Sergio's rotten prank.

Lynn: He deserved it big time, and exposing the nudity of him and his friends to the public, that was overkill, but they had it coming.

Me: Yeah. Scott is soon going to pay.

Raven Branwen: We'll kill the real one soon

Condiment King: It's only a matter of time

Me: Yep. WHEW! (Groans in pain) I got a headache. Too much rage.

Nico: Go take a shower and then you can rest.

Me: Okay.

2016 Morbucks: (to Lego Black Manta, King Shark, Parasite, and Trickster) Will you guys be joining us?

Professor XXXL: We can use all the help we can get

Artie Ziff: Especially after what happened

Lego Trickster: We would be honored.

Me: Yay!

Rarity: (CRYING AND BAWLING HYSTERICALLY)

Me: Poor Rarity.

Camie: Yeah.

Dawn (Total Drama): (To the viewers) Now Scott's days are numbered.

Me: You got that right.

We went back home.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: I can't believe that filthy pig cheated death by pushing his clone to get killed and sent to The Black Abyss.

Anna Anyanova: And we told Lady Tsunade about it, and she got so pissed off big time, she swore to make that racist, Alecto Slytherin, pay. But, it won't change anything, we're still going to kill Team Buktu when Jonny 2x4's day comes.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters of the now expanded hot springs was Lincoln in the hot waters, but they also saw his towel was on the rack along with his orange speedo, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice) (Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs) (Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fesstertox's Perfect Gene-Slammer serum and Perfect God serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his towel around his waist about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice) (Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Alexander Avalon: So far so good. We took down The Dark Sleep Card, but tomorrow, I got a feeling we're going to take on the dark version of The Song Card, this thing did want to sing and it didn't cause that much trouble, but we're ready for it.

Alexander Avalon went back inside: the hunt for The Dark Clow Cards was still on, and so was the big war against Team Buktu and

Darkseid, and we'll make sure those monsters pay for their crimes with their lives.

Scott had a smirk on his face as he was pleased with what he did. But that didn't last long as he went inside. Ultraman shoved him against the wall the minute he saw the others.

Ultraman: What the fuck were you thinking?! We had a plan!

Scott: You wanted Team Loud Phoenix Storm to look bad! What I did helped in that. Who cares how it's done?!

Ultraman: It matters because we had a plan and you decided to go off on your own! You and Team Buktu seem to misunderstand your place. You are hired guns. Nothing more. Your job is to do what you're told, not take things into your own hands!

Stane: And honestly, as much as I hate Team Loud Phoenix Storm, that was really fucked up

Tim Buktu: Don't be too soft, Stane. I'm actually glad Scott took the initiative

Evil Sasuke: About time those curs got taken down a peg

Evil Jimmy: Now, they'll learn their place

Superwoman: I'm starting to rethink our little partnership

Ultraman: Here's how this is going to work from now on. You don't eat, you don't sleep, you don't even breathe unless I tell you to.

Scott tried to say something, only for Ultraman to interrupt him by punching him in the stomach

Ultraman: I didn't say you could breathe yet!

Scott: F-Fuck you

Ultraman: I don't think you quite understand the gravity of the situation you've put yourself in. (about to use Heat vision) Let this serve as a reminder

Scott: Wait, what are you-? (Ultraman uses Heat Vision)

The rest of the day was filled with Scott's screams of pain.

Little did they know I was watching them through the viewing mirror from Beauty and the Beast and showing it to us.

Me: (Smirks) They think they took us down a few pegs when in truth it's the other way around. Everything is going according to our plans.

I went to sleep.

see you next time.

DC SUPERVILLAINS PART 7

Part 7: LEGO GRID

In the evening, Poliwag was walking around the city.

Poliwag: Can't believe Scott would do that. And now, I overheard Lincoln that he's considering on using the Fountain of Hui and the Eagle Scope to try and find a way to kill Scott and the remaining villains out there. Good thing Skywarp and Thundercracker are guarding the Shen Gong Wu vault. But Lincoln swore never to do that.

Just then, a truck driven by mobsters drove by, nearly running Poliwag over and dropping something.

Poliwag: Hey! Watch it! WHO DO YOU THINK YOU ARE!? KING OF THE ROAD!? (notices what was beside him) What's this?

He saw that it was 2 huge bags with lots of cocaine bricks and a HUGE AMOUNT OF MONEY! All in $100.00 Bills!

Poliwag: Look at these cocaine bricks and look at all this dough! I need to get this to somewhere secure!

Poliwag grabbed the bags and hurried back to the Estate. He then buried the bags where no one would find it.

Poliwag: There! Nice and secure.

He went back inside.

Sebastian Mendez: Poliwag?

Poliwag freaked out.

Poliwag: (FREAKED OUT SCREAM) Sebastian, what the? Uh, this is all a dream! This is all a...!

Sebastian Mendez: Oh cut the crap already, I saw the whole thing.

Poliwag: You what?!

BUSTED!

Poliwag: Oh God! Please, Sebastian, you can't tell Nico about...!

Sebastian Mendez: Hell freaking no, I am not covering for you, this is illegal, Poliwag, you took the cocaine and buried it where no one would find it, and on top of that, you also made off with the money belonging to those gangsters. I swear, you have done some pretty crazy shit before in the past, but this! This is crossing the line, I'm telling Nico about this, and I won't surprised if he sends your ass to Sunset Canyon to do volunteer work for the elderly for a week!

Poliwag: (GASPS) (Thinking) Oh my God! I hadn't seen that look of pure rage on him since he drove that bitch, Connie Flammel, away long ago! (Out Loud) Please, you can't tell Nico about this, same with May, Poromon, and the others! You can't!

Sebastian Mendez: Too bad, I'm telling them everything, mister.

Sebastian Mendez ran to knock on Lincoln's room, my room, and Nico's room.

Me: (Groans) S-Sebastian? What's up?

Sebastian Mendez: Guys, there's something I need to tell you.

Sebastian told us everything, and we gasped!

Lincoln: No way! Poliwag did what?

Me: That's straight up illegal!

Nico sees a freaked out Poliwag!

Poliwag: (FREAKS OUT) OH! MY! GOD! HE TOLD ON ME! I got to run, I got to flee the country!

Poliwag gathered two briefcases: one had the huge amount of money from the cocaine bags and the other was a change of clothes!

Poliwag: SAYONARA, BUTTERBALLS!

Sebastian Mendez: Oh no, you don't!

Sebastian Mendez made a whip of light and tied Poliwag up and pulled him back to us, and we were pretty annoyed.

Nico: Poliwag, I can't believe you did that. After we get rid of Team Buktu and Darkseid, you are going to do some volunteer work at Sunset Canyon for a week!

Poliwag: Oh God...!

Nico: Sebastian, thanks for telling us this.

Sebastian yawned.

Sebastian Mendez: (Tired) You're welcome.

Lincoln: Hey, is he okay?

Nico: Damn, have you been up all night?

Sebastian Mendez: (Tired) Yes. But, before I turn in, I got to do this.

Sebastian Mendez made a beam of light which went into Lincoln and removed more negative and irrational emotions which were planted in there by Alecto Slytherin and destroyed them.

Lincoln: (Groans) I may have been permanently purified, but Alecto Slytherin decided to fuck that up big time.

Me: What a fucking snake.

Sebastian was about to collapse until Nico caught him.

Nico: (Smirks) Alright, mister, time to get you to bed.

Nico took Sebastian to his room and tucked him in, and we went back to our rooms.

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a beautiful vast massive world of millions of ancient elemental planets in one where many ancient civilizations of many elemental forces and beasts flourished and many cities were built and peace reigned supreme due to the truly ironclad bonds forged. But, six ancient elemental planets were a key part of this world: Firaira, The Ancient Planet of Fire inhabited by male warrior angels known as The Firairans, the males who'd spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, regeneration, superhuman durability, immense virility, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of Fire, Magma, and Lava, and they were the ancient ancestors of The Fire Planets, Infernaira, Magmatisaira, and Lavaiaira, and the ancestors of The Infernairans, The Magmatisairans, and The Lavaiairans.

The ancient rulers of the six ancient planets helped establish the bonds with these omnipotent godly warriors and the millions of ancient elemental planets, but the ancient rulers had a terrible vision that foretold of a horrible tragedy: The Infernairans, the Firairans' descendants consumed by their absolute rage and hatred for all life in the universe, launched a massive campaign to wipe out all life, and they defeated and imprisoned the male warrior angels of the planets in The Forbidden Zone in Wells of Souls where their souls remain to this day. But, they had another vision, but it was one of hope: the vision was of The Reincarnation of Amaterasu coming to the planets of The Forbidden Zone and absorb the souls of the many septillions of the male warrior angels imprisoned inside the Wells of Souls on the planets, absorb the planets and their cores, and the Suns into his body to preserve their legacy, and by marrying the Queens of those planets, their life would soon begin anew once more and their legacy forever preserved by The Reincarnation of Amaterasu and The Champions of The Immortal Eternal Phoenix and who would marry Arpina Infernaira, The Former Queen of The Infernairans and Light of Infernaira and put the Infernairans to death by absorbing them and absorbing their planet and core and their Sun into his body.

And when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to Almightairaira where he would meet The Almightairairans and when he'd arrived, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the male Almightairairans and all of the male inhabitants of the millions of ancient elemental planets into his body gaining their eons of combat experience, immortality, invincibility, regeneration, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of the elemental forces of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, and the immense powers of Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals, and incredible godly powers and immense virility.

Then, the ancient rulers of the six ancient elemental planets: Firaira, The Ancient Planet of Fire, Aeroaira, The Ancient Planet of Wind, Hydroaira, The Ancient Planet of Water, Gaiaira, The Ancient Planet of Earth, Luxiaira, The Ancient Planet of Light, and Shadowaira, The Ancient Planet of Darkness would perform the rite: the rite of The Reincarnation of Amaterasu absorbing the male Firairans, Aeroairans, Hydroairans, and Gaiairans into his body gaining their eons of combat experience, immortality, invincibility, omnipotent power, regeneration, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of the elemental forces of Fire, Magma, Lava, Water, Wind, Earth, Nature, Crystals, Light, and Darkness, and incredible godly powers and immense virility.

Lincoln: That's incredible!

Lincoln got up and got dressed, and he left a note explaining it, and he headed off to Almightairaira.

Lincoln landed on Planet Almightairaira, and it was everything he saw in his dream and his rainbow energy aura exploded as he grew stronger.

Lincoln: Wow! So, this is Almightairaira, the main planet is really beautiful and so are the millions of ancient elemental planets, and Firaira, The Ancient Planet of Fire, Aeroaira, The Ancient Planet of Wind, Hydroaira, The Ancient Planet of Water, Gaiaira, The Ancient

Planet of Earth, Luxiaira, The Ancient Planet of Light, and Shadowaira, The Ancient Planet of Darkness.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) It's still as beautiful as ever.

?: (Strong Manly Voice)(Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw a strong-looking man who was really tall at 620'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a rainbow sun and moon on his chest, he has long red hair going down to his shoulders, blue eyes, he has on a rainbow-colored loincloth, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Alan Almightairaira, King of The Almightairairans of Planet Almightairaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angel, Alana Almightairaira. (GASPS) Now, I remember, I've been here before to Almightairaira eight years ago.

Then, all of the other Almightairairans and the other inhabitants of the millions of ancient elemental planets came to Lincoln.

Alan Almightairaira: That's correct, you came here eight years ago when my daughter wanted to introduce me to you. (Smiles) You've grown that much stronger and taller, you're almost as tall as me, and you're also even more muscular than all of us, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man she and the others had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Alan chuckled.

Lincoln: And there's something I need to tell you.

Alan Almightairaira: I know. You had the dream, it's time.

Lincoln: Yes, it is.

Then, Lincoln saw six strong-looking men appear from six tornadoes of fire, water, earth, wind, light, and darkness, they were really tall at 620'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, they were shirtless with colored suns matching the elements of fire, water, earth, wind, light, and darkness on their bare chests, they had long colored hair matching the elements of fire, water, earth, wind, light, and darkness going down to their shoulders, blue eyes, they have on colored loincloths matching the elements of fire, water, earth, wind, light, and darkness, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: And Fabian Firaira, King of The Firairans and Firaira, The Ancient Planet of Fire, Aaron Aeroaira, King of The Aeroairas and Aeroaira, The Ancient Planet of Wind, Harry Hydroaira, King of The Hydroairans and Hydroaira, The Ancient Planet of Water, George Gaiaira, King of The Gaiairans of Gaiaira, The Ancient Planet of Earth, Lucas Luxiaira, King of The Luxiairans of Luxiaira, The Ancient Planet of Light, and Simon Shadowaira, King of The Shadowairans of Shadowaira, The Ancient Planet of Darkness.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead)(Smirks) Let me guess, more fathers of your Guardian Angels, right?

Lincoln: You guessed it.

Fabian Firaira: I knew the day would come. But, you've grown that much since the last time you'd come to Almightairaira, but you are still the same noble, brave, courageous, and strong young man we'd met, Lincoln.

Lucas Luxiaira: And we knew you avenged the many Forbidden Zone planets when you absorbed The Infernairans and absorbed Infernaira and its sun into your body and you'd been doing the same with the other Forbidden Zone planets when you absorbed the septillions of souls of the males and absorbed their planets and Suns into your body to preserve their legacy.

Harry Hydroaira: And you've since been permanently purified of Dark Chase Young, now you truly are ready.

Then, the other male Firairans, Aeroairans, Hydroairans, Gaiairans, Luxiairans, and Shadowairans had arrived.

Suddenly, Alan Almightairaira, Fabian Firaira, Aaron Aeroaira, Harry Hydroaira, George Gaiaira, Lucas Luxiaira, and Simon Shadowaira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Alan Almightairaira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Alan Almightairaira and the other male Almightairairans and all of the male inhabitants of the millions of ancient elemental planets embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their eons of combat experience, immortality, invincibility, regeneration, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of the elemental forces of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, and the immense powers of Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals, and incredible godly powers and immense excessive virility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and

Alan Almightairaira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Thank you, Lincoln.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Now, you can speak through Lincoln's Rainbow Thunderbird and animals on his forehead like the rest of us, Your Majesty, and that'll be needed. The others are gonna suspect something's up tomorrow.

Lucas Luxiaira: J.D. will no doubt sense it, but of course, you'll need us to speak as well, do not worry. Now, it's our turn.

Suddenly, Fabian Firaira, Aaron Aeroaira, Harry Hydroaira, George Gaiaira, Lucas Luxiaira, and Simon Shadowaira and the other male Firairans, Aeroairans, Hydroairans, Gaiairans, Luxiairans, and Shadowairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their eons of combat experience, immortality, invincibility, regeneration, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of the elemental forces of Fire, Magma, Lava, Water, Wind, Earth, Nature, Crystals, and incredible godly powers and immense excessive virility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo

on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, and the immense powers of Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals was raging like a really massive wildfire as he pounded his chest like a gorilla and he felt even more wilder than ever.

Lincoln: Whoa...! (Flexes his massive muscles as his massive biceps bulged even more with veins forming) I feel even more incredible than ever.

Alan Almightairaira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Now, there's the final rite you must perform.

Lincoln flew deeper and deeper into the planet, and he found it: the core of Planet Almightairaira and the cores of the millions of the ancient elemental planets, the inner and outer cores of the planet and the million other planets consisted primarily of iron and nickel and are extremely white hot with the temperature at more than 999,999,999,999,999,999,999,999,999,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the core of Planet Almightairaira and the millions other ancient elemental planets, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core of Planet Skyvall itself and the million other planets into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew to Firaira, The Ancient Planet of Fire, Aeroaira, The Ancient Planet of Wind, Hydroaira, The Ancient Planet of Water, Gaiaira, The Ancient Planet of Earth, Luxiaira, The Ancient Planet of Light, and Shadowaira, The Ancient Planet of Darkness, and he found them: the cores of Firaira, Aeroaira, Hydroaira, Gaiaira, Luxiaira, and Shadowaira, the inner and outer cores of the planet and the million other planets consisted primarily of iron and nickel and are extremely white hot with the temperature at more than 999,999,999,999,999,999,999,999,999,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Then, he flew into Almightairaira's massive Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming) (GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Lily the Mermaid: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks) (Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Girl Jordan: (Swooning) My God! As if Linky couldn't get more hotter and more handsome and sexier.

Lily the Mermaid: (Swooning) He just proved us wrong, now our hulking wolf hunk of a husband has become even more hotter, more handsome, and even more seductive and sexier than ever.

This is so awesome, I've grown from 520'11" to 620'11" and my muscles grew even larger than ever and I still have twelve-pack abs and I'm also even more ripped than ever! This is so awesome! (Seductive Voice)(Smirks to his harem) Like what you see, ladies?

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: And we never get tired of you growing ever taller and even more buffer than ever.

Lincoln holstered his massive greatsword on his back and powered down, and his new body, clothes, jewelry, Third Eye, larger brown wolf ears, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and longer brown wolf tails, large gold halo and large Yata no Kagami mirror with sun ring-shaped frame with embedded gems behind the large gold halo behind his head and four large orbiting gold rings on each corner with four large Yata no Kagami mirrors with sun ring-shaped frames with embedded gems on each corner behind the four large orbiting gold rings, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large planets orbiting around his legs, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 smaller planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized planets orbiting around his wrists and ankles and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings are permanent.

Lincoln: (Smirks Seductively) Is that so? Well, that wouldn't be fair to you ladies either.

Lincoln's eyes glowed, and the girls suddenly grew to 250'11" in height, they still have the bodies of goddesses and their angel wings grew larger as well. They saw it for themselves in the mirror, and they too were amazed.

Lily the Mermaid: (Amazed) Oh my. Linky, you big tall seductive sneak!

Then, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: That was the surprise you had planned for us. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then, where were we?

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later.

Then, as morning came, I was the first to wake up.

Me: (YAWNS)

I got up and got dressed and started to head to the kitchen to make breakfast.

Me: Man what a day yesterday.

SPLASH.

Me: Huh?

I saw water on the floor and saw that it was coming from Rarity's room.

Me: Uh oh.

I went to Rarity's room and heard her crying hard.

Rarity: (From inside her room) (CRYING AND BAWLING HYSTERICALLY)

Me: Oh man she is still crying hard? Poor Rarity. Yesterday was really hard for her.

I went to her door and knocked on it.

Me: Rarity are you okay in there? Come on out so we can talk.

Rarity: I'M NEVER COMING OUT! I AM A MONSTER! I TURNED INTO A BEAST BECAUSE OF SCOTT! I AM SUCH A LOSER! I'M NOTHING BUT A MONSTER AND A LOSER! (BAWLING AND CRYING HYSTERICALLY) (EATING ICE CREAM TOO)

Me: Oh dear.

I went to an alarm box and pulled out an intercom and pressed a blue and black button.

Me: Guys code Black Blue Emergency.

Everyone came out.

Lola: What is the... Oh man is Rarity still sad?

Me: Yeah.

Nico: Man she is really down in the dumps.

Sweetie Belle: Scott really got to her.

May: Poor Rarity.

Me: I'll head in.

I used a door open code and the door opened a then...

KRASPLASH!

A Massive flood of tears poured out of her room.

Nico: WHOA!

Eli: HOLY CRAP!

Me: GEEZ!

I went in and saw RARITY CRYING HARD and she had eaten over 300 buckets of ice cream! And she was on her sofa crying and eating ice cream.

Me: GOOD GRAVY! Look at all this ice cream! Rarity come on you got to get ahold of yourself!

I went over to her.

Rarity: LEAVE ME BE! I just want to stay in here and never help you all again!

I went and sat down and took the spoon from her mouth.

Me: Rarity come on this is too much even for you. Rarity look I get it. I was enraged when Scott read SpongeBob's Diary and I hated him for that too. And I know you were devastated when you turned into Nightmare Rarity. But Rarity you're making your sisters and parents worry about you because of being in here. Also you look like you haven't slept all night.

Rarity: Oh it's hard to argue with facts. I'm a monster waiting to strike and all because of that monster Scott! (BAWLING AND CRYING HYSTERICALLY!)

I had an umbrella out for protecting myself from her tears.

Me: Rarity you are wrong. You are not a monster. You are a great friend and an amazing designer of fashions.

Lincoln came in. Same with Applejack and friends.

Applejack: Okay, Rarity, you've done just about enough sulkin'!

Lincoln: Yeah! This has gone on for far too long Rarity! Wallowing in self pity and drowning yourself in ice cream is not going to help you!

Applejack: I know you turned into a monster but you are still the same you no matter what!

Twilight Sparkle: Yeah Rarity, you're not a monster. That was something brought on by Scott. You're our friend. A friend that started a fashion empire and one of the Guardians of Harmony.

Me: And you make REALLY amazing clothes that Leni, May, Nico and Lori love.

Lori: That's right Rarity. We literally love all your clothes and they are literally the envy of many people in school and beyond.

Carol: We love them all so much.

Nico: Yeah and Even Woz compliments me and May by calling us king and queen.

May: It's true.

Me: And many people all over the world love them. But you are more than just a fashion mogul and designer. You are an awesome friend.

Fluttershy: A friend who made us all feel beautiful in her lovely creations.

Rainbow Dash: A friend who stuck by us, no matter what!

Spike the Dragon: And a friend who has captivated the world and made so many amazing clothes and has the most selfless heart ever.

Applejack: A friend so generous that she once chopped off her own tail to help a sea serpent.

Me: That still amazes me. Also Rarity I know yesterday was a shocker to you and what Scott did was low, but Lincoln, your sisters and all of us would not want to see you like this.

Lincoln: That's right Rarity.

Lincoln wiped her mascara streaks away.

Lincoln: You are still also an amazing future wife and one of the most amazing girls ever.

Juru: And one of the best sisters I know because you helped us destroy Yodonheim.

Rarity knew we were right.

Rarity: Goodness! You're right! I'm so sorry guys! I just was so upset about what Scott did.

Me: Believe us.

Nico: We all were.

Eli: Yeah. It was terrible.

Rarity: I am grateful for you all for helping me out. Thank you guys. Thank you.

Rarity hugged me and Lincoln.

Me: We're glad you're better. Now come on lets get this place cleaned up and get some breakfast.

We then brushed our teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

J.D. 2: This was no ordinary planet. Lincoln, do you have a book about the world you went to?

Lincoln ran to his room and flew to the top of his massive vast collection of libraries and found the very book and brought it to J.D. 2.

J.D. 2: I knew it.

He opened the book, and we saw it: the planet Lincoln saw in his dreams along with a million other planets there as well.

Me: Whoa! what is that place?

J.D. 2: This, J.D., is Almightairaira.

FLASHBACK TO VAST EONS AGO

J.D. 2: (Narrating) Vast eons ago, there was a world in a far distant galaxy not far from The Forbidden Zone, that world was known as Almightairaira, The World of Millions of Ancient Elemental Planets, a vast massive world of millions of ancient elemental planets in one that consisted of the main planet, Almightaira, along with millions of elemental planets of the elemental forces of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, and planets where Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals lived as well where many ancient civilizations of many elemental forces and beasts flourished and many cities were built and peace reigned supreme due to the ironclad bonds forged.

Nico: Whoa...! I'd remembered coming across it in legend.

Vegeta: We once went there to conquer it when we were still under Frieza's thumb, but The Almightairairans were too powerful, and they drove us away.

King Vegeta: They were indeed mighty and formidable warriors, we hadn't come across them before, and it wouldn't be the last time.

J.D. 2: Indeed. WE GASPED!

Shanan: The ancient precursors of many of the planets of The Forbidden Zone and the races.

J.D. 2: That's correct. (Narrating) The ancient rulers of the six ancient planets helped establish the bonds with the Almightairairans and the millions of ancient elemental planets, but the ancient rulers had a vision that foretold of a horrible tragedy: The Infernairans, the Firairans' descendants consumed by their absolute rage and hatred for all life in the universe, launched a massive campaign to wipe out all life, and they defeated and imprisoned the male warrior angels of the planets in The Forbidden Zone in Wells of Souls where their souls remain to this day. But, they had another vision, but it was one of hope: the vision was of The Reincarnation of Amaterasu coming to the planets of The Forbidden Zone and absorb the souls of the many septillions of the male warrior angels imprisoned inside the Wells of Souls on the planets, absorb the planets and their cores, and the Suns into his body to preserve their legacy, and by marrying the Queens of those planets, their life would soon begin anew once more and their legacy forever preserved by The Reincarnation of Amaterasu and The Champions of The Immortal Eternal Phoenix and who would marry Arpina Infernaira, The Former Queen of The Infernairans and Light of Infernaira and put the Infernairans to death by absorbing them and absorbing their planet and core and their

Sun into his body.

And when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to Almightairaira where he would meet The Almightairairans and when he'd arrived, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the male Almightairairans and all of the male inhabitants of the millions of ancient elemental planets into his body gaining their eons of combat experience, immortality, invincibility, regeneration, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of the elemental forces of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, and the immense powers of Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals, and incredible godly powers and immense virility.

Then, the ancient rulers of the six ancient elemental planets: Firaira, The Ancient Planet of Fire, Aeroaira, The Ancient Planet of Wind, Hydroaira, The Ancient Planet of Water, Gaiaira, The Ancient Planet of Earth, Luxiaira, The Ancient Planet of Light, and Shadowaira, The Ancient Planet of Darkness would perform the rite: the rite of The Reincarnation of Amaterasu absorbing the male Firairans, Aeroairans, Hydroairans, and Gaiairans into his body gaining their eons of combat experience, immortality, invincibility, omnipotent power, regeneration, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of the elemental forces of Fire, Magma, Lava, Water, Wind, Earth, Nature, Crystals, Light, and Darkness, and incredible godly powers and immense virility.

Finally, he would absorb Almightairaira and its core along with the millions of the ancient elemental planets and its cores along with absorbing the four ancient elemental planets, Firaira, The Ancient Planet of Fire, Aeroaira, The Ancient Planet of Wind, Hydroaira, The Ancient Planet of Water, Gaiaira, The Ancient Planet of Earth, Luxiaira, The Ancient Planet of Light, and Shadowaira, The Ancient Planet of Darkness into his body and Almightairaira's Sun into his body to preserve their legacy for there were always those who sought to steal the secrets of Almightairaira and Firaira, The Ancient Planet of Fire, Aeroaira, The Ancient Planet of Wind, Hydroaira, The Ancient Planet of Water, Gaiaira, The Ancient Planet of Earth, Luxiaira, The Ancient Planet of Light, and Shadowaira, The Ancient Planet of Darkness and use them to cause destruction to all.

When Super Brother's harem saw him, they had massive atomic red blushes on their faces, hearts in their eyes, their tongues had rolled out, their noses were gushing out blood, and they let out wolf whistles upon seeing just how much hotter and sexier their hulking wolf hunk of a future husband has become.

Super Brother's Girl Jordan: (Swooning) My God! As if Linky couldn't get more hotter and more handsome and sexier.

Super Brother's Lily the Mermaid: (Swooning) He just proved us wrong, now our hulking hunk of a husband has become even more hotter, more handsome, and even more seductive and sexier than ever.

I've transformed even more and grew from 520'11" to 620'11". (Flexes his massive arms and his massive biceps bulged even more with veins forming) (GROWLS) RRGH! And I'm also even more ripped than ever! This is so awesome! (Seductive Voice)(Smirks to his harem) Like what you see, ladies?

The noses of Super Brother's harem literally gushed out blood like a fountain, but Super Brother's only getting started as he proceeded to do the bodybuilding poses he used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches on his massive biceps, pecs, obliques, back, legs, and twelve-pack abs.

Super Brother's Harem: (Swooning) So manly...!

Super Brother holstered his massive greatsword on his back and powered down, and his new body, clothes, jewelry, Third Eye, larger brown wolf ears, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and longer brown wolf tails, large gold halo and large Yata no Kagami mirror with sun ring-shaped frame with embedded gems behind the large gold halo behind his head and four large orbiting gold rings on each corner with four large Yata no Kagami mirrors with sun ring-shaped frames with embedded gems on each corner behind the four large orbiting gold rings, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large planets orbiting around his legs, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 smaller planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized planets orbiting around his wrists and ankles and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings are permanent.

Super Brother's Girl Jordan: And we never get tired of you growing even more in muscle and growing taller.

Super Brother: (Smirks Seductively) Is that so? Well, that wouldn't be fair to you ladies either.

Super Brother's eyes glowed, and the girls suddenly grew to 250'11" in height, they still have the bodies of goddesses and enormous angel wings grew and sprouted it out. They saw it for themselves in the mirror, and they too were amazed.

Super Brother's Amara Roshansa: (Amazed) Linky, you big tall seductive sneak!

Then, they pounced on him, and he engaged in a passionate make-out with them, and when it was all done, he had kiss marks on his massive pecs, arms, neck, and twelve-pack abs.

Super Brother: (In Heaven) So...worth it...!

We laughed.

Tristan woke up to see Duskull staring at him.

Duskull: Morning Tristan!

Tristan: Morning Duskull.

Duskull: It's time for breakfast!

He went and got dressed and went to the table.

Me: Morning Tristan.

Tristan: Morning guys.

Rarity was yawning.

Tristan: Whoa Rarity are you okay?

Lincoln: She had a really rough night and was crying hard.

Me: Another Code Black Blue emergency. She was crying hard because of what happene yesterday.

Sweetie Belle: She ate a lot of ice cream.

Tristan: Again!? Oh no.

Me: Guys come on. Yesterday was really brutal on us. We can vent on the rescue.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was our old enemy, Marcus, he's back in Michina Town and he wants revenge on us again.

Me: Oh Hell No! Marcus, you son of a bitch!

Lincoln: I can't believe Marcus has some nerve to return, well, he's in for one nasty surprise. Alright, now let's finish breakfast and head to Michina Town and meet with Sheena and return The Staff of Arceus to my Guardian Angel.

Nico: And take down Marcus and send his ass back to prison.

Me: We're gonna enjoy trashing that asshole once more along with meeting your Guardian Angel there, Lincoln.

We finished our breakfast and we headed to Michina Town to meet Lincoln's Guardian Angel there and help The Fearful 5 unlock their Rainbow Power and take down Marcus who's back for revenge on us, but before that, I'm going to undergo the same purification process as Lincoln did, and it's going to be intensely strong! This time no fear and no crying.

Me: Ah, we're here in Michina Town.

Nico: Yep, it's looking good.

Lincoln: That's for sure. Now, we should meet with Sheena.

Me: Good idea. Ash told us a lot of good things about her.

Qin: I heard she has a really mysterious power.

Camie: Yeah no kidding! I wonder what it can do.

Ymir: We'll find out soon.

Earthrock Trilobyte: I know.

Nico: Earthrock Trilobyte, I want to thank you, Anomalocaris Dopant, and your teams for coming.

Earthrock Trilobyte: No problem Nico. Looking forward to this one.

Caylee Cambrian: I have been looking forward to this for 550 million years.

Me: Sweet!

Xenia: Nice!

Nico: Caylee, what do you like to do in your free time?

Caylee Cambrian: I teach all about the history of life at the museum and in Paleozoic World all about the Cambrian Period. I show children what life in the Cambrian Period was like back then over 550 million years ago.

Camie: That was back when all life was in the oceans.

Caylee Cambrian: That's right. Earth's life was still starting out in the oceans and they had only shellfish like creatures.

Me: Like these.

I showed images of them. Anomalocaris, Opabinia, Canadia, Trilobites, Sea Lilies and many more.

Me: This is what was in the oceans back over 550 million years ago.

Nico: Whoa!

Eli: Yeah it was long ago.

Ymir: I had no idea creatures like those even existed back then.

Me: Many people don't know about them because it was way before the dawn of the dinosaurs.

Caylee Cambrian: That's right.

Poromon: That's a good job to have.

Caylee Cambrian: It sure is.

Qin: We all were amazed ourselves too.

Lola: Yeah no kidding!

Me: Yep. Man... (GROWLS) (ROARS)

KRASMASH!

I GOT SO ANGRY THAT I PUNCHED A HUGE ROCK AND SMASHED IT INTO OBLIVION AND REDUCED IT TO DUST!

Me: THAT MOTHERFUCKING ASSWIPE! SCOTT REALLY WENT TOO FAR!

Nico calmed me down.

Nico: Easy easy J.D. I know. He's become the most hated member of Team Buktu. Even more then Evil Sasuke!

Me: I hope he gets a lot of pain coming to him from Lego Ultraman!

Nico: What do you mean?

Varie: J.D. saw everything happening to him through the magic mirror from Beauty and the Beast. Lego Ultraman blasted him all over with laser vision and subjected him to lots of agony.

Me: Yep.

Nico: WHOA! We haven't faced Ultraman before in the Prime Universe either.

Xenia: Scott is in for a world of hurt from him.

Me: Yep. Look.

I pulled out the mirror.

Me: Show Team Buktu HQ

The mirror did so and showed Scott being REALLY TORTURED BY LEGO ULTRAMAN!

He was being blasted with Laser Vision all over and screaming in agony.

Nico: I forgot all about that mirror. But that is well deserved karma there.

Rarity: Indeed. (YAWNS) Serves him right.

Lincoln: I agree there.

Nico: I don't think the Crime Syndicate knew about what he was going to do.

Me: No he totally went behind their backs. Ultraman called them backup tools and nothing more and they only serve them.

Nico: Geez.

Skywarp: Me and Thundercracker were guarding the Shen Gong Wu vault for obvious reasons.

Lincoln: Yeah I wanted to use the Fountain of Hui and the Eagle Scope to find ways to destroy Team Buktu but I wasn't thinking straight.

Sebastian Mendez: I helped purify Lincoln because of that.

Me: Good work Sebastian.

Lola: Yeah.

Me: Curse that Alecto Slytherin! Even though Lincoln was purified he is still finding ways to cause trouble.

Nico: Yeah!

Brittney: We'll be rid of him soon.

Lincoln then sprayed graffiti on a nearby building.

Me: Lincoln!

Lincoln: It's just water. See.

He had a squirt gun full of water.

Me: Oh good.

Lincoln: Sorry.

Me: Save it for the lego world.

Lincoln: Okay.

Nico: (to me, Girl Jordan, Lincoln, Laney, Luna, Luan, Lily, and Lisa) I'm tempted to give you guys a break from missions to lash out your issues with my leadership. But not all fo you guys have had turns in this batch of usual battles yet.

Me: Nico what are you talking about?

Laney: We're not doing anything to you.

Nico: Oh. Sorry.

Luna: Yeah dude it's cool.

Lisa Loud: We are just enjoying the scenery here.

Nico: I know I've arleady forgiven Lincoln for using Ken's death against me. But is it wrong that it still hurts?

Me: No. But Nico no one is against you on this.

Lincoln: Yeah.

Laney: Besides we're just enjoying the sights.

Me: Nico I think I know what you want from some of us. You want us to take a vacation. Right?

Nico: Only after you guys get to have a turn in this batch of usual battles

Me: But Nico it's not our turns yet. I already had my turn earlier.

Lincoln: Yeah and I did too.

Laney: Me and my sisters haven't gone.

Nico: Exactly my point.

Me: Okay okay.

Poliwag felt relieved that what he discovered earlier wasn't going to be revealed anytime soon.

We headed to Sheena's place.

Ash: Hey, Sheena!

Sheena: Ash, this is quite a surprise!

Me: Hello Sheena. Nice to finally meet you.

Sheena: You too J.D.

Nico: You must be Sheena.

Sheena: I sure am. Pleasure to meet you Nico.

Nico: You too.

Sheena: (GASP)

She saw into Poliwag's heart.

Sheena: Poliwag did you guys accidentally kill a guy name Kozak.

We gasped!

Me: What the!? You guys killed Kozak!?

Poliwag:…Poromon did it!

Poromon: It was an accident! I tripped while we were firing a bazooka and it hit Kozak and we blew him to smithereens!

Me: Oops. Well we were going to kill him anyway but you saved us the trouble.

Eli: Yeah we wanted to put him out of his misery.

Nico: Yeah.

Me: Wait Sheena how in the world did you know that?

Sheena: I have this power that enables me to talk to Pokemon through their hearts.

Me: WHOA! That is a really mysterious power.

Nico: I didn't know you can do that. That is really cool.

Sheena: It sure is.

Nico: Why don't you look into the rest of Poliwag's heart? You'll find it's full of plenty crazy things.

Sheena: Horsea likes to eat Nico's chicken wings when he isn't looking.

Nico: HORSEA!

Horsea: I can't help it! I get hungry!

Sheena: Manaphy likes to take baths with May when Nico isn't there.

May: (Blushes) We think it's adorable.

Me: Nothing wrong with that.

Sheena: Jirachi gives Max and Tentacool twinkies for dessert when everyone isn't looking

Mary Knudson: So that's why I smell twinkies every night!

Max: It's our favorites.

Jirachi: And we love it.

Sheena: I can tell. Tentacool eats a lot of jars of jelly when no one is looking.

Me: That explains why all our jelly jars are empty!

Varie: Tentacool!

Tentacool: Sorry.

Poromon: Do your powers work on Digimon and fish like Mevya?

Sheena: No it's only limited to Pokemon.

Me: Darn.

Sheena: And through your hearts, you've done a lot of crazy things. Including ones involving what seems to be Pooh and his friends.

Me: Like what they do with the Blood and Honey movie.

Sheena: That's it. But yes. Also Poliwag found and buried a bunch of Cocaine Bricks and Money he found last night when a mob van nearly to run him over.

Me: SAY WHAT!?

We looked at Poliwag!

Me: Poliwag you got a little explaining to do!

Poliwag: I don't know what you're talking about

Nico: Then why don't we summon everything buried in the backyard?

Me: Allow me.

I teleported and brought in the money and cocaine.

Me: Care to explain?

Poliwag: Okay I was venting because of everything that Scott did and I went out on a walk last night and a car nearly ran me over. I found 2 huge bags full of cocaine and cash and buried them!

Me: Wait what did this van look like?

Poliwag: It was a black van and had these two really nasty jerks in them.

Me: Hmm.

Sheila: (GASP) Those are men from the BGC.

Me: B.G.C.?

Sheila: Black Gotham Cartel. They are an underground organization of crime that set up shop in Gotham Royal York 6 months ago. They specialize in every crime imaginable. Arson, murder, corruption, everything. I've been working with the FBI and all international law enforcement agencies to stop them.

Me: Sounds like these guys are REALLY BAD News!

Nico: Yeah!

Sebastian Mendez: And I can corroborate everything Poliwag said. It's all true. I saw him bring it in.

Poromon: We need to give this to the police!

Poliwag: No way! I squeal and they kill me!

Me: Let them try! But 2 days ago at Gotham Museum, Lincoln found something that belongs to one of his Guardian Angels.

Lincoln got out The Staff of Arceus.

Sheena: (GASPS) The Staff of Arceus! Oh man, and you're right, it does belong to his Guardian Angel. Dahlia! Can you come out here?

Suddenly, we saw a beautiful girl who was tall at 100'11", she has the body of a goddess and large breasts, she has long black hair, blue eyes, enormous rainbow angel wings, she has Arceus on her forehead, right arm, and black skirt, she has on a black sleeveless dress top, black sleeveless vest, black skirt with Arceus and the symbols of the Pokemon fighting types, and black sneakers.

Lincoln: (GASPS) I knew it, Dahlia Arceus Ketchum, Avatar of All

Pokemon!

WE GASPED!

Ash: Dahlia? It's you!

Dahlia: ASH!

She hugged her little brother.

Dahlia: I heard all about how you won and became the champion. I'm so proud of you.

Me: No way, The Avatar of All Pokemon, so awesome! And did you say Ketchum?! That means...!

Anna Anyanova: Yes, that's right, everyone, this is Dahlia Arceus Ketchum, Avatar of All Pokemon, she's Lincoln's Guardian Angel from The Kanto Region and she's The Avatar of The World of Pokemon and a master of all the powers of all the Pokemon in the world, and she's also known as The Avatar of the Mighty Arceus, The God of All Pokemon and she has all the powers of all the mighty Legendary Pokemon from all the Regions in the world. She's so powerful that no Legendary Pokemon can match her, and she's also the wielder of The Staff of Arceus, and it has the power to bring forth life of all kinds and beyond. She's also the older sister of Ash Ketchum and she's the most powerful and strongest ever Pokemon Master of all. She also has all the powers of the elements, also. she got word of all her little brother's accomplishments in the world of Pokemon and more and she was so happy and proud of her brother and full of pride and love for him. She was also happy to hear that he and Serena got engaged, and she hasn't seen her mother, Delia, in a long time. Dahlia Arceus Ketchum came to Royal Woods where she met Lincoln, and she protected Lincoln from all threats including Scoots and more, and she also trained him in mastering all the powers of all the Pokemon in the world, all the powers of all the mighty Legendary Pokemon from all the Regions of the world, the powers of the Mighty Arceus, and all the powers of the elements, and over time, and over time, Lincoln gained all the powers of all the Pokemon in the world, all the powers of all the mighty Legendary Pokemon from all the Regions of the world, the powers of the Mighty

Arceus, and all the powers of the elements, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolf-Vampire-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting. Lincoln made her a beautiful rainbow ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a passion, and if they tried to murder Lincoln, she would unleash Arceus' fury on them and make them pay!

WE WERE STUNNED!

Nico: WHOA!

Me: HOLY...MOLY! She's someone no one wants to fight especially in a Pokemon Battle!

Lincoln: That's right, she's that strong and powerful.

Lincoln gave Dahlia Arceus Ketchum The Staff of Arceus.

Dahlia Arceus Ketchum: Thanks, Lincoln. I was wondering where my staff went to.

Poliwag: It's a good thing we already gave Giovanni The Black Abyss, what a thief!

Lincoln: Along with his grunts, and his three scientist buddies, Dr. Regal, Kurata, and Dr. Gero.

Dahlia Arceus Ketchum: I was still shocked when we found out that fucked-up genocidal lunatic, Kurata, was once part of Team Rocket, same with Mega Man's old enemy, Dr. Regal, and the mad scientist lunatic of The Red Ribbon Army, Dr. Gero.

Goku: We don't have to worry about them, Lincoln gave Dr. Regal and Dr. Gero The Black Abyss when we went after them on one of his rescues, and he gave Kurata The Black Abyss.

Nico: Along with Sergio.

Dahlia Arceus Ketchum: Ugh, I knew that repulsive feather duster was nothing but trouble!

Lincoln: That he was along with those three scientists, and we don't have to see them again.

Suddenly, Lincoln pinned Dahlia Arceus Ketchum to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Dahlia Arceus Ketchum with rainbow gems on the gold lightning bolts and rainbow crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up.

Dahlia Arceus Ketchum: Wow...! That was one way of saying good to see you again.

Lincoln: (Chuckles) Sorry about that.

Eli: Uh oh incoming!

We saw a bunch of thugs coming!

Me: We've got company!

Qin: Nasty company.

They came up to us.

Sheena came behind me.

Me: What do you douchebags want?

Thug: Give us that money that twerp stole!

Thug 2: (to Poromon and Poliwag) If all the stuff isn't here, you're both goners!

POW!

I punched him and knocked the thug down.

Me: You want to get to them you got to go through us.

Xenia: And that is not going to be easy!

Sheila: Also you guys are all under arrest!

Thug: BRING IT ON!

We went at them and punched and kicked and pulverized them!

POW BIFF WHAM SMASH WHOMP KROW!

We punched and kicked and smashed and pulverized them all into dust!

Poromon: (Echoing) LIGHTNING JAVELIN!

He fired a blast of lightning and electrocuted all the thugs!

One thug shot at Poliwag

He dodged the bullet and slapped the gun out of his hands and took it and shot him in the shoulders and legs!

BANG BANG BANG BANG!

Me: Nice shooting!

Qin kicked the thug in his face!

I then ran fast and tied up the thugs.

Me: There!

Sheila: Now you guys are coming with me!

Me: You're gonna spill the beans on the entire Black Gotham Cartel's operation!

Thug: GO AHEAD! TORTURE US! LOCK US UP! YOU'LL NEVER GET US TO SING!

Me: Oh we don't have to.

I used my powers and showed their memories to Sheila and Tom and the cops.

Sheila: WHOA MAN! You guys are worse than we thought! (To Tom on a radio) Tom we're going to need a HUGE SWAT Team for this. We're going to need backup from all over the city to launch a raid on the abandoned Butcher Shop.

Me: That place was shut down ages ago due to health code violations.

Nico: Figures they would use that place as their base of operations.

We got them put in jail.

Nico: Poliwag, what did we learn today?

Poliwag: Not to take stuff that isn't yours.

Me: Good.

Roger Smith: Let me have some of that cocaine.

All of us: NO!

Roger pouted.

Me: You don't want to incur Author me's wrath do you?

Roger gulped.

Sheena: (to Albedo) Also, your former teammates are pieces of work.

Albedo: (sighs) Heard about yesterday, huh?

Sheena: Yeah. I sure did. I'm sorry guys.

Me: It's not your fault Sheena. But now that you mention it... Oh, Lincoln, you remember when you went to Houvo to purify yourself in The Palace of Eternal Purification?

Lincoln: Yes?

Me: I also want to undergo the same process as you.

EVERYONE GASPED!

Nico: Wait, what?!

Lincoln: J.D., are you sure?

Me: I am, Lincoln.

Lincoln: Okay.

Suddenly, Lincoln recited the incantation, and then, a beam of heavenly light appeared from the ground and surrounded us, and when the column of light faded, we were now on Planet Houvo, Princess Ankhstarena's home planet.

Me: Whoa, is this...?

Lincoln: Planet Houvo, Princess Ankhstarena's home planet.

Me: So this is Planet Houvo. Wow! You're right that this planet is beautiful.

Then, Lincoln took me to a massive pure white building that looked like The Parthenon of Ancient Greece and The Pantheon of Ancient Rome, but twenty times larger with large white angel statues out in front that look like they're guarding the building and many more that are standing to the sides.

Me: Is that...?!

Lincoln: The Palace of True Eternal Purification, the very place place built to help those forever scarred by darkness be purified of all darkness, trauma, pain, and despair. 13.7 billion years, many people who came here have had their hearts purified and their minds and souls completely cleansed of all darkness, trauma, pain, despair, and all sorts of negative emotions, and the very place where I went to so that I could be rid of the last of Dark Chase Young's essence.

I knew in my heart this needs to be done: this time, no fear and no tears shall be shed.

Me: Lincoln, open the doors, I'm going in.

Lincoln opened the doors and I went in alone as the doors closed. As he walked throughout the building, the inside of the building was also twenty times larger than The Parthenon of Ancient Greece and The Pantheon of Ancient Rome, and inside, there were rows of ancient brave Houvoan warriors and angels, and there in the center stood a statue of Princess Ankhstarena.

Me: (Amazed) Wow...!

Suddenly, the circle in the center in front of Princess Ankhstarena's statue glowed.

?: (Powerful Voice) Step forward.

I obeyed the powerful voice, and he stepped into the circle in the center in front of the statue of Princess Ankhstarena.

?: (Powerful Voice) You are indeed a strong warrior, but you also carry so much excessive negativity and darkness because of scars inflicted on you mentally. Do not worry, you shall be cleansed and purified at once.

Then, the oil basins were suddenly lit on fire along with torches with pure white flames, and then, I was suddenly being lifted off the ground and I was floating in mid-air. Then, I was then enveloped inside a white ball of light, and then, I felt my body coursing with white hot fire: this was the very ritual used to cleanse and purify fully all of those forever hurt and scarred by darkness and negativity.

Me: (GRUNTS) (Thinking) Oh man, this feels really hot! It feels like liquid white hot fire is being injected into my body and it's really coursing through every fiber of my being! (GROWLS) Wait, I also feel something dark being sucked out of me!

Then, visible dark energy was suddenly being pulled and sucked out right out of me: it was the very darkness and negativity brought on by the years of painful mental scars, vicious beatings, and many other horrifying things I went through and what's been happening now was also being sucked out of him and it was gathering into a very massive ball of dark energy that was gathering in the center!

Then, the memories of all the good times I'd had throughout my life and the eight years following my arrival to Michigan and the formation of Team Loud Phoenix Storm began flooding my mind: I saw that I was and always will be a true noble hero with a pure heart and soul who always lifts the darkness of all those around me with a smile and always helps those in need and brings down evil with the flames of justice.

Suddenly, I felt more power surging through my body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,998 sets of large rainbow angel wings underneath my enormous rainbow angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on my obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed.

Me: I am James Dean Knudson, The Champion of Friendship and Protector of Earth and Loved by All, Almighty Loving Son of Sumner and Patti Knudson, Loving Almighty Grandson of Grandpa Dean Knudson, Almighty and Powerful Descendant of Mighty and Powerful Warriors, Emissary and Champion of The Heavens, The Cosmos, The Universe, and The Multiverse and Beyond, Defender of All Life! This is who I am and always will be, and no one can take that away from me!

Finally, a heavenly white aura surrounded me: I was finally and fully purified of years of darkness and negativity that clouded my heart, mind, and soul. No more fear and no more tears of sorrow shall be shed!

Suddenly, my rainbow eyes with heavenly golden yellow circle surrounding them turned neon rainbow, and I was surrounded by a rainbow, white, golden yellow, and blue energy aura with aura energy, white, golden yellow, and blue heavenly flames, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, and Atomic Radiation surrounding the vortex, there are Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Great Old Ones, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Deer, Hippogriffs, Griffins, Perytons, Sphinxes, Manticores, Animals, and Mythological Animals, but then, it exploded out even more.

Back on Earth Omega in Michina Town, everyone felt it from far away!

Varie: HOLY COW! Feel that!?

Eli: Whoa! Big bro's energy and power is exploding even more!

Nebula Lanaia: What's happening?!

Nico: It's J.D! (GOT KNOCKED DOWN) WHOA! Holy shit, he's going through the same purification process Lincoln went through!

Suddenly, I let out a growl as my abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on my body and my rainbow eyes and rainbow iris of my Third Eye remain the same, but the pupils turned into slits, my fangs grew longer and my rows of straight teeth remained the same, my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,998 other sets of large rainbow angel wings underneath my massive rainbow angel wings remained the same, my 999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and large brown wolf ears remained the same, my long wild rainbow hair going down to my upper back with multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of my hair and rainbow highlights in the bangs of my long rainbow hair became wilder and my large gold halo with four large orbiting gold rings orbiting the corners behind his head remained the same along with the Yata no Kagami mirror behind the large gold halo behind my head and the four Yata no Kagami mirrors behind the four large orbiting gold rings.

?: (Powerful Manly Voice) Not quite yet. Now, there is one last thing to do.

I saw the very massive ball of dark energy in the center: the very darkness and negativity brought on by years of painful mental scars, vicious beatings, and many other horrifying things I went through and what's been happening now. Then, it started to take shape and it formed into DARK J.D.! It looked like me, but his hair was black hair and he had black sclera and bright red eyes full of that very darkness and negativity.

?: (Powerful Manly Voice) Now, you must slay the darkness that was once inside you, but now, has been forced out into the open.

Come then, (Aura explodes out) Let's do this!

Dark J.D.: I WILL DESTROY YOU, AND THEN, I WILL DESTROY YOUR PATHETIC FAMILY AND ALL LIFE ON EARTH AND THE ENTIRE UNIVERSE!

I went after Dark J.D. and I fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus,

Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Dark J.D. and they exploded with incredible power as they hit him.

I also attacked Dark J.D. with my massive greatsword, and I mixed up my attacks with left hand punches, kicks, tail swipes from his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were brutal than ever, and I let Fenrir also attack him too with incredible fury and I fired intense fire and elemental blasts at him and they explode with fiery and intense power.

Then, Dark J.D. made a sword of darkness and wee clashed with their swords, and it was fierce, but I overwhelmed Dark J.D and destroyed his dark energy sword, and he was forced onto his knees.

Dark J.D.: You think you've won?! You think this is the end! You will never be free, you will forever be haunted by darkness wherever you go! You will never be a true hero, you will fail and everything you worked for will also be burned to ashes!

But, I had a forever calm look on my face, and I never made any angry looks on my face, but I looked at Dark J.D. with empathy.

It's true I suffered for years due to mental scars and losing those I held dear to my heart back in the past.

I raised my massive greatsword at Dark J.D., but then, the 620'11" massive wide, double-edged hulking gold blade was suddenly surrounded by a pure white purifying flame.

I will always remind myself that I am a true hero, and I will never turn away from those in need. No more fear and no more tears of pain and sorrow will be shed.

SHEEN!

I REAPPEARED IN FRONT OF DARK J.D. AND PIERCED HIM

RIGHT IN HIS BLACK HEART WITH MY MASSIVE GREATSWORD'S BLADE!

Then, I removed his massive greatsword from Dark J.D. who fell to the floor, and the white purifying flame began spreading across Dark J.D.'s body, and he was being destroyed completely!

I walked away as Dark J.D. exploded in white purifying flames and he was forever sent to The Black Abyss eternally forgotten. Then, outside of the temple, Lincoln saw the doors open, and I stepped out.

Lincoln: (Gasps) You did it, J.D., you purified yourself completely of the darkness inside you, and you also transformed!

Then, I reappeared in front of Lincoln in a flash of light and I had a smile on my face.

Lincoln: Already on it.

Lincoln suddenly merged Planet Houvo with Earth Omega and The Palace of Eternal Purification was now inside The World Tree Estate which grew to 200 miles high and the trunk grew to 200 miles wide and the foliage of the tree is now 2,000 miles wide and the castles around The World Tree Estate also grew bigger when Earth Omega also grew as well.

Then, we reappeared in front of everyone, and when everyone saw me in my new form, they were literally stunned, amazed, and struck with total awe at my brand-new transformation and evolution.

Nico: WHOA! Oh man, J.D.! You've transformed and evolved!

Just like Lincoln, I'm now forever purified.

Nico: WOW! How do you feel?

Me: Incredible!

And when the girls in my harem saw me, they had massive atomic red blushes on their faces, hearts in their eyes, their tongues had rolled out, their noses were gushing out blood, and they let out wolf whistles upon seeing me and just how much hotter and sexier their hulking wolf hunk of a future husband has become.

Then, everyone hugged me: I was finally reborn, freed from the darkness of years of pain, darkness, and mental trauma, and transformed.

Then, I holstered my massive greatsword on my back and powered down, and my new body, clothes, jewelry, Third Eye, larger brown wolf ears, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and longer brown wolf tails, large gold halo and large Yata no Kagami mirror with sun ring-shaped frame with embedded gems behind the large gold halo behind my head and four large orbiting gold rings on each corner with four large Yata no Kagami mirrors with sun ring-shaped frames with embedded gems on each corner behind the four large orbiting gold rings, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large planets orbiting around my legs, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 smaller planets orbiting around my waist, smaller planets orbiting around his fingers, medium sized planets orbiting around my wrists and ankles and enormous rainbow angel wings with rainbow fire reflecting in the feathers and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large rainbow angel wings underneath my enormous rainbow angel wings are permanent.

Suddenly, my eyes glowed and the girls in my harem also grew to 250'11" in height, they still have the bodies of goddesses and their angel wings grew larger.

Me: Whoa, did I just...?

Varie: You sure did, wow.

Nicole: And did Houvo merge with Earth Omega?

Lincoln: Yep, and take a look.

Lincoln and I made a viewing mirror and everyone saw that Earth Omega grew larger, and The Palace of Eternal Purification was now inside The World Tree Estate which grew to 200 miles high and the trunk grew to 200 miles wide and the foliage of the tree is now 2,000 miles wide and the castles around The World Tree Estate also grew bigger when Earth Omega also grew as well.

Eli: WOW!

Nico: You look incredible J.D.!

Me: I know. And better than ever.

I reverted back to my normal height at 6 feet 5 inches.

Me: There. Now I can fit.

Lincoln (to Sheena): Also, did you and Ash really help Arceus thanks to Dialga sending you back in time?

Ash: Not to sound like hypocrites but yes.

Me: I heard about that and that was intense.

Sheena: Yeah it was. Marcus really Had it out for the world and Arceus.

Me: Arceus was really pissed about that back then.

Carolyn Hope: I can tell.

Qin: No kidding.

Me: Now I am ready too.

Lincoln: I was also amazed myself. Okay, now that J.D. has been purified and we reunited with Dahlia Arceus Ketchum and Sheena, now we can move onto our mission, we're in Michina Town to help The Fearful 5 unlock their Rainbow Power and take down Marcus who's back for revenge on us.

Me: Ugh, Marcus never learns, does he?

Nico: Nope. What a sore loser!

We had all of TLPS and The MOE with us.

Vypra: WHOA! J.D. you look incredible!

Dark Spicer: WOW! Awesome!

Me: Thanks guys.

Me: (CRACKS KNUCKLES AND MUSCLES BULGE) Well, he's in for one nasty surprise.

Nico: Now, you're talking!

Lincoln had a premonition as well same with Super Brother!

Lincoln: Whoa, and we also had a premonition as well. But, come on, we need to get to Marcus.

Takanuva heard a Pokémon cry

Takanuva: Hey guys look!

We saw a Corsola! The pink one.

Me: Cool a Corsola!

Takanuva: Wow!

Misty (Pokemon): Aw looks like my Corsola has a playmate.

Me: Yeah he sure does.

Corsola: I can tell. Wait J.D. wow! You look amazing!

Me: I've had a massive purification.

Takanuva: Here.

He gave it apples.

Corsola: Thanks!

It ate them.

Corsola: Thanks!

Takanuva: Want to come with me?

Corsola: Sure!

Takanuva: Awesome!

Sheena: Oh I saw this weird lobster creature running around too.

Me: Wait Lobster creature? What did it look like?

Sheena: It looked like him (Points to Anomalocaris Dopant) But it had crab legs on it.

Me: That must be the next Underground Girl.

Sheena: Huh?

Me: Long nasty story.

Nico: And Ultraman had this to say about yesterday.

Lego Ultraman (on the news): I would like to apologize for Scott's actions yesterday. Rest assured, he'll be properly punished for this.

Poromon: Oh, he was punished alright

Me: At least they are taking responsibility for it.

Then I felt something itching on my back.

Me: What the...

Nico: J.D... DON'T... MOVE!

Nico grabbed a creature on my back and it was LANDRAY!

Me: WHAT THE FUCK IS THAT!?

Qin: WHOA!

Sydney: It's Landray!

Shanan: Oh my gosh! That's an Anomalocarian Cambrianopod from the planet Cambrius. They are creatures that look like the Cambrian Period Anomalocaris.

Me: WHOA! It was on my back!

Poromon: HOW BIG IS IT!

Nico: It looks about the size of a huge king crab!

Qin: WOW!

2012 Mikey screamed like a little girl!

2003 Mikey screamed like a little girl too!

Me: THAT GIRL WAS ON MY BACK!

Ed turned into Edzilla!

Edzilla: ED SMASH!

He smashed the creature all over!

I grabbed it with my hands and used my tentacles to get a vial ready.

Me: Okay lobster face! Time for you to come back to normal!

I injected her and she reverted back. She was a girl with golden brown hair and orange eyes.

I wrapped her in a blanket and we brought her to a bench.

Edzilla: ED STRONGEST THERE IS! (ROARS)

Me: YEAH!

She woke up.

Girl: (Groans) What hit me?

Me: Are you alright?

Girl: I think so.

Me: What's your name?

Ling Chang: I'm Ling. Ling Chang.

Qin: A Fellow girl from China. Awesome to have you here.

Ling Chang: Same here. But what happened?

Shanan: You were turned into a creature called a Anomalocarian Cambrianopod from the planet Cambrius.

She showed a hologram of it.

Ling Chang: (GASP) Oh man! I was eating my meal at a restaurant when I was jumped by these men and everything blacked out.

Me: The Shredder's footsoldiers got you.

Sydney: Yeah and turned you into that.

Ling Chang: Oh man! Sydney I'm glad you're safe.

Sydney: I am too.

Nico: The High Mage is dead.

Me: You don't want to know what happened to him.

Rarity: (YAWNS) Lets get you some new clothes darling.

Me: Rarity I think it's best you head home and get some sleep and let your contingency plan take over.

Rarity: Good idea.

Lincoln took her back to the estate and her clone came and Lincoln came back later.

The fashion brigade gave her new yellow orange Chinese clothes.

Ling Chang: I look amazing.

Me: You sure do.

Sheena: I can tell. Oh I saw 4 mega Pokemon too.

Me: Really?

Nico: Where are they?

Sheena: Over there.

We saw a Mega Armaldo, Mega Umbreon, Mega Minior and Mega Gothitelle!

Me: WHOA! Mega Armaldo, Mega Umbreon, Mega Minior and Mega Gothitelle!

Sheena: And I found out that their names are Anna, Eclipsa, Elaine M.E.A.T.A.C.M and Caylee Comet Hidari.

WE GASPED!

Philip: More of our sisters!

Qin: WHOA! You must've heard about everything Dark Gale has done.

Sheena: I sure did and it was horrible.

Me: Wow! Your powers are very versitile Sheena.

Horsea: They sure are.

Qin: Yeah.

Sheena: I don't like to brag.

Me: Lets go help them out!

We went over.

Philip: Girls it's us Philip and Shotaro!

Mega Minior charge at Horsea but she put her clone in front of her

The clone was about to be hit but Sheena caught her!

Qin: Nice save.

Sheena: Caylee don't attack a Horsea like that. Shame on you.

Caylee: (Telepathically to Sheena) I can't help it!

Nico: Whoa that is cool!

Sheena: (to Horsea) I saw in your heart that you were attacked by many gene Slammers in the past.

Horsea: Yeah they blasted, hit and cut me all over the place and it drove me nuts!

Dawn: I had the same thing happen to me with Ash and his Gible with my Piplup. He got blasted all over by it too.

Horsea: And that's why I cloned myself

Sheena: I can see why.

Me: It's a very genius tactic.

Qin: Yeah.

Poliwag: My fiance did good on that.

Nico: Yep.

Me: Yeah.

Nico: They're not done yet

Mega Umbreon fired a shadow ball and I deflected it into the air!

Mega Gothitelle fired a Psybeam blast and I used a Mirror Force and deflected it back.

Mega Armaldo fired a Hyper Beam blast and I fired a blue fire energy blast and the blasts collided and exploded with incredible power!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

Me: WHOA!

Sheena: WHOA! The purification made J.D.'s powers incredibly strong!

Lincoln: It sure did!

Horsea: YEAH!

Me: Okay then.

I snapped my fingers and they reverted back.

Anna was a girl with black hair and purple eyes and had pink angel wings and had the symbol of the Anomalocaris Memory and the W Rider on her forehead and arm.

Eclipsa was a girl with orange hair and orange eyes and fire angel wings and had the Eclipse Memory and W symbol on her forehead and arm.

Elaine had blue hair and blue eyes and blue angel wings and had the symbol of the Pleiades Memory and the W symbol on her arm and forehead.

Caylee had Blue hair and blue eyes and blue and purple wings and the Comet Memory and W Symbol on her arm and forehead.

We wrapped them in blankets and brought them over.

Me: Wow! That was amazing

They woke up and saw Horsea's smiling face.

Elaine: (Groans) What happened.

Caylee: I feel like I was hit all over by the Dunkleosteus Dopant.

Eclipsa: Same here.

Anna: (Groans) Huh? A Horsea?

Horsea: You hit my clone!

Maria picked her up.

Philip: Are you girls okay?

Girls: BROS!

They hugged them.

Shotaro: We're glad you're safe.

Me: All 4 of you were turned into Mega Armaldo, Mega Gothitelle, Mega Umbreon and Mega Minior.

Elaine: Oh man! We were fighting the Terror, Utopia, Gene and Nightmare Dopants when it happened.

Me: Whoa! I remember them.

Nuju: Same here. They put up a good fight.

Me: Yeah. Also Elaine what does M.E.A.T.A.C.M stand for?

Elaine: Oh that's my initials. My full name is Elaine Maia Electra Alcyone Taygete Asterope Celaeno Merope Hidari.

Nicole: Those are the seven stars of the Pleiades! Wow! That is cool!

Elaine: It sure is.

Poromon: Your rider names?

Anna: I am Kamen Rider Anomalocaris. I have all the powers of all the creatures of the Cambrian Period.

Me: That's over 550 million years of powers in you

Anna: Yep.

Eclipsa: I am Kamen Rider Eclipse. I have all the powers of the Sun, The Moon, Light, Darkness and Fire.

Me: Whoa!

Elaine: I am Kamen Rider Pleiades. I have all the powers of the Seven Sisters of the Pleiades in me.

Me: Whoa that explains it.

Nico: Yep.

Caylee: And I am Kamen Rider Comet. I have the powers of Comets and move with intense speed and have ice powers too.

Me: Whoa that is awesome!

Rainbow Dash: It sure is!

Rarity: Lets get you all new clothes darlings.

The Fashion Brigade gave them new clothes. Anna's were purple, Eclipsa's were orange and purple, Elaine's were sky blue and Caylee's were dark blue and they got their Doubledrive Belts and weapons matching them.

Caylee: We look amazing!

Qin: You sure do.

Nico: We're not done yet.

Me: Yeah we got a job to do.

We took off to take down Marcus.

We were flying in the air, and there we saw Marcus, and he's got an army of goons with him, but then, they got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 600'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla! Lincoln and I charged down and we smashed our fists hard into the ground and generated a massive wave of Earth and rocks that knocked down those goons.

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the first army of Marcus' goons, and he began sucking out and assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

And I morphed the tips of my 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and I stabbed them into the chests of the second army of Marcus' goons, and I began sucking out and assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large rainbow angel wings underneath my enormous white angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on my forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, the bodybuilders began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, the goons were left skinny and thin as a rake and we let out a loud and massive roar of dominance and power as we pounded our chests like two Alpha Male gorillas, and that sent the goons flying into prison, and that pissed off Marcus. But, he freaked out when he saw me!

Me: Hello dirtwad. Remember me?

Marcus: WHAT!? You look completely different!

Me: I've evolved and lets leave it at that.

Marcus: WHAT THE?! IMPOSSIBLE! HOW COULD YOU EVOLVE AND GROW EVEN STRONGER! YOU! YOU SHOULD BE BENEATH ME, YOU FILTHY PEASEANT!

Nico: Okay, now he's really lost it!

Me: Nice to see you're still the same absolute arrogant, good-for-nothing, two-faced, heartless asshole from all those years ago, and I would say it's good to see you again. (Smirks) But, that would be a total lie.

Then, I went really wild on Marcus as I punched and kicked him real hard in the stomach, punched him hard in the face, and kicked him in the legs. Then, I put my right arm around his head with my massive bicep under his chin, and...!

Me: (GROWLS) (FLEXES MY MASSIVE RIGHT BICEP)

I flexed my massive right bicep real hard and it bulged and gave him an uppercut and it sent him flying up into the air and he crashed into the ground!

Me: Now, that's what I call a massive dose of pain! (Flexes his massive arms and his massive biceps bulged even more with veins forming) (GROWLS) RRGH! And the transformation's made me even more ripped than ever! This is so awesome! (Seductive Voice) (Smirks to my harem) Like what you see, ladies?

The noses of my harem literally gushed out blood like a fountain, but I was only getting started as I proceeded to do the bodybuilding poses Lincoln used in the bodybuilding competitions Lincoln won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and I let out a manly wolf growl of pleasure from their touches as they rubbed my massive biceps, pecs, obliques, back, legs, and twelve-pack abs.

My Harem: (Swooning) So manly...!

Marcus came back up, but he was super pissed!

Me: (Smirks) Back for more?

But one and the same

Like starlight and moonshine

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

Inside a rainbow sphere with intense flames and elemental forces, Frozen Fright, Thunder Terror, Magma Gloom, Toxic Horror, and Louie PoisonSea then underwent an intense and amazing transformation! Frozen Fright, Thunder Terror, Magma Gloom, Toxic Horror, and Louie PoisonSea had Rainbow Flame patterns and rings appear on their sides and obliques and rainbow sun and moon on their shirts and they also gained intense rainbow flame patterns and snowflakes, lightning bolts, flames, radiation, and water waves on their forearms, they also got rainbow lines on their hair. They then had their Cutie Mark changes into many rainbow snowflakes, lightning bolts, volcanoes, radiation symbols, and poison water waves, and their massive angel wings had intense rainbow fire on them.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and I: NOW, GO TO HELL, MARCUS!

Lincoln, Nico, and I did one final powerful energy slash that hit Marcus hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Marcus was on his last legs and he was really really mangled.

Marcus got up, but he was pissed off!

Marcus: You...! YOU...! (ENRAGED SCREAM)

MARCUS CHARGED AT US WITH BLINDING RAGE!

But, then, we saw a Sheffield Bowie Knife hooked on a black chain heading for Marcus, and he got slashed by it, and a mark was placed on him: the Kanjis for Vengeance and Damnation, 復讐 天罰, and Adrianne Acmetropolis, Zadavia, Ace Bunny, Lexi Bunny, Tech E Coyote, Rev Runner, Danger Duck, and Slam Tasmanian recognized them.

We powered down and Marcus screamed!

Me: What the?! Who did that?!

Adrianne Acmetropolis: There is only one person in my family who did that, only one person who can leave those Kanjis for Vengeance and Damnation on a guilty man!

Lincoln: You mean, your older brother..., Adrian Acmetropolis!

WE GASPED!

Nico: I thought her entire family was murdered!

Ace Bunny: Unfortunately, that wasn't the case. It was true Adrianne's parents were murdered by Carly Kasady all those years ago, but we soon found out Adrianne wasn't the only survivor.

Ace Bunny got out the photo of a young man with brown hair going down to his neck, dark blue eyes, he was tall at 6'11" in height and very muscular, and he was dressed in a black shirt, black pants, black knee-high boots, and a long long-sleeved black coat, and massive black angel wings.

Me: So, that's...!

Tech E Coyote: Adrian Acmetropolis, and like his sister, he's The Avatar of The Loonatics and The Defender of Acmetropolis, but he was born with omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness and the stars, and our powers times infinity. He was sixteen when the attack occurred, and he swore to take Carly Kasady down. When we adopted Adrianne Acmetropolis, we also adopted her brother, Adrian, and he was pretty good with using a curved broadsword and bowie knife.

Lexi Bunny: But, then, the incident occurred when we were fighting Mastermind and Sypher, Carly Kasady came at us and she stabbed Adrianne Acmetropolis in the heart and killed her while she was laughing like the lunatic that she was. Adrian and all of us saw what happened to his sister, and he fell into a black rage and he attacked her slashing her in the stomach with his curved broadsword, but then, he went at Mastermind and Sypher, and...! (SHUDDERS IN FRIGHT)

Me: (GULPS) What did he do?

Danger Duck: He unleashed pure unholy Hell on them, he blasted them with dark energy blasts, darkness, and stars, and he slashed at them with his blades, and even worse, Mastermind and Sypher got marked with the Kanjis we saw on Marcus, and they began suffering unimaginable pain as their bodies convulsed in pain.

Ace Bunny: He gave into hatred and revenge, and he ran off. We hadn't seen him since then, and he didn't even say goodbye to his sister at her funeral, his desire for revenge blinded him, and now, he's back.

Then, we saw Adrian Acmetropolis appear, he matches Tech's photo, but we also saw that he has a curved broadsword in his right hand and a Sheffield bowie knife in his left hand with a black chain on the pommel and wrapped around his left arm inside the left long sleeve.

Lincoln: Adrian, take the curse off of Marcus. He may be a scumbag, but even he doesn't deserve to die.

Adrian Acmetropolis: Never! He needs to die, he needs to suffer in the same way I intend to make you suffer! You took my chance at killing Carly Kasady from me, Lincoln, and now, I will kill you!

Adrian Acmetropolis went at Lincoln, but Adrianne Acmetropolis blocked his curved broadsword with her massive greatsword. When Adrian saw her, he was shocked.

Adrian Acmetropolis: A-Adrianne? Is that...?!

Then, she punched him hard in the stomach and sent him flying into a tree, he got back up.

Adrianne Acmetropolis: Brother, that's enough. I know you've been badly hurt by what happened to me all those years ago. But, you have to stop, the hatred that blinded you is causing you to turn into a certain Evil Uchiha dickhead, and I don't want to have to...! Please just stop!

Adrian Acmetropolis: You're just expecting me to let this go?! After everything that insane bitch and spawn of Cletus Kasady did, have you forgotten that she murdered our parents in cold blood and she killed you to slake your thirst for blood years later!? How can you tell me to stop?!

Ace Bunny: You think you're the only one who was hurt, Adrian? We were hurt as well by Adrianne's death as well, and we also wanted to get payback on her too, but this wasn't what she wanted, we'd continued being the heroes we always were.

Lexi Bunny: But, you, you fell from your path and you went on a path of death, murder, and revenge on Carly Kasady, you'd killed and slaughtered tens of thousands of criminals, and because of it, you have oceans of blood on your hands.

Adrian Acmetropolis fell to his knees, and he started to cry.

Adrian Acmetropolis: (Voice Breaking) I didn't want this...! I didn't want that path...! Even as much as I fought to help take down Acmetropolis' most dangerous enemies..., I couldn't hide what I held in my heart, I hated Carly Kasady for what she did to our parents...and for everything that she is.

We heard everything in his voice: the anger, the devastation, the sorrow, and the despair. Then, the look on his face changed to that of an angry demon!

Adrian Acmetropolis: But, what that insane psycho did, she murdered you in cold blood, Adrianne, and she didn't even care! I was repulsed when she licked your blood off her knife and laughed like the fucked-up beyond all recognition psycho that she is! I wanted to kill her with my bare hands, I wanted to see her blood spilled out all over Acmetropolis' streets, I wanted to see her life run out along with all those in Cletus Kasady's bloodline! They had to go, they all deserve to die!

Finally, Adrian Acmetropolis cried his heart out as every single amount of anger, sorrow, despair, devastation, and hatred came out. Then, The Loonatics came up to him, but instead of telling him off even more, they comforted him as they hugged him. Then, the Kanjis put on Marcus faded away as Adrian's hatred was washed away.

Nico: Oh man...!

Me: He almost went down the path that Evil Sasuke went on, but unlike him, Adrian let out all of his anger, sorrow, despair, devastation, and hatred, and he didn't embrace it.

Adrian Acmetropolis: I swore I would never, but I almost did. Even though my heart and soul has been healed and the scars have faded away, but the oceans of blood on my hands will never be washed away, it'll remain with me forever: a reminder of the darkness I almost fell into.

Lincoln: If we face Evil Sasuke, we'll let you face him. But, be warned, he'll put up a fight and he'll fight dirty.

Adrian Acmetropolis: Let him try.

Then, Lincoln tied Marcus up and sent him to prison.

Lincoln: And that is that for Marcus.

Sheena: You haven't lost your touch, Ash

Serena: No he sure hasn't.

Me: He is one of the best there is.

Qin: Yeah!

Lola: That is for sure!

Nico: And J.D. your new power is amazing!

Me: I've only just gotten started with it. The next member of Team Buktu or the Crime Syndicate will be good practice.

Lola: Yeah!

Arceus: Indeed. And you have my condolences for what has been happening to you all these last few days.

Me: Thank you Arceus.

Nico: We got everything under control for this one though.

Me: It's part of our plan.

Qin: Yep.

Nico: Nice job Corsola.

Corsola: Thanks Nico. That was fun.

Takanuva: It sure was.

Poromon: Want some beer?

Corsola: Oh no thanks. I'm allergic to beer. It gives me nasty diarrhea.

Me: Oh man.

Nico: TMI!

WE LAUGHED!

Poromon: Okay then.

Poliwag: Pwetty pwease?

Nico: Poliwag that's enough.

Corsola: Nice try though pipsqueak.

Poliwag: HEY! We're the same size!

Poromon: Oh guys there's a new restaurant that opened up. We want to check it out.

Me; What's it called?

Poromon: Yug Rezarg's Spaghetti Slurpfest.

Me: Yug Rezarg's Spaghetti Slurpfest? (Suspicious) Hmm. Very suspicious.

Nico: It'll be time for Wendy, Varie, and Hunter's bonding time

Me: Yep.

Varie: Looking forward to it.

Qin: Yep.

Nico: Oh, Earthrock Trilobyte, what do you like to do in your free time?

Earthrock Trilobyte: I'm a Paleontologist robot. I help dig fossils out of the ground for the museums and scientists to study.

Me: That is awesome.

Nicole: Its been really helpful to uncover the secrets of prehistoric life.

Qin: Wow!

Nico: Yep. Good job to have.

Earthrock Trilobyte: It puts cheese on the table.

Nico: CHEESE!

Qin: You just had to get him going.

Nico: Now for the Anothers.

Lincoln: (Sensed The Anothers) Ah, and The Anothers are coming.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is The Avatar of The Song Card.

Nico: Musical.

LORI, LYNN, LOLA, LISA, AND LUAN SCREAMED IN HORROR!

Me: Oh boy...!

Lincoln: Next time, I'll put a soundproof bubble around their heads to block out their screams.

Me: So Earthrock Trilobite, Caylee Cambrian, Paleozoic Canadia, Paleozoic Opabinia, Paleozoic Pikaia and Camie Cambrian And we're facing Another Anomalocaris Dopant, Tri-Klops (X-Squad Universe), Chicken Ghost, Shutterthug, Fritz Hühnermörder And Eyesaur

Nico: Yep.

Qin: This will be good.

Me: There they are!

We saw Another Tri-Klops (X-Squad Universe), Chicken Ghost, Shutterthug, Fritz Hühnermörder And Eyesaur!

Me: WHOA! This will be awesome!

Another Tri-Klops (X-Squad): (In a girls voice) It sure will.

They reverted back and were the gene-slammers of Skull Kraken and Castle of Dark Illusions!

Nico: Nora Gothica and Kira Kraken!

Kira Kraken: Good to see you Nico.

Nora Gothica: Looking great.

Me: The gene-slammers of Skull Kraken and Castle of Dark

Illusions!

Kira Kraken: That's right.

Me: Awesome! By the way girls are the rest of the Anothers friendly or hostile?

Nora Gothica: One is friendly but the Another Tristan is not.

Me: Uh oh. That can't be good.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

They glowed and the anothers were separated.

Me: Action time!

Rolf: YOU HAVE BROKEN THE CELERY STALK ON THE SPINE ON THE SEA URCHIN!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Rolf: MAY THE FLEAS FROM YOUR COW INFLAME YOUR RHUBARB!

Qin: YEAH!

Maria: (TURNS DIAL) RHINO FURY 6!

She summoned Rhino Guard (Robin Hood), Rhinomon, Rhino (Spiderman the Animated Series), Animated Blackarachnia, Yuga (Legends of Zelda) and Kamdor and Miratrix.

Me: Now we wait.

Sheena: (to Poromon) I saw that you like beer very much

Poromon: You're right on that. But wait your powers don't work on Digimon.

Sheena: I know. But I do know all about that.

Gatomon: Can you tell what I'm thinking?

Sheena: You like fish a lot and want to eat Mevya.

Gatomon: That's right!

Mevya: HEY!

Gatomon: But I'm waiting for the right moment

Me: Gatomon you know that Mevya tastes terrible.

Kevin Levin: That's right.

Sheena: What kind of fish is Mevya?

Me: He's a Piscciss Helmetfish.

Shanan: That's right. Kevin and him met on Piscciss when Aggregor was running around.

Kevin Levin: Yep.

Gatomon: Excuse me for trying.

We laughed!

Qin: Yeah!

We then heard something.

Me: Wait listen.

We heard what sounded like the song of the Sirens that Adagio Dazzle, Aria Blaze and Sonata Dusk sing.

Adagio Dazzle: Is that our song?

Me: Sounds like it. But I'm not sensing any negative energy spikes.

Ymir: Why's that?

Me: Usually when Adagio and her sisters sing, a massive surge of negative energy explodes out which causes everyone to fight and we feel it and get stronger.

Nico: It has to be the next Avatar of the Clow Cards.

Me: Yeah. Wait look!

We saw Another Anomalocaris Dopant and Tristan!

She reverted back and was the Avatar of The Song Card!

She stopped singing and we cheered wildly.

Me: Nice one!

Lincoln: Sonya Song! I knew it!

Sonya Song: Good to see you Lincoln.

Lincoln: You too.

Nico: Care to introduce us?

Anna Anyanova: Sure. This is Sonya Song, Avatar of The Song Clow Card, she's Lincoln's Guardian Angel from Japan and she's a very powerful angel who was born with the powers of songs and music and she has a divine singing voice, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Song Clow Card, and the magic of Clow Reed. She's The Song Sleep Master of The Mystic Order of Clow Card Justice, a group of girls who were born with the powers of the stars, the elemental forces, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Clow Cards, and the magic of Clow Reed, and their goal is to not only defend Lincoln, but also defend the world from those who use the powers of dark magic to cause havoc. Sonya Song is a master of the powers of The Song Clow Card and she's a powerful master of song and magic, and she also defends Sakura from Tory who always he gives her a hard time, and she never messes around. Sonya Song came to Royal Woods where she met Lincoln, and she taught him how to master the powers of songs, music, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Song Card, and the magic of Clow Reed, and over time, Lincoln gained the powers of songs, music, all forms of magic, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Song Card, and the magic of Clow Reed, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge, and she knew of Lincoln's divine singing and that he has the voice of an angel. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's not only used her powers to keep Lincoln's enemies in line, but she also defended Lincoln from Lori, Lynn, Lola, Lisa, and Luan by using her divine singing voice to freeze Lori, Lynn, Lola, Lisa, and Luan in their tracks when she saw them trying to murder Lincoln again, and it sent them back to The Loud House, where the rest of the siblings waited, and once Lori, Lynn, Lola, Lisa, and Luan were back home! POW! Leni, Luna, Laney, Lucy, Lana, and Lily pummeled them in another sibling rumble and kicked them into the cages in the basement!

Me: WHOA!

Qin: Wow!

Nico: Brutal!

Me: But how do you know the song of the Dazzlings?

Sonya Song: Right here.

She pulled out their album and it was called Song of The Siren.

Sonya Song: Their music is really awesome.

Adagio Dazzle: We're glad you like our songs.

Sonya Song: They are awesome.

Nico: Who's your friend?

Another Tristan: Someone Mai knows!

Mai Valentine: (GASP) Oh god not him!

He reverted back and it was movie actor JEAN CLAUDE MAGNUM!

While Joey and Serenity were checking out a billboard of one of Magnum's ninja movie, Magnum suddenly breaks through the billboard in his car and appears before the gang. Ignoring Joey, he proposes to Mai just as he promised in the past. However, Mai doesn't accept, instead, Magnum challenges her to a duel where she would marry him should he win. Magnum then reveals that he has entered Battle City, has his own duel disk and has already won five Locator Cards. They duel and despite the advantages he had throughout, Magnum ultimately lost. After he lost, it is reveal that the Great Ninja Shogun hologram was a Hollywood stuntman and tried to kidnap Mai by force. Ultimate his plan was foiled when Mai broke free from the stuntman and Joey caught her falling down. Completely rejected, Magnum finally admitted his defeat.

WE GASPED!

Me: Wait a minute! I know you! You're famous movie actor Jean Claude Magnum!

Jean Claude Magnum: That's right and I wanted to propose to Mai and be her beloved.

Eli: I remember that! Been a long time Magnum. You're looking great after all this time.

Jean Claude Magmum: Little Eli!? Oh my gosh you've grown quite a bit.

Eli: I sure have and you know the Force is strong with me.

Nico: Mai I had no idea you had a history with him.

Mai Valentine: It's a nasty story.

Me: I can tell it must've been awful.

Jean Claude Magnum: Too bad you weren't a good actor J.D.

Me: I know. But you know how terrible I am at Acting. Movies and Acting just aren't my cup of tea. Also I'd rather stick to being a superhero.

Jean Claude Magnum: I know.

Kaito: (Gets out Dynaman Gear) Did Swartz promise you anything?

Zocks: (Gets out Bioman gear) Because we can grant it instead.

Sonya Song: Not for me but for Jean Claude here. I used my powers to put Swartz to sleep.

Me: What song did you use for that?

Sonya Song: Jigglypuff's song.

Me: WHOA!

Ash: I know how that feels.

Me: Jigglypuff then draws all over your face if you fall asleep.

Nico: Yeah.

Sakura Knudson: That didn't happen thank goodness.

Jean Claude Magnum: Nope. But I was promised to be with Mai.

Me: Well too bad for you unfortunately Mai already has someone.

Joey Wheeler: And you're looking at him right here!

Me: That's right!

Eli: More like neutral.

Mai Valentine: He was hostile to me.

Sougo (Gets out Dynaman Ridewatch): I honestly find nothing wrong with you

Geiz (Gets out Bioman Ridewatch): Hostile my ass

Sougo got DynaRedArmor while Geiz got RedOneArmor.

Me: Mai said he was hostile to her. Also Jean I don't know if you know about this but Mai went through a really nasty and terrible ordeal at the hands of Yami Marik. He nearly killed her! And also to add fuel to the fire after that Dartz brainwashed in a terrible plan to destroy the world!

Nico: It's all true.

Jean Claude Magnum: Oh man! That's rough! I will find Yami Marik and kill him!

Me: Hey get in line. We already want him dead.

Nico: Lets separate you first.

We did so.

Me: By the way Eli how do you know Jean Claude?

Eli: I dueled him and the Force told me that it would have been a VERY TOXIC relationship doomed from the start.

Me: Whoa! Way to step in like that bro. Also Jean you would be perfect for the M.O.E.

Lincoln: Yep

Me: Lets dance.

Nico: (Gets out Anomalocaris Dopant's ridewatch) 550 Million Years of power!

May: (Gets out Chicken Ghost ridewatch) (CLUCKS LIKE A CHICKEN)

Ed: May is a chicken!

Ed grabbed her and pet her.

Ed: HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN!

WE LAUGHED!

Eddy: (LAUGHS) GO LUMPY GO!

May: ED! Stop it!

Universe 666 May: (Gets out Shutterthug's ridewatch) Say Cheese!

Caylee Cambrian: (Gets out Tri-Klops (X-Squad) Ridewatch) EYE See you!

They used the powers of Anomalocaris Dopant, Tri-Klops (X-Squad

Universe), Chicken Ghost, Shutterthug, Fritz Hühnermörder And Eyesaur and blasted the Anothers down.

Poromon: Yeah!

Then Soap Sam, Lord of Atlantis, Universe 666 Morgana, Clam Head Candy Cad, Helen the Felon and Slobster came!

Me: WHOA!

Nico: Nice team Soap Sam. But wait there's only 5 members.

Soap Sam: Oh they will come. They should be here now.

FINGER SNAPPING WAS HEARD AND THEN OUT CAME THE BUBBLE POPPIN BOYS!

BPB Leader: Well what do we have here.

SpongeBob the Strong: So we meet again Bubble Poppin' Boys!

BPB Leader: This town is ours now Spongecake! So you better not blow bubbles here or we'll send ya to Davy Jones Locker!

SpongeBob the Strong: We'll see about that you Jellyfish Poopheads!

SpongeBob the Strong then cracked his knuckles

LOUD CRUNCH!

They winced and SpongeBob smashed their heads in!

Me: Nice one!

Nico: Nice team!

Soap sam: Thanks. Nice entrance too.

Poromon: It sure was.

Me: Wire Sponge and his team next.

Nico: Yep.

Wire Sponge: Awesome!

But then a wall bursted out of the ground and then...

LOUD HYSTERICAL CRYING AND BAWLING

Me: Whoa Wall of Tears.

Nico: Oh man!

Xenia: That is one REALLY SAD wall.

Wall of Tears: (In a girls voice) (Crying hysterically) I WANT MY MOM BACK!

Nico: (GASP) Oh no Sarah Reginald.

She reverted back.

Me: Oh no she looks really heartbroken.

Nico: Devastated is the better word. He mom was murdered by a deranged serial killer and that monster was her father!

We gasped!

Sarah Tinsley: Oh man!

Sarah Reginald: (CRYING HYSTERICALLY) I WANT MY MOM!

She fired waves of energy and blasted the Anothers and I caught the Ridewatches and purified them.

Me and Sarah Tinsley went over and comforted her.

Sarah Tinsley: Sarah it's okay. I completely understand what you're going through. My father was like that too. It was a long time ago.

Sarah Reginald: (CRYING HARD) I LOST EVERYTHING! HE RUINED MY LIFE!

Me: Oh there there.

Poliwag and the mascots comforted her too.

Eli: She is REALLY broken.

Nico: But you still did a good job.

Sarah Reginald: (CRYING HARD) I KNOW! I MISS MY MOM! (CRYING)

Poliwag: Oh there there.

SpongeBob: I've never seen her so broken up.

Sarah Reginald is literally in pieces, crying.

Me: Poor girl.

Xenia: She is a wreck.

[Sarah Reginald is crying while sucking her feet.]

GEEZ WHAT A BABY!

Nico: Sarah it'll be okay.

[Sarah continues weeping as she pours tears into her mouth.]

Camie: Oh man.

[Sarah eyes inflate then squirt out tears.]

ENOUGH WITH THE WATERWORKS ALREADY!

Eli: Aw Sarah it'll be okay.

[Sarah Reginald is wailing, and pouring her tears like a fountain.]

Ymir: Sarah calm down.

[Sarah is sobbing like a faucet]

Nico: Poor girl.

POOR GIRL!

Seeing her cry like this was making my heart ache.

Me: Does she have an good memories of you Nico?

Nico: Well before her mom died she and I loved playing in her family's pool. It was fun.

Qin: Yes it was.

Me: What in the world drove her father to be like that?

Nico: He was evil. News reports said that he was arrested and executed.

Me: Good fucking riddance.

Sarah Reginald: (CRYING HARD)

Me: Sarah come on don't be sad. Your mother would want you to be happy and continue on. I know you miss her but she will always be with you as long as you remember all the things she taught you. You will never be apart from her.

Nico hugged her.

Nico: There there. It's okay.

Sarah Reginald: (CRYING) I just miss her Nico.

Nico: I know. I know.

We went back home.

We got a move-on, and we spotted our target: the clones of Samiya Siren, Hauntsiren, and Malevosiren who has The Dark Song Card in hand. Lincoln fired an energy blast that hit them that forced The Dark Song Card to come out and took on its true form. Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of The Dark Song Card and he began sucking out all its song powers and magical powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and

999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels really good! RRGH!

Then, when Lincoln was done and the stingers changed back, The Dark Song Card was weakened to a severe degree.

Alexander Avalon: Alright, now's our chance! Serenity, Sakura, Sarah!

Alexander Avalon raised his staff, same with Serenity, Sakura, and Sarah, as the magic circle appeared beneath their feet.

Alexander Avalon, Serenity Avalon, Sarah Avalon, and Sakura Avalon: Powers of Light and Dark, hear our plight, descend upon this world and undo the dark magic of Salazar Slytherin!

They fired beams of light from their staffs that hit the weakened Dark Song Card, and the light destroyed it and the card was rendered blank and it went into The Dark Clow Book, and in the place of the Dark Song Card was a black onyx sphere with a green ominous light and a black and green aura surrounding it. But, then, the black and green aura released negative energy which we absorbed and it made us stronger.

Nico: Awesome! Now, for our final target: the clones of Samiya Siren, Hauntsiren, and Malevosiren.

The clones of Samiya Siren, Hauntsiren, and Malevosiren fired blasts of water and darkness, but Lincoln absorbed the blasts and it made him stronger.

Lincoln: Nice try. Alright, let's get them.

Robin Hood went after the clones of Samiya Siren, Hauntsiren, and Malevosiren, and he fired extremely powerful blasts of green, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, leaves, plants, nature, arrows, foxes, owls, phoenixes, and angels which exploded as they hit them, then he attacked him with the blades on his bow leaving scars on them, and he fired arrows at them that transformed into many arrows with leaves surrounding them and they got hit all over the place.

Then, when Lincoln was done, nothing was left of the clones and he also sucked out all the energy remaining in their souls and the clones faded away and he let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles as fire exploded out of his massive biceps and massive muscles!

We cheered as we holstered our weapons and powered down and we returned home to The World Tree Estate.

Nico: We did it, we took care of The Dark Song Card and Lincoln absorbed the clones of Samiya Siren, Hauntsiren, and Malevosiren.

Me: That was one intense battle we fought.

Lincoln: You said a mouthful. Either way, we took down another of Alecto's minions and took down yet another Dark Clow Card.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, long crimson red hair with yellow streaks with orange flower in her hair, crimson red eyes, massive fire colored angel wings, she has The Volcanic Laval Masters of Courage symbol on her right arm and the pendant on her necklace, The Laval Crest on her forehead, and Lavalval Chain on her crimson red skirt, crimson red short-sleeved blouse, orange sleeveless midriff top with Lavalval Chain on it, crimson red bridal gloves, orange stockings, crimson red knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, fire, flames, lava, phoenixes, and angels on the coattails, and on the back is Lavalval Chain, and she has a fire greatsword, and with her are the fourteen girls.

Lincoln: (GASPS) Adeen Vulcania, Avatar and Gene-Slammer of Lavalval Chain.

Adeen Vulcania: That's right, and I got them away from the clones of Samiya Siren, Hauntsiren, and Malevosiren and The Dark Song Card, and you guys did good taking them down.

Me: We sure did.

Lincoln: We took care of The Dark Song Card when I sucked out its powers and absorbed the clones of Samiya Siren, Hauntsiren, and Malevosiren. (To Adeen Vulcania) And it's so good to see you again, Adeen.

Hestia Vulcania: You too, Lincoln, it's been eight years since we last met, but wow, you've really grown that much.

Suddenly, Adeen Vulcania had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Adeen Vulcania was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Adeen Vulcania: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Adeen Vulcania's waist and hugged her, and Hestia Vulcania was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, thick brown goatee on his chin, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Adeen Vulcania: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 620'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Adeen Vulcania, Avatar and Gene-Slammer of Lavalval Chain, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lavalval Chain. She's The Volcanic Lava Serpent Master and member of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Adeen Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lavalval Chain, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lavalval Chain, and Lincoln was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Adeen Vulcania hates Sergio with a passion because that stupid bird dumped a massive bucket of garbage on her, and he, Sancho, and the Party Birds callously laughed at her with cruelty. Adeen got super enraged and angry, she fired a massive blast of fire at them, and the blast of fire burned their feathers and left them in the nude and when she exposed their nudity to the public, they were laughed at and had to fly to The Casagrandes' apartment and she had to take a hot bath to get the smell of the garbage off her.

Nico: Lincoln told us of what you did, Sergio went too far same with Sancho and The Party Birds.

Me: Well, you don't have to worry about Sergio, we sent him and Kurata to The Black Abyss forever.

Lincoln: Especially after I used The Sinning Tree on them that sucked the life out of them, and now that you're here, Adeen.

Lincoln with his massive muscular arms still wrapped around Adeen Vulcania's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Adeen Vulcania: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Adeen Vulcania with crimson red gems on the gold lightning bolts and crimson red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and a rainbow Thunderbird wedding ring on her left pinkie.

Adeen Vulcania: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Adeen Vulcania.

Adeen Vulcania had a smile on their faces and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Adeen Vulcania's waist, and he leaned down to her face and kissed her on the lips, and with Adeen Vulcania's hands still on his massive hairy pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Adeen Vulcania had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Adeen Vulcania: (In Heaven) My God. And Lincoln, tell the guys to run to their rooms, the fourteen girls I rescued are...!

Red Savarin and Travis Tackett: GUYS, YOU KNOW THE SIGNAL! MOVE!

Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln had undergone the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of souls of the male Almightairairas and all of the male inhabitants of the millions of ancient elemental planets into his body gaining their eons of combat experience, immortality, invincibility, regeneration, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of the elemental forces of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, and the immense powers of Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals, and incredible godly powers and immense virility and the rite of The Reincarnation of Amaterasu absorbing the male Firairans, Aeroairans, Hydroairans, Gaiairans, Luxiairans, and Shadowairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, regeneration, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of the elemental forces of Fire, Magma, Lava, Water, Wind, Earth, Nature, Crystals, Light, and Darkness, and incredible godly powers and immense virility, and finally, Lincoln absorbing Almightairaira and its core along with the millions of the ancient elemental planets and its cores along with absorbing the six ancient elemental planets, Firaira, The Ancient Planet of Fire, Aeroaira, The Ancient Planet of Wind, Hydroaira, The Ancient Planet of Water, Gaiaira, The Ancient Planet of Earth, Luxiaira, The Ancient Planet of Light, and Shadowaira, The Ancient Planet of Darkness into his body and Almightairaira's Sun into his body to preserve their legacy and obliterating all those who sought to unlock the secrets of Almightairaira and Firaira, The Ancient Planet of Fire, Aeroaira, The Ancient Planet of Wind, Hydroaira, The Ancient Planet of Water, Gaiaira, The Ancient Planet of Earth, Luxiaira, The Ancient Planet of Light, and Shadowaira, The Ancient Planet of Darkness and use them to cause destruction to all to preserve their legacy and she swore to thank him for what he did. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to have them obliterated to dust and banished forever to The Black Abyss with the power of Almightairaira!

Alana Almightairaira: I knew Lincoln underwent the rite of absorbing the septillions of trillions of souls of the male Almightairairas and all of the male inhabitants of the millions of ancient elemental planets into his body gaining their eons of combat experience, immortality, invincibility, regeneration, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of the elemental forces of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, and the immense powers of Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals, and incredible godly powers and immense virility and fertility and absorbing the male Firairans, Aeroairans, Hydroairans, Gaiairans, Luxiairans, and Shadowairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, regeneration, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of the elemental forces of Fire, Magma, Lava, Water, Wind, Earth, Nature, Crystals, Light, and Darkness, and incredible godly powers and immense virility and fertility, and finally, absorbing Almightairaira and its core along with the millions of the ancient elemental planets and its cores along with absorbing the six ancient elemental planets, Firaira, Aeroaira, Hydroaira, Gaiaira, Luxiaira, and Shadowaira into his body and Almightairaira's Sun into his body to preserve their legacy.

Arpina Infernaira: That's right.

Me: Wait, you also included immense virility and fertility as well? That means...!

Alana Almightairaira: We knew Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with Dr. Feinstein, he did show us all of what you just told us, Alana.

Nico: Wow...!

Alana Almightairaira: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown.

Suddenly, Lincoln pinned Alana Almightairaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Alana Almightairaira with rainbow gems on the gold lightning bolts and rainbow crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more like what happened yesterday.

Alana Almightairaira: That's my special gift to him: Almightairaira's Blessing of Almighty Justice, and each of the Forbidden Zone Planet Queens have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 620'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my former planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Alana Almightairaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Almightairairans both males and females were extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

After Lincoln drained The Dark Song Card of all its powers and absorbed the clones of Samiya Siren, Hauntsiren, and Malevosiren after we took them down, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well and we were really sweating up a storm, and when Adeen Vulcania saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Adeen Vulcania: My God, I was right that Lincoln's really grown into a 620'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Adeen, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Adeen Vulcania: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Hestia Vulcania: I knew it was only a matter of time before he told

everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get my 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large rainbow angel wings underneath my enormous rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

And when Super Brother's harem saw Super Brother doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

Suddenly, the alarm rang and when Lincoln checked the computer, he saw who it was that triggered it: it was Black Velvet, Mastermind, Sypher, and Massive.

Ace Bunny: Oh great, four of our most dangerous enemies are here.

Adrian Acmetropolis: Let me take care of them, I've been waiting for this very moment.

Adrian Acmetropolis flew out, and he descended to the ground in front of Black Velvet, Mastermind, Sypher, and Massive, who freaked out when they saw him.

Sypher: Oh, you got to be kidding me! Adrian Acmetropolis, The City's Reaper of Death!

Then, Adrianne Acmetropolis showed up.

Mastermind: Adrianne Acmetropolis? Y-you're back!

Adrianne Acmetropolis: Yes, I am back from the dead, Mallory.

Then, Sypher and Mastermind screamed in pain as the kanjis for Vengeance and Damnation had reappeared on their chests.

Adrian Acmetropolis: I guess my mark is still on you, I see. Well, that'll make things much more easier when I take you four down.

Massive: Hah! Bring it on, shrimp!

Suddenly, Adrian Acmetropolis' blue eyes turned neon midnight blue and he was surrounded by a black and midnight blue, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, black and midnight blue dark flames, darkness, dark magic, black magic, Satanic Magic, rabbits, coyotes, ducks, roadrunners, Tasmanian Devils, phoenixes, and angels, and as he approached Sypher, Mastermind, Black Velvet, and Massive, he left black and midnight blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, black and midnight blue dark flames, darkness, dark magic, black magic, Satanic Magic, rabbits, coyotes, ducks, roadrunners, Tasmanian Devils, phoenixes, and angels with every step.

Adrian Acmetropolis: You know, I missed ever single very moment of kicking your asses all over Acmetropolis, and it was because of Carly Kasady murdering Adrianne in cold blood. Lincoln had already taken care of that insane bloodthirsty bitch and Adrianne and The

Loonatics healed my damaged heart.

Sypher: Yeah, well, you should've died of that damaged heart after what you did to us!

SUDDENLY, ADRIAN ACMETROPOLIS STARTED GETTING SUPER PISSED OFF AS HIS ENERGY AURA FLARES UP EVEN MORE AND HIS MUSCLES STARTED TO BULGE AND GROW MUCH LARGER!

Adrian Acmetropolis: And that, right there, is the reason why you guys out of all of Acmetropolis' criminals piss me off to no freaking end, you have no damn remorse for everything that you have done in the past nor any sort of remorse for your sins..., AND FOR THAT, I'M GONNA TEAR YOU FOUR INTO A MILLION PIECES FOR ALL OF YOUR CRIMES! AND THE SAME THING GOES FOR ZADAVIA'S BROTHER WHEN WE FACE HIM AND DEUCE IN THE FUTURE!

WE GASPED IN HORROR: ADRIAN ACMETROPOLIS' RAGE HAS BEEN LET LOOSE!

Ace Bunny: Uh oh, now Adrian's really lost it.

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF ADRIAN ACMETROPOLIS WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSIONS WERE SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000,000 UNIVERSES FELT IT AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL RAINBOW FIRE PHOENIX, RAINBOW FIRE ANGEL, RAINBOW FIRE RABBIT, RAINBOW FIRE DUCK, RAINBOW FIRE COYOTE, RAINBOW FIRE TASMANIAN DEVIL, RAINBOW FIRE ROADRUNNER, AND THEY CRIED INTENSELY WITH AMAZING POWER, AND THEN, THE RAINBOW FIRE PHOENIX, RAINBOW FIRE ANGEL, RAINBOW FIRE RABBIT, RAINBOW FIRE DUCK, RAINBOW FIRE COYOTE, RAINBOW FIRE TASMANIAN DEVIL, AND RAINBOW FIRE ROADRUNNER WENT BACK TO EARTH OMEGA AND ADRIAN

ACMETROPOLIS GAINED AN INTENSELY POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST!

Suddenly, Adrian Acmetropolis let out a growl as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and light brown fur grew on his upper and lower body muscles, tan fur grew on his pecs and twelve-pack abs, he grew a tan fur covered wolf muzzle with thick brown goatee and large brown wolf ears grew on top of his head, his midnight blue eyes remained the same, but they now had a golden yellow circle around them, his fangs then grew longer and his rows of straight teeth remained the same, his massive black angel wings remained the same, his long brown hair going down to his upper back became wilder, and he let out a loud howl!

Finally, Adrian Acmetropolis screamed like an infinite-times fucked-up madman and let out a loud howl as his energy exploded and he was surrounded by a massive vortex of black and midnight blue, white, golden yellow, and blue energy with stars, aura energy, white, golden yellow, and blue heavenly flames, black and midnight blue dark flames, darkness, dark magic, black magic, and Satanic Magic surrounding the vortex, there are rabbits, coyotes, ducks, roadrunners, Tasmanian Devils, phoenixes, and angels flying around the vortex, and in the vortex is a dark blue phoenix with red eyes glaring at Sypher, Mastermind, Massive, and Black Velvet: the blood red eyes of eternal death, eternal damnation, and eternal judgement as we saw heavenly lights shining down on the vortex.

Suddenly, The Unity Crystals on my J.D. Lincoln: Nope, it turns out he got bit by a rogue Alpha Werewolfairan came to Acmetropolis and bit him and it turned him into one before he killed it.

Now, you're really in for it!

Adrian Acmetropolis went after Sypher, Mastermind, Massive, and Black Velvet, and he fired extremely powerful blasts of black and midnight blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, black and midnight blue dark flames, darkness, dark magic, black magic, Satanic Magic, werewolves, rabbits, coyotes, ducks, roadrunners, Tasmanian Devils, phoenixes, and angels and they exploded with incredible power as they hit them, and he attacked them with massive swings of his greatsword and they got slashed at like crazy with nasty scars, and he also used his gold-armored dragon claws and natural Werewolfairan claws as well, and he even unholstered his Sheffield Bowie knife which turned black and he also slashed at them.

Adrianne Acmetropolis: Incredible.

Then, Lincoln appeared and he sank his fangs into Sypher, Mastermind, Black Velvet, and Massive and he sucked out their powers and made them his own, and as soon as Lincoln was done feeding on them and he and Adrianne Acmetropolis went inside, Adrian Acmetropolis fired four energy blasts with the Kanji for Eternal Servitude 永遠の奴隷 on their foreheads with a swing of his massive demon fang greatsword and sent them to Vypra and The M.O.E.

Then, Adrian Acmetropolis came inside.

Lincoln: Ah, and that was really good of you keeping them distracted, I sucked out their powers when I bit them. Blech! And their blood tastes like rotten sushi!

Nico: Gross...!

Adrian Acmetropolis: I know that feeling, many of the criminals I killed when I got turned, their blood tasted like rotten garbage and their flesh, blech!

I tossed Adrian a fresh bag of blood, and he drank it and I gave him a freshly cooked steak which he ate.

Adrian Acmetropolis: Okay, now that was really refreshing.

Me: I always come prepared.

Adrian Acmetropolis: Oh, by the way, you guys might want to keep an eye out, I also ran into Aizen's men before coming to Michina Town.

Rukia, Rangiku, and the rest of The Soul Society gasped.

Ichigo: You ran into them? I hope you didn't...!

Adrian Acmetropolis: Relax, Ichigo, I didn't kill them, I stayed away.

Rukia: Well, now we know they're back, and I hope they aren't gonna try anything.

Lincoln: The second they do, Rukia, we're gonna make them pay.

They came back home.

Me: So, that was the second part down.

Lincoln: And ten more to go. But, so far so good, and it's just like our adventures in The Skylands.

Nico: You said it.

Braeden Carnes: That's right. Soon, we'll be reunited once more, and the person responsible for this will pay.

We got a shower, and then, Lincoln and Cynical/Swap Cyn are heading to Lake Hylia, and joining them are the rest of Lincoln's harem.

Lincoln snapped his fingers, and the 620'11", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Cynical/Swap Cyn and the rest of Lincoln's harem were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Cynical/Swap Cyn had feelings for Lincoln, and he also had feelings for her and he also saved her from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Cynical/Swap Cyn: Wow, we're here in Lake Hylia, it's so beautiful.

Lincoln: You said it, Swap Cyn, and it's perfect for our first date, but Alecto's going to try to ruin our date and kill us.

Lincoln, Cynical/Swap Cyn and the rest of Lincoln's harem dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Cynical/Swap Cyn and the rest of Lincoln's harem also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he did the same thing giving Cynical/Swap Cyn and the rest of his harem a deep tissue massage, and when he was done with that, they were relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Cynical/Swap Cyn and the rest of Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Lily the Mermaid: (Swooning) He's still such a handsome and manly wolf hunk.

Suddenly, they saw the clone of Starglork.

Anna Anyanova: Uh oh, is that...?!

Lincoln: The clone of Starglork.

Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the clone of Queen Starglork, and he began absorbing her and he assimilated Starglork's intense lightning and over 500,000,000,000,000,000,000,000,000,000,000,000,000,000 volts of intense lightning and electricity, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, Lincoln sucked out every last bit of energy from the clone's soul and the clone faded and Lincoln let out a loud and massive roar of dominance and power as he pounded his strong chest like an Alpha Male gorilla and lightning exploded out of his massive biceps and muscles.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Cynical/Swap Cyn and the rest of his harem and he hugged them in his abnormally massive and powerful muscular arms, and Cynical/Swap Cyn and the rest of Lincoln's harem placed their hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had them lying down on a beach towel with him on top of them.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into their right trapezius and he began feeding on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from their right trapezius as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Lake Hylia, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Cynical/Swap Cyn with colored gems on the gold lightning bolt links and colored crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with awhite and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Lily the Mermaid: And now, Cynical/Swap Cyn is in your harem, Linky.

Cynical/Swap Cyn showed the marks Lincoln made on the right side of her trapezius.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. The clone of Starglork came after us.

WE GASPED!

Nico: The hypothetical Akuma of Starfire?! That little...!

Lincoln: Don't worry, I used my Cell stingers and absorbed her and assimilated all her powers of intense lightning and over

500,000,000,000,000,000,000,000,000,000,000,000,000,000 volts of intense lightning and electricity. Then, I sucked out every bit of energy from her soul and the clone faded.

Me: Thank goodness.

Selene Arcangela: Alecto's gonna regret this.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous angel wings had spread out and they generated a cool breeze cooling us down.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when

you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for another awesome Skylanders Adventure.

Me: This will be great!

Nico: Who's next?

Me: Lily Loud, Leon Loud, Minuette, Twinkleshine, Spyro, Deja Vu, Ninjini, Hoot Loop, Magic Man and Galaxy Man and we're going after Bomb Shell next.

Twilight Sparkle: Awesome! I get my shot at trapping someone next.

Me: Yep!

We went into the Simulator and it activated and we were at Zephyr Heights.

Me: In Zephyr Heights next!

Zipp Storm: Good to be home again.

Nico: It sure is.

Me: Wow!

Qin: It sure is pretty.

Laney: I agree.

We walked around.

Nico: Lets see.

Then we saw Kate Lloyd there too?

Me: Wait Kate? What are you doing here?

She turned and faced us.

Me: Kate? Are you okay?

Then she started trembling.

Me: Oh you have got to be fucking kidding!

She then grew 2 extra arms and her shirt and top ripped off and she bent back and a huge mouth split open in her chest and it was lined with sharp teeth and tentacles! SHE WAS A JULIETTE-THING MONSTER!

Me: WHAT THE FUCKING HELL!?

Camie and Ymir Screamed in fright!

Lincoln: Oh FUCK ME SIDEWAYS! That's Kate's 2nd Akuma, Kate-Liette! The 2nd Hypothetical Akuma of Kate Lloyd and she is a Thing Monster! She has all the shapeshifting powers of the Thing but is not as feral as her first Akuma. She was made because of The Thing killing everyone she knows in Antarctica and vowed to kill the Thing no matter what!

WE GASPED!

Nico: Can she still hear us?

Kate-Liette: (Demonic Alien Voice) I still hear you.

Me: You were turned into a fucking horrifying monstrosity Kate! This is the very monster that scared the living shit out of you and scarred you for life!

Qin: YEAH!

Xenia: And it killed all your friends!

Kate-Liette: I know. It was awful.

Me: But I would call this a nasty case of Cruel Irony.

Kate-Liette: How so?

Me: Think about it. The very monster that killed everyone you knew and scarred you for life and gave you terrible nightmares and still haunts you? And you became this?

Nico: Exactly!

Kate-Liette: You're right on that. But I won't stop till The Thing is dead.

Me: Well then.. BURN HER!

We fired waves of fire and blasted her all over!

She was engulfed in flames and I fired waves of intense fire and blasted her all over.

We blasted her and sealed her into the Book of Vile Darkness.

Me: That was HORRIFYING!

Qin: No kidding!

Nico: Yeah! One down.

Lola: Yep.

Me: Now to find Bomb Shell.

Laney: I think he found us!

We saw him appear and it was Bomb Shell!

Bomb Shell: (British Accent) I say what was that?

Me: You do not want to know.

Nico: It was a scary akuma we took down.

Me: Yeah.

Nico: The less you know, the better.

Bomb Shell: Well it's jolly good you destroyed it.

Qin: That is for sure.

Me: Shall we make this fun?

Spyro: ALL FIRED UP!

Deja Vu: DID THAT JUST HAPPEN?

Ninjini: ANY LAST WISHES?

Hoot Loop: LETS RUFFLE SOME FEATHERS!

Lola: Lets dance and blow up!

We fired magic blasts and blasted him.

I used Starbending moves and fired stars and blasted him.

Bomb Shell: I won't go down that easily.

Me: We won't either.

Minuette: I am the Guardian of Charity and my giving comes from my love, My cutie mark comes to life, My Charity gives and flies like a dove!

Clocks swirled around her.

Twinkleshine: I am the Guardian of Compassion and my heart is one to compare, my Cutie Mark comes to life, My Compassion makes me care!

She had stars swirl around her.

They fired waves of energy and blasted him all over.

Me: I got something fun in store for this one.

Lily: First our combo.

Lily Loud, Leon Loud, Minuette, Twinkleshine, Spyro, Deja Vu, Ninjini, Hoot Loop, Magic Man and Galaxy Man: MAGICAL FURY BLAST!

They fired waves of magic and energy and blasted him all over.

Me: YEAH! Now watch this.

I pulled out a Mississippi Queen.

Nico: Uh oh.

I gulped it all down.

Me: (GULPING)

Bomb Shell: That won't help you!

Nico: Oh don't judge a book by its cover!

I gulped it down.

Me: (GULP) Ahh. Brace yourself!

I pointed my butt at him!

Me: FIRE IN THE HOLE!

THEN...

LOUD NASTY POWERFUL FIERY FART OF INTENSE POWER!

I blasted him down with it!

BOMB SHELL DEFEATED!

Nico: You were saying?

Me: Never underestimate the potency of the most powerful Bloody Mary ever.

Twilight Sparkle: And now there's this.

She pulled out a purple magic trap and a Purple Vortex appeared!

Bomb Shell: Bombs, and bomber... AWAAAAAAAAY!"

He got sucked into it and into the trap!

Bomb Shell: "I'd say it's a bit like being in my turtle shell here. Not so bad really."

BOMB SHELL TRAPPED!

Twilight Sparkle: And as Princess of Friendship and Magic you have to be part of the good guys.

Bomb Shell: "Come again? I'm a good guy now? All's fair in love and war, I suppose."

Me: That is true.

We left the simulator.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000, reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000, reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999

large white angel wings underneath his enormous white angel wings.

Same with Super Brother doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0
reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift an extremely mountain-sized massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky

muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Me: Yep. Well lets go check out this restaurant. If my hunch is correct, which I hope it isn't, we got a nasty restaurant running illegally.

Nico: Yep.

We went to check it out.

We were walking to the restaurant and it was in Restaurant Street in the city.

Varie: Hibino, remember when we met you?

Hibino: I sure do and that was so awesome.

Me: It sure was.

Qin: Yeah!

We arrived at the restaurant and too our shock we saw LOTS OF PEOPLE HURLING THEIR GUTS OUT!

LOUD VOMIT ATTACKS!

Me: Geez!

We went over.

Me: Sir what happened?

Man: NASTY STOMACH FLU! (VOMITS) We ate something in the restaurant and got sick bad!

Me: Hmm.

I looked at some food on a table and looked sniffed it.

Me: (Sniffs) Ew! This smells like it has chum in it! Wait chum? Oh shit!

We went in and saw that EVERYONE IN THE RESTAURANT WAS HURLING THEIR GUTS OUT!

Luna: PUKE STORM! (FAINTS)

FWOMP!

Tristan: If we did something bad to this place, would it be a crime?

Me: This is not our doing Tristan.

Eli: He's right.

Me: Wait a second.

I looked at the photo of the manager. He looked like Guy Grazer but with a mustache.

Me: Lets see. Yug Rezarg.

I put the pieces of the puzzle together and unscrambled the name and it was GUY GRAZER! And I removed the mustache and it was GUY!

Me: It's Guy Grazer!

Nico: WHAT!? He doesn't know when to quit!

We went to the kitchen and saw him about to put chum into lasagna and laughing malevolently!

I grabbed his arm!

Me: Caught you red handed Yug Rezarg or should we say (RIPS OFF FAKE MUSTACHE) Guy Grazer!

BUSTED!

Me: Guy Grazer you're under arrest!

Guy Grazer: How did you know it was me!?

Me: Your name spelled backwards and you don't wear a mustache from the fake mustache emporium.

Wendy: We helped you with a lot of your enemies

Hibino: Yeah we sure did! That was awesome!

Varie: I'll say!

I took guy out to the dining hall.

Me: HERE'S YOUR CULPRIT FOLKS! GUY GRAZER! HE POISONED YOU ALL WITH CHUM FOOD!

THEY GASPED AND EXPLODED INTO RAGE!

They were outraged and jumped him in a brutal fight cloud!

The Loud's joined in and mercilessly thrashed him too!

BAP POW WHOMP BIFF SMASH WHAM CRASH ZONK BASH KATOW THWACK ZOWIE ZING CRACK KRACKOW! WRESTLING BELL DING! CAR HORN! LION ROAR! PIG SQUEAL! ELEPHANT TRUMPET! SEAL BARK! CAT YOWL! HORSE WINNIE! COW MOO! DOG BARKS! WOLF BARK! BEAR ROAR! SHEEP BLEET! GOAT BLEET!

Me: YOU LIKE THAT!?

Nico: There were no robberies in progress for your information!

EVERYONE WINCED AT THE FIGHT!

FEROCIOUS SOUNDS OF FIGHTING AND BONES CRUNCHING AND SCREAMS OF AGONY!

Nico: OH THE INHUMANITY!

Xenia: YIKES!

WE WERE REALLY THRASHING HIM!

Ben: I think Rath would like a word with you!

Ben turned into Rath!

Rath: RATH!

Nico: Now he's in for it!

Rath: LEMME TELL YA SOMETHIN GUY GRACIE GRAZER! NO ONE SELLS FOOD LACED WITH CHUM AND POISONS PEOPLE AND GETS AWAY WITH IT! AND WHEN YOU DO THAT YOU MESS WITH RATH!

HE JUMPED IN AND BRUTALLY MANGLED HIM UP BAD!

Nico: YOU TELL HIM RATH!

Sandbar: We even helped Hunter destroy Sindri Myr.

Hunter: (German Accent) Ja und that was so much fun and cool!

Hibino: It sure was!

Full Tilt: That's your middle name?!

Nico: That is silly!

Guy Grazer: SHUT UP!

Nico: Make me fatass!

POW!

I punched him and sent him crashing into a table!

Me: Nice one!

I high five Nico!

Gay Grazer was REALLY PISSED NOW!

Me: Had enough?

Lincoln sprayed graffiti on the wall

Brawn: Are you serious, Lincoln?

Lincoln: (defensively) Hey, it's not a good building. This is justified!

Me: Well you're right on that.

Health Inspector: This place is closed down anyway so he can do that.

Varie: I called the health inspector while you guys were fighting.

Me: Oh okay.

Lincoln wrote a thunderbird symbol with an L in it.

Me: That's nice. Those Paleo Graffiti lessons worked.

Guy Grazer: HEY! THAT WALL IS MINE!

Me: Not anymore!

Lincoln: To let you know that I was here!

Me: YEAH!

But then the doors opened!

Me: What the?

Then a moon flew in and it formed into a girl with black hair and purple eyes and purple clothes and had pegan symbols on her. It was Willow Walpurgisnachtairaira!

Lincoln: (GASP) Willow Walpurgisnachtairaira!

Willow Walpurgisnachtairaira: That's right Queen of the Walpurgisnachtairairans!

Nico: Care to introduce us?

Anna Anyanova: Sure. This is Willow Walpurgisnachtairaira, Queen of The Walpurgisnachtairairans of Walpurgisnachtairaira and Pagan High Priestess, she's Lincoln's Guardian Angel from the planet of Walpurgisnachtairaira, a Gothic Walpurgisnacht planet of eternal darkness and scary Halloween-themed horror in The Forbidden Zone, she's The Queen of The Walpurgisnachtairairans and Pagan High Priestess, and she's also far more powerful than her own people: in addition to being a natural born fighter and having immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, fire, flames, Dark Magic, Black Magic, Satanic Magic, and all the powers of all the demons, monsters, and creatures of the night, and all the powers of Walpurgisnacht itself times infinity, and the ability to grow even stronger, but she was also born with angel wings, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, fire, flames, Dark Magic, Black Magic, Satanic Magic, and all the powers of all the demons, monsters, and creatures of the night, and all the powers of Walpurgisnacht itself times infinity, and her people times infinity, and the ability to grow even stronger, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to Heavenairaira where he would meet The Walpurgisnachtairans and when he'd arrived, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the male Walpurgisnachtairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, fire, flames, Dark Magic, Black Magic, Satanic Magic, and all the powers of all the demons, monsters, and creatures of the night, and all the powers of Walpurgisnacht itself times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Walpurgisnachtairaira and its core into his body and Walpurgisnachtairaira's Sun into his body to preserve their legacy. Willow Walpurgisnachtairaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers of immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, fire, flames, Dark Magic, Black Magic, Satanic Magic, and all the powers of all the demons, monsters, and creatures of the night, and all the powers of Walpurgisnacht itself times infinity, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, and immense superhuman endurance, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense omnipotent powers of darkness, fire, flames, Dark Magic, Black Magic, Satanic Magic, and all the powers of all the demons, monsters, and creatures of the night, and all the powers of Walpurgisnacht itself times infinity, and the ability to grow even stronger, and all the powers of The Walpurgisnachtairairans times infinity, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility and male fertility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln had undergone the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of souls of the male Walpurgisnachtairairans gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, fire, flames, Dark Magic, Black Magic, Satanic Magic, and all the powers of all the demons, monsters, and creatures of the night, and all the powers of Walpurgisnacht itself times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, Lincoln absorbing Walpurgisnachtairaira and its core and Walpurgisnachtairaira's Sun into his body to preserve their legacy. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to have them attacked by the creatures of darkness and the monsters of Walpurgisnacht and Halloween and have their souls banished to The Black Abyss forever and their bodies enslaved to do her bidding as her zombie slaves.

Me: WHOA! Pleasure to meet you.

Willow Walpurgisnachtairaira: Same here.

Nico: (sees the graffiti) Yeah, best to do this in criminal places. This isn't enough to get you arrested.

Willow Walpurgisnactairaira: I got to admit. That is beautiful.

Lana: It sure is.

Willow Walpurgisnactairaira: Let me work my magic.

She chanted an incantation and glowed with the powers of the moon and fire.

WALPURGISNACHT BY FAUN PLAYS!

She danced and was singing divinely.

Willow Walpurgisnactairaira: (SINGING DIVINELY IN GERMAN AS STARS, FIRE AND MOONS SWIRLED AROUND HER)

In den Abendhimmel steigen

Heute Nacht die Zauberweisen

Wildes Volk und Liliths Art

Lauernd Winde heimlich fahrt

Lasst uns zu den Feuern streifen

Raunend nach den Sternen greifen

Gutes und auch böses Wort

Tragen wir heut' fort und fort

In den Weiden werden unsere Träume klingen

Und die Winde werden unsre Lieder singen

Lasst uns mit den Funken übers Feuer springen
In der Walpurgisnacht!
Hört die Geigen, hört die Geigen
(Hey yo)
Die Feuer sind entfacht!
(Hey yo)
Folgt dem Reigen, folgt dem Reigen
In der Walpurgisnacht
Ungestüm im Spiel der Geigen
Dreht sich unser nächtlich' Reigen
Und wir treten wild und frei
Diesem alten Zauber bei
Einmal nur im großen Kreise
Tanzen wir auf jene Weise
Bis das erste Morgenlicht
Unser Traumgewebe bricht
In den Weiden werden unsere Träume klingen
Und die Winde werden unsre Lieder singen
Lasst uns mit den Funken übers Feuer springen
In der Walpurgisnacht!
Hört die Geigen, hört die Geigen
(Hey yo)

Die Feuer sind entfacht!

(Hey yo)

Folgt dem Reigen, folgt dem Reigen

In der Walpurgisnacht

Hört die Geigen, hört die Geigen

(Hey yo)

Die Feuer sind entfacht!

(Hey yo)

Folgt dem Reigen, folgt dem Reigen

In der Walpurgisnacht

She danced and punched and kicked Guy and smashed his face in all over with incredible speed and strength and it was intense!

Qin: WHOA! She is fast and an amazing dancer!

Lincoln: She sure is!

Sheena: (to Poliwag) I have to say. You and your fellow mascots are probably the most unique Pokemon I've ever met.

Poliwag: We get that all the time and it's awesome.

Manaphy: It sure is.

Horsea: Yeah.

Then Celtic Symbols came in and in came a girl with green hair and eyes and clothes and had Celtic symbols on her clothes and had a celtic keyblade.

Lincoln: (GASP) Serafina Tir na nÓg!

Serafina Tir na nÓg: (Celtic Accent) Top of the morning to ya Lincoln lad.

Lincoln: You too lass.

Me: Wait Tir na nÓg, the Land of Eternal Youth in Irish and Celtic Folklore?

Anna Anyanova: That's right but this is Serafina Tir na nÓg, Keyblade Knight of Tir na nÓg, she's Lincoln's Guardian Angel from the legendary world of Tir na nÓg and an epic and powerful force of good and Celtic Nature, she's The Keyblade Knight of Tir na nÓg and a very powerful master of all things Celtic and she was born with green angel wings, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of nature, all the powers of Tir na nÓg, and all the powers of everything Celtic. She came to Royal Woods and she also really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, she taught Lincoln everything she knows and and she also trained him in mastering the immense powers of immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of nature, all the powers of Tir na nÓg, and all the powers of everything Celtic, and over time, Lincoln gained even more immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, and immense superhuman endurance, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense omnipotent powers of nature, all the powers of Tir na nÓg, and all the powers of everything Celtic times infinity, and the ability to grow even stronger, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also knew of his Scottish ancestry, and only she knew of this: but five years ago, she took Lincoln to Tir na nÓg to train him, and it was there not only did her immense training help to produce immense results in Lincoln, but it also infinitely increased his natural born immense Scottish superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, and immense superhuman endurance to infinite levels, and his Atavism of The Celtic Angel also evolved even more causing him to acquire more powers over nature and all things Celtic, and he was also taken to a chamber where the Gods and Goddesses of Tir na nÓg gave him their powerful blessing as it states in a powerful prophecy that was foretold countless eons ago: The Reincarnation of Amaterasu and The Blood Descendant of Lachlan McLoud and Leathan McLoud of Loch Loud in Scotland would come to Tir na nÓg and the Gods and Goddesses of this legendary world would bestow their power on him giving him not only their powers, but also, giving him the powers of all the Celtic Gods and Goddesses making him their champion. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she vowed to come with an army of Tir na nÓg's bravest warriors and destroy all of Lincoln's enemies and have their souls imprisoned in trees for all eternity and cursed to relive their crimes and their twisted actions.

Me: Pleasure to meet you!

Serafina Tir na nÓg: Same here lads.

Nico: There's more?

Serafina Tir na nÓg: There's one more coming lad. You'll see shortly.

Nico: Okay.

Serafina Tir na nÓg: Watch this laddies.

She flared up a green aura.

She danced in Irish style and slashed and blasted Guy all over the place!

Nico: YEAH!

Qin: Awesome!

Me: WOW! That was amazing!

Lola: Yeah!

Merida: (Scottish Accent) And Guy you are the worst cook ever now! I've eaten haggis that was much better than your cooking!

Scotsman: (Scottish Accent) (LAUGHS) You tell him lass!

Nico: Any more?

But then...

MASSIVE THUNDERSTRIKE!

LIGHTNING HIT GUY AND ELECTROCUTED HIM WITH INTENSE FORCE!

HE SCREAMED IN PAIN AS HE WAS REALLY HORRIBLY ELECTROCUTED WITH INTENSE VOLTAGE!

Me: WHOA!

HE WAS BURNED TO A CRISP AND TWITCHING WITH LIGHTNING ARCING ALL OVER HIM!

Me: WOW! Nice shot Lincoln!

Lincoln: That wasn't me.

Lola: It was from that!

We saw a Mega Raikou!

Me: WHOA! A Mega Raikou!

Horsea: Whoa!

Me: Must be one of Dark Gale's work.

Sheena: (GASP) I saw that this one is Kari Fukamiya.

Stacy Storious: One of my teammates!

Me: We almost have them all covered. Lets go!

We went to help her.

Stacy Storious: Kari calm down. It's me Stacy!

She used Thunder and I used Lightningbending and fired a powerful blast of lightning and the blasts collided and exploded with intense power!

EXTREMELY MASSIVE AND POWERFUL EXPLOSION!

Me: WHOA!

Qin: INTENSE!

Nico: Lightningbending too!? WHOA!

Me: I now have all our bending too.

Aang: WOW! Those fruits we had really were something!

Camie: I'll say!

Me: Yeah!

I fired waves of energy and blasted her all over.

Then I snapped my fingers and she reverted back and was a girl with yellow hair and yellow eyes and yellow wings and had the Espada symbol with a lightning bolt on her forehead and arm.

We wrapped her in a blanket.

Me: There.

Ling Chang put on her jumpsuit and it was orange.

Ling Chang: I don't want to forget.

Me: Good idea.

She woke up.

Kari Fukamiya: (Groans) What hit me? I feel like I was hit by a bunch of Megid.

Stacy Storious: Are you all right Kari?

Kari Fukamiya: Stacy? Wow!

She hugged her.

Kari Fukamiya: What happened?

Me: You were turned into a Mega Raikou by Dark Gale.

Kari Fukamiya: Oh man. I was battling Isaac when it happened. He wasn't a Kamen Rider but he was deadly.

Me: Oh man.

Kari Fukamiya: Yeah. Whoa man what happened here? Looks like an angry mob destroyed this place.

Nico: Long story.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new yellow clothes and a lightning sword.

Kari Fukamiya: I look awesome!

Me: You sure do.

We grabbed Guy.

Me: Now you are heading to the slammer.

Guy Grazer: I didn't do anything!

Me: Yeah yeah that's what they all say! Tell it to the judge!

Nico: I know saying that line is used a lot but it works.

We sent him back to prison and went back home.

We were watching TV. We saw on the news a MASSIVE AND HUGE RAID going on.

Me: WHOA! Looks like a massive raid is underway. Those Druggies that we learned about are in a lot of trouble.

We saw them come out with over 7,211 men and women and old men!

Me: HOLY SHIT! That is a lot of men! That has to be the largest ever drug bust of them all.

Nico: No kidding.

Poliwag: That is for sure!

Sheena: No kidding!

Rarity came down and was all rested up.

Rarity: Hello darlings.

Me: Feel better Rarity?

Rarity: Much rested up after a good sleep.

Me: Awesome!

Lego Luthor contacted us.

Lego Luthor: Hey, everyone. Just wanted to see if you guys are okay after yesterday.

Needle Man: We're just fine.

Lego Luthor: Good. WOW! J.D. you look incredible! What happened to you?

Me: I had a purification and it was intense and amazing.

Nico: Yep.

Lego Luthor: Wow! You look amazing! We felt your energy from here. I can understand that what Scott did was messed up. I assume me and Joker's prime counterparts are like that as well?

Nico: More or less.

Me: Your prime universe counterpart doesn't stoop that low. And the Joker just kills people all for his own enjoyment for a laugh. Either way they both will get what's coming to them.

Lego Luthor: Big difference. I know you're all still recovering. But what Scott did and the assault on the Hall of Doom is why we need to attack the Crime Syndicate now. We located them at LexCorp.

Me: At your office headquarters! We got them right where we want them.

Nico: Good. I got a plan to expose Team Buktu first. I'll need you and Joker's help. I'll explain when we get there.

He clicked off.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Lego Grid, and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: Oh boy, now we got trouble.

Eli: Another Crime Syndicate member is causing havoc.

Lincoln: Yep.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Lego Grid and he's causing havoc.

EVERYONE GASPED!

Tristan: So, we got the Lego version of Grid to deal with. Please, tell me you got a plan for this guy.

Lincoln: I do, Tristan, but I'll tell you about it when we go after him.

Nico: This I got to see. Alright, then, let's get going.

Lincoln: We hadn't faced the Prime Universe version of Grid before, but this'll be a warm-up for when we do face him.

The previous group came.

Cavalier: We're here guys. WOW! J.D. you look amazing!

Me: Thanks.

Anti-Wanda: How is your friend Nico?

Nico: Sarah Reginald? She is really really broken. She hasn't stopped crying at all since we got back.

Me: Sarah Tinsley is comforting her as best as she can.

Stinky Butt: Poor girl.

Anti Wanda: Can me, Stinky Butt, Cavalier, Eris, Mammoth, Raven Branwen, Condiment King, 2016 Morbucks, Professor XXXL and Artie Ziff go with you guys?

Nico: Yes you all can come with us.

Qin: Awesome!

Eris: Indeed.

Heckyl: Nico, which Gene Slammer do you think you'll meet next?

Qin: Hopefully it won't be one that's as sad as Sarah.

Nico: No it won't be. I'm hoping to meet one for Deep Sea Siren Diva next.

Me: Ooh Mermaid power next.

Qin: Nice!

Lola: Cool!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Eman Reynolds' psychotically jealous brother, Adam, he injected that same formula that the septillions of bodybuilders used and turned into a 720'11" tall hulking muscular behemoth and he's broken out of prison to get revenge on Eman again. When we saw it, we knew it meant trouble.

Lincoln: Oh God, we got big trouble!

Me: Oh man! Was that?!

Lincoln: Eman Reynolds' psychotically jealous brother, Adam, he injected that same formula that the septillions of bodybuilders used and turned into a 720'11" tall hulking muscular behemoth and he's broken out of prison to get revenge on Eman again.

Eman Reynolds: I warned that idiot that if he ever came after me again, I was gonna beat him to a bloody pulp! That's it, Lincoln, once you suck out all of Adam's newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, I'm gonna drown him in a massive tidal wave of poison water!

WE FREAKED OUT!

Me: Oh God! Uh, Lincoln...?

Lincoln: There's actually no need to hold back, after Adam's damn stunt years ago, he'd since been disowned by his parents, and since he'd proven he's beyond redemption, I'll go with what Eman has planned. But, we're gonna send Adam to The Underworld via the same method Soul Reapers use when slaying a damned soul who was turned into a Hollow.

Me: Eman's stupid jealous brother!? Aw man! He just doesn't know how to shut up!

Nico: Uh oh, looks like Adam's found himself on a one-way ticket straight to Hell for good. Okay, team, let's go, time to teach that bucket of bolts a lesson.

Lincoln: He's heading right for the scrap heap, and once we get done with him, you're next, Adam!

Eman Reynolds: I have absolutely had it up to hear with you, Adam, there is no way I am going to let you live ever again! This time, you are done forever!

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed out to take down Lego Grid, and once we get done with him, Eman Reynolds and Lincoln are going to deal with Adam Reynolds, and after Lincoln sucks out all of Adam's newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, Eman Reynolds and Lincoln are sending him to The Underworld forever.

We were off to LexCorp.

We arrived.

Eris: Let's call Indigo One, Shrapnel, and Grundy

Indigo One: Nok I've been here the whole time.

Me: Okay then.

KRASMASH!

Shrapnel and Grundy came smashing through the streets!

Grundy: Grundy and Shrapnel ready for pancakes!

WE LAUGHED!

Me: You hungry now?

Grundy: Grundy just have sense of humor. Say that when Breakfast ready.

Apeface: (to Lego Luthor) Nice power suit. Reminds me of Superman.

Lego Luthor: Thank you. I made this suit just for that

Me: It's cool!

Superman: It sure is. Feels like old times in the Prime Universe.

Lego Luthor: It does.

Lego Grundy (to Grundy): You look like Grundy.

Raven Branwen: He IS you.

Me: From the Prime Universe.

Lego Grundy: Grundy have Prime self!

Me: Yep you sure do.

Grundy: Grundy happy to meet other Grundy!

Weirdwolf: What first?

Lego Luthor: We need to get to the control room.

Me: Lead the way. In the prime universe we didn't go into LexCorp because I destroyed the building after we defeated Lex the first time.

Nico: Really?

Me: Yeah.

We went in and we got to the control room.

2016 Morbucks: Is this it?

Lego Lex Luthor: This is it.

We went in and it was a really advanced lab and more.

Me: Wow nice lab!

Lego Lex Luthor: It is a work of art.

Robot: Hello and welcome to LexCorp. Please take a seat until Mister Luthor returns.

Me: Thank you. Nice robot.

Lego Lex Luthor: Thank you. But I am Mister Luthor! Urgh! They must have changed the security codes to keep us out.

Lego Gorilla Grodd: Whatever it is they're up to, they don't want the world to find out about it. There must be a way past.

Lego Lex Luthior: Perhaps the receptionist could be reprogrammed into helping us.

Lisa Loud: Allow me to assist in that.

Lego Lex Luthor: Go ahead.

Me: Lex I know how we can get Tim Buktu to talk further. Me and Eli are going to torture him with Force Lightning.

Lego Lex Luthor: Force Lightning?

Eli: This.

He fired a blast of Force Lightning.

And it hit a bunch of old robots and destroyed them.

Lego Lex Luthor: Wow! That is lethal stuff!

Me: It's a skill from the Dark Side of the Force. Eli, Rey and me can do it.

Lego Lex Luthor: Good idea.

Rey: (British Accent) You know I can do that?

Me: You accidentally blew up a ship with it remember?

Rey: Oh right.

Artie Ziff: How do we reprogram the robot?

Lego Luthor: Check the back panel.

Lisa did so and opened it.

Lisa Loud: Okay lets see.

Lego El Diablo: Sure you know what you're doing?

Me: Lisa is a genius. She knows what to do.

Lisa Loud: All done!

She closed the flap and it reactivated.

Robot: Welcome Mr. Luthor.

Lego Luthor: That's more like it

Me: Awesome.

Qin: Yep.

Lego Mirror Master: Nice job

Lisa Loud: Thank you.

Lincoln: Okay, before we go after Lego Grid, here's my attack plan on him.

Lincoln pulls up a hologram of the next world and zoomed in on one particular area.

Lincoln: Now, we already know Lego Grid is here and he's causing havoc, but to make matters worse, Darkseid's sent armies of Parademons to attack as well, and there's also Eman Reynolds' psychotic jealous ex-older brother, Adam Reynolds, but he's causing havoc on his own, but it's not long before he comes after us. So, here's the plan, I'll drain The Parademons of their lifeforces using Omega Beams infused with Anti-Matter to suck the life out of them, and Grid has armies of robots with him along with highly advanced weapons. We'll use our tails to suck Grid's armies of robots dry of power, same with the weapons.

Me: I like that idea.

Me: Great.

Qin: Battle plan is perfect.

DC Shrapnel: I like it.

Me: Cool.

The map disappeared.

Then the alarm sounded!

INTRUDER ALERT!

Me: Uh oh!

We went to the lobby and saw a robot that looked like Tristan!

Me: WHOA!

Nico: What is that!

Tristan: Is that me?

Robot Tristan: I'm a Terminator you.

I analyzed him with my data eyes.

Me: WHOA!

My vision showed that he was a combination of a T-1000, T-X, Rev-9 and T-800 model Terminators!

Me: WHOA! You are a really super advanced one. You're a combination of T-1000, T-X, Rev-9 and T-800 model Terminators.

Nico: That is a really advanced one.

Lincoln: And he is also Tristan's Akuma! His name is Tristan Terminate! The Hypothetical Akuma of Tristan Taylor and he is a combination of the T-1000, T-X, Rev-9 and the T-800 robots combined and he has all kinds of amazing weapons and more and he is powerful! But here is the shocker! He was made by Nico's Universe 666 Counterpart. He was actually Tristan that was made by his Universe 666 self into a Terminator Robot but he has a human heart in him!

WE GASPED!

Nico: SAY WHAT!?

Nico opened his mouth so wide that his skeleton fell out!

Me: You were made by Universe 666 Nico!?

Tristan Terminate: That's right. I was originally made by him to destroy all the members of the resistance against him. But they caught me and reprogrammed me.

Me: That is crazy!

Universe 666 May: I can't believe my ex-husband would make you this way Tristan.

Cut Man: Welcome to the club.

Lego Lex Luthor: Wait Universe 666 Nico?

Me: Nico's evil version of himself. He is from another universe where he is absolutely pure evil. He was the leader of Team Loud Evil Storm. We battled him on December 2nd, 2022 and it was intense.

Maria: It was a version of us where we were evil.

Me: Not all of us though.

Universe 666 May: I was married to that monster. But thanks to Lily, I was freed from him and am now with J.D. here.

Me: It's true.

Tristan Terminate: I'm glad you are free May.

Universe 666 May: I am too.

Nico put his skeleton back.

Nico: I hate it when that happens. But yeah it was nuts.

Tristan Terminate: I can see that Nico. You are nothing like the Nico I knew.

Nico: Never will be.

Qin: Yeah!

Me: We're just shocked you were made by him instead of Gabriel this time.

Tristan Terminate: I know.

Me: Boy first we encounter Terminator versions of the mascots and now a Terminator version of you. What next!? Terminator versions of all of us?

Nico: Don't jinx it.

Me: Sorry.

Professor XXXL: Tristan? Is that you?

Me: I think it already was proven that it is. Or rather it's the Universe 666 version of him.

Tristan Terminate: That is right.

Me: What happened to the rest of your friends in Universe 666?

Tristan Terminate: Nico banished them all to a maximum security slave camp on another planet.

Me: Oh man! Do you know which one it was?

Tristan Terminate: I am uncertain at the moment. But the data shows that it is the same planet where Dexter was accidentally beamed to.

Sam S.L.: That slave planet we rescued him from.

Me: I remember hearing about that!

Grundy: Terminator Duelist calm down or Grundy make you!

Tristan Terminate: Calm down is not part of my programming.

Me: Lets see if we can pull the battery from you. If Terminator robots have one.

Tristan Terminate deployed machine guns from him all over.

Me: Uh oh!

He fired and I formed a diamond barrier and NUMEROUS SHELL CASINGS WERE ALL OVER THE FLOOR AND PILED UP AS THE BARRIER BLOCKED THE BULLETS!

He was out of ammo.

Me: Wow! That is a lot of bullets. What else you got?

He had missile launchers ready all over him.

Me: Missile launchers next. Wow.

He fired and I blocked them all with a force field as hey exploded all over!

NUMEROUS POWERFUL FIERY EXPLOSIONS!

He was out of missiles.

Me: Wow! He is a powerful arsenal of weapons.

He then fired laser blasts and Eli deflected the lasers back at him with his lightsaber and blasted him down.

Me: Nice one!

Solomon Grundy charged and bashed him down.

Me: Nice one!

Tristan Terminate: Impressive defenses.

He then had NUMEROUS FLAMETHROWERS READY!

Me: WHOA! Flamethrowers!

HE FIRED US AND WE ABSORBED ALL THE FIRE!

Me: WHOA! Intense!

Tristan Terminate: J.D. here.

He gave me a cool blaster.

Me: Whoa!

Tristan Terminate: M-27 Plasma Rifle. Use that to destroy Team Buktu's robots and more. The resistance made it with infinite laser power and you'll never run out.

Me: Wow! I saw these blasters before. Thanks.

Tristan Terminate: You're welcome old friend.

Me: Even though I am not my Universe 666 self I am still him.

Grundy and Lego Grundy: Grundys smash!

They charged and smashed him down.

He got up and formed his arms into swords!

I went at him and clashed and sparks flew all over!

Me: Wow! Lets see him like this!

I jumped back and pulled out a grenade launcher and fired!

BANG! SPLAT!

And then...

KRABOOM!

He exploded and had a huge hole in him!

Qin: WHOA MAN! Just like the T-1000.

I fired a wave of ice and froze him solid.

I pulled out a pistol and pointed it at him.

Me: Hasta la vista baby.

BANG!

I fired and it hit him and he shattered into a million pieces!

Nico: Is he down?

Me: Shattered into a million pieces.

I sent them to the M.O.E.

Nico: Thank goodness you didn't send him into a vat of molten steel.

Me: No that's only for a T-1000 model.

Xenia: Good.

Lego Lex Luthor: Nice one though.

Dreadbane: Now for the next stage of Nico's plan

Nico: Now it's time to show everyone Team Buktu's true colors.

Qin: Just tell us what to do boss.

Nico: Okay.

Lincoln: Grid's going to pay for causing havoc, and we're already pissing Team Buktu off big time.

Me: Yep, and soon, we'll finally be rid of them forever.

Nico, me, Lego Luthor, Lego Joker, and some of the others went outside.

Lego Luthor: (sighs) To think we were criminals before 2022. And now, here we are protecting the people from the Crime Syndicate. Is it wrong to feel good about it?

Condiment King: Not really. That's what seperates you two from the Luthor and Joker we know.

Lego Joker: You're right about that. But it still feels weird.

Just then, we saw Team Buktu fighting an Earth Darkside. We saw that Lego Ultraman burned half of Scott's face.

Lego Luthor: Looks like Ultraman did a number on Scott.

Lego Joker: Two Face is gonna be jealous of the look.

Me: Whoa I'm getting a MASSIVE SENSE of Deja-vu in this one.

Nico: Yep. WHOA! Holy shit! Lego Ultraman did a number on Scott didn't he.

Me: Yeah. No shit. And there's that putrid fucking mongrel Evil Sasuke.

Albedo: I got to admit, those Elemental Darksides were genius though.

Everyone cheered as soon as Iron Monger blew the Earth Darkside up with a missile.

KRABBBBBBBOOOOOOOOOOOOOOMMM!

Me: (Whispers) Whoa nice shot.

Tim Buktu: No, no, no, people. We're just doin' our job. It was nothin'. Everything's gonna be okay now that we're here.

Me: Yeah keep telling yourself that.

The people cheered once more but went silent in fear and confusion as we approched them.

Lego Luthor: So, back to old methods, Team Buktu? Pathetic, really.

We looks at the people around us

Lego Joker: Let me tell you all something. Your "heroes" are brats of people who, since they were sucking their moms' tits, were given everything except discipline. Their idea of 'heroism' is coming in, killing people too weak to resist them, then showering in your praise and going home to a good paycheck.

The people step back in shock, taking a stand behind Team Buktu, who put on a smile and move toward us

Tim Buktu: Don't mind these guy, ladies and gentleman. Just need a bit of a talkin' to…

The closer Team Buktu get, though, the more their expressions falter. A twitch forms in their eyes and their toothy smiles slowly begin to fade.

Evil Sasuke: (harsh whisper) Listen here, you motherfucking curs. We will NOT take this from you any-

Lego Joker, wordlessly, just grabs Evil Sasuke by the throat, cutting him off mid-sentence.

Lego Joker: (looks to the people) If you'll excuse us, we're going to take these boys out back and "discipline" them.

Lego Luthor: (to us) Let's throw them to the Lexcorp roof and do the entrance there. The others should be there already

Krakenstein: Best news Monster heard all day!

Me: That's the signal!

Suddenly, the spirits of robots appeared and they attacked Lego Grid with fury along with sudden blasts of red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, elemental forces, magic, mythical beasts, phoenixes, and angels from Alexander Avalon. Then, the spirits converged and a massive explosion erupted as a Thunderbird Screech, Dragon Roar, Wolf Howl, Tiger Roar, and Phoenix Cry was heard, and we appeared.

Lego Grid: (Robotic Voice) Team Loud Phoenix Storm?! Impossible, my armies of robots and my weapons should've...!

Lincoln: We sucked out all of their power and energy, and we also let Alexander and Adrian loose to take care of Team Buktu's men to keep you from finding out.

Me: And we're still pissed off at Team Buktu big time especially Scott for that cruel stunt of his yesterday.

Nico: We got a lot of pent-up anger from yesterday, and now, you're gonna feel the brunt of that fury.

Lego Grid: (Robotic Voice) You will be eliminated here and now.

Me: Hello motherfuckers!

Evil Sasuke: YOU! YOU MOTHERFUCKING CUR! I WILL KILL YOU!

I teleported and kicked him down.

Suddenly, more Parademons, this time, sent by Darkseid have shown up.

Nico: Darkseid, you really are a damn monster.

Me: He has and always will be a monster.

Lincoln: He's not getting away with this.

Lincoln fired powerful Omega Beams infused with Anti-Matter, and they hit the massive army of Parademons with the clone of Scott and the next group of Parademons sent by Darkseid, and then, Lincoln sucked out all of their energy and it went into Lincoln as he grew much stronger, and The Parademons were turned to desiccated corpses. Then, he saw more Parademons appear, and he used Simone De Bastien and Shang Tsung's powers and he sucked out their souls, and he used his own soul sucking powers along with the other powers of many soul stealers to suck out the souls of the next group of Parademons and he absorbed them and drained their souls of energy and sent them to The Black Abyss.

Lincoln: That's the Parademons out of the way. Now, for Lego Grid's armies of robots and weapons.

Lincoln stabbed his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Lego Grid's armies of robots and most of his weapons and he began sucking them dry of energy and power, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh yeah, this feels so good! RRGH!

When Lincoln was done, Lego Grid's armies of robots were completely sucked dry of energy and power along with some of the weapons.

We also did the same stabbing our tails into the remaining armies of Lego Grid's armies of robots and weapons and we began sucking them dry of energy and power, and when we were done, the remaining armies of Lego Grid's armies of robots and weapons were sucked dry of energy and power.

Me: Okay, now I really feel supercharged!

Nico: Same here.

Then, we looked to see Alexander Michaelson and Adrian Acmetropolis taking down Lego Grid's men and they were punching, kicking, and slashing at them with unimaginable power and strength!

I've had an amazing purification and now I'm more powerful than ever before.

Evil Sasuke: YOU MOTHERFUCKING CUR!

Me: Hmm. Yes and a "Motherfucking Cur" was the only kind of person you can handle. I remember that your father said that very same thing to me in 150,000 years just as I was killing the Uchiha for their crimes and snuffing out the very darkness that they used to destroy so many lives. When he made his speech about how you were going to kill all of the Leaf in the name of Madara Uchiha all they did was seal their fate. Your Father poisoned his own son with his own hatred and turned you into a miniature version of him and he poisoned your mind with so much of his hatred over everything that you became a totally lost cause. He made you into a homicidal and completely mentally unstable psychopath and you did not show any value towards friendship or comradery. You wanted everything handed to you on a silver platter just like your wretched father and all your clan did. You cheated in everything, Even though Ninjas cheat, education is the one thing that we NEVER cheat at. Isn't that right and they say that your father was leading the Uchiha to greatness. But it turns out you're just another lost soul of the run-of-the-mill ninja. And you know it. You're not even in the same league in the kind of power that I possess. I can destroy the entire universe in the mere blink of a cosmic eye. In fact, next to my kind of power and the power that you have, you are nothing compared to me and you and your clan were nothing but a bunch of pathetic ants compared to it. The way you covet all that power, the way your clan did all the deeds in the name of the devil known as Madara Uchiha, a monster and a planet destroyer. It's downright fucking disgusting. As the most powerful fighter and warrior and champion in the universe, all I see when I look at you is a fucked up miserable fuckweed and a heartless motherfucking psychotic wretch. And on top of that I fucking hate your style above all others you ruthless fuckkicker! What is it that you are hoping to accomplish? Stealing all the jutsu in the world just to expand your jutsu arsenal and repertoire, committing crimes all over the planet just to satisfy the devil Madara Uchiha, murdering innocent people, stealing jutsu, pursuing petty and worthless desires like revenge and above all betraying the very village your clan founded. You Uchiha Motherfuckers don't give a flying fuck about anyone but your pathetic goddamned motherfucking selves and that is why I killed them all including your father. The Uchiha are heartless monsters that murder, lie, steal, betray and are completely powerhungry just like you and that's why I killed them all. YOU ALL FUCKING DISGUST ME!

HE ROARED IN INTENSE RAGE!

Tim Buktu actually hits Nico so hard that he shoots to the ground hard enough to create a crater.

KRABBBBBBBBBBOOOOOOOOOOOOOOOMMMM!

Tim Buktu lands next to it, watching Nico crawl out of it, seemingly stunned.

Tim Buktu: That's more like it. No one, I repeat, NO ONE fucks with us. You learned your lesson yet?

Tim Buktu picks Nico up by the collar, props him up on my feet, then smiles in a snarling fashion as he punches Nico hard across the face… His smile vanishes when he sees that he didn't even flinch. Nico turned his gaze toward him.

Nico: Cute. My turn.

Nico uppercut Tim Buktu so hard that he slammed into the wall. He's relatively unharmed, but winded and shaken. As he falls free of the wall, Lego Joker walks to him.

Lego Joker: And you call yourselves heroes. You've never had to fight anything stronger than yourselves- big fish in a small pond, as you might say.

Mammoth: That's actually a good comparison

Evil Jimmy got pissed at this

Evil Jimmy: SHUUUUUT UUUUUUUP!

The sound is enough to catch Nico off guard. Winding up, Evil Jimmy decks Lego Joker hard enough to send him skidding backward.

Me: The comfort you've always felt at wanting to be heroes will come to an end today. No more will the words Team Buktu mean anything but failure!

Evil Sasuke tried charging at us. Lego Luthor steps to the side and extends his arm, clotheslining him and sending him flat out on his back. Lego Luthor apparoched Evil Sasuke, even more disgruntled at him, then crouches down to his level.

Darkwing (to me): Just let it go. It's probably not a good referenced line anyway.

Me: It was not part of my rant anyway.

Lego Luthor: How many times are you going to do this? WHAT could you possibly get by aimlessly throwing yourself at me, when it has NEVER worked and WILL never work?! (points at his temples) THINK, TEAM BUKTU, THINK! YOU-

He was cut off when Evil Sasuke surges to his feet, pissed off

Evil Sasuke: WE SAID SHUT THE FUCK UP, YOU MOTHERFUCKING CUR!

Me: YOU FIRST!

Evil Sasuke threw a fireball at Nico, knocking him back. And then, Scott threw a bomb at Nico.

Scott: WE CAN DO WHATEVER THE FUCK WE WANT! BECAUSE WE'RE THE STRONGEST PEOPLE IN THE WORLD!

I then had Team Buktu braced to the wall!

Me: No you aren't! All you are is just a bunch of worthless phonies! Now talk! Tell them the truth!

Tim Buktu: NEVER!

Me: Okay then! Feel the power of the Dark Side!

Me, Eli and Rey fired blasts of Force Lightning and electrocuted them intensely with incredible voltage!

ZZZZAAAAAAAAAAAAAAAAAAAAAAAAAPPPPPPPPPPPPPPPPPPPPPP

We kept on firing lightning and electrocuting them all over!

Me: This will stop if you tell them!

We continued and they were burned bad!

I stopped.

Tim Buktu: OKAY OKAY! We'll talk! We are fakes.

Eli: So they can hear you!

Tim Buktu: WE ARE FAKE HEROES! WE DID ALL THAT TO RUIN YOU AND MAKE YOU AND ALL HEROES EVERYWHERE LOOK LIKE CHUMPS! WE SET UP ALL THOSE CRIMES WITH THOSE ROBOTS SO WE CAN TAKE ALL THE GLORY AND RUB IT IN YOUR FACES AND MAKE YOU OBSOLETE! THERE HAPPY!?

Me: Very. But THEY AREN'T!

Everyone saw them for who they are and they were BEYOND SHOCKED AND SUPER PISSED! THE CAT WAS OUT OF THE BAG!

THEY BOOED AND MORE!

Nico: My daughter can hit harder than you guys. I guess that makes her twice the person you'll ever be, in more than one way.

Evil Jimmy: (smiles insanely and emits a short, harsh laugh) Well, hug your kids, am I right? 'Cuz you never know what might happen…

POW!

Nico punched Evil Jimmy!

Nico: (expression visibly hardens) Don't. You. EVER. Talk about my daughter. EVER.

Iron Monger: (playing his part) I will talk about your little girl however and whenever I want. Soon as I'm done with you, he's next. (Winks at us)

Cavalier: (smirks) We like those odds.

Me: And Scott?

KRABLAM!

I punched him super hard in his face and knocked out most of his teeth!

Me: That was for making Rarity get turned into Nightmare Rarity and reading SpongeBob's Diary!

THE PEOPLE WERE DISGUSTED BY THAT!

Me: And Sasuke, you are going back to the Hidden Leaf and you are going to face trial for your crimes. Didn't you hear? You and all your clan are going to be executed.

Lego Ultraman: I swear to you we didn't know what Scott was gonna do.

Khybon: Relax. We know you had no idea.

Me: I figured. Also your Prime Universe self would be perfect for the M.O.E.

Lego Ultraman: I know.

Me: By the way, awesome job torturing him.

Lego Ultraman: You guys did the worst of it to him.

Me: Well I guess we're even.

I punched Evil Sasuke in his face and kicked Scott in his stomach.

Me: And also...

I slashed him across his neck and cut him bad.

Iron Boy and Iron Man fired their repulsors at Iron Monger

Stinky Butt: (sees something): Um...guys?!

Evil Jimmy, Scott, Evil Sasuke, and Tim Buktu pinned Albedo to a wall and started beating him up with punches and kicks.

But I grabbed them with vines and turned the tables.

Evil Sasuke: WHY YOU!

Naruto: And here's a little parting gift from me to you Sasu-Gay!

Naruto then did the unthinkable!

HE PURPOSEFULLY KISSED EVIL SASUKE FULL ON THE MOUTH!

SMOOOOOOOOOOOOCHH!

I THEN BUSTED OUT LAUGHING AND I WAS ROLLING ON THE FLOOR LAUGHING HYSTERICALLY!

Sarada and Sakura and our Sasuke and all of us laughed at that!

Naruto and Evil Sasuke coughed and gagged!

Evil Sasuke: I'M GOING TO FUCKING KILL YOU FOR THAT NARUTO!

Me: (LAUGHS HYSTERICALLY!) I STILL REMEMBER THAT! Boy even after 150,000 years that still makes me laugh!

WE LAUGHED HARD!

Me: WHEW!

We stopped.

Evil Jimmy: We're gonna kill you all just like we did to those vampire zombies!

Me: Oh your little vampire friends? Actually in truth, we should be thanking you. Because you did us a favor in killing High Mage.

Qin: YEAH!

I gave Naruto some mouthwash.

Me: Here bro.

Naruto: Thanks bro.

He gargled some.

Ben: (to Albedo) You okay?

Albedo: A bit roughed up. But I'll live

Me: Good.

Nico: I got something to say to Tim.

Nico went over to him.

Nico: Tim, you better listen to what I have to say to you.

Tim Buktu: What is it?

Nico: You think getting exposed is bad? We're just getting started.

Tim Buktu: Well, you and J.D. were the ones who let our first plan happen by going on the Ridonculous Race!

Nico: That may be. But we were on to you from the moment you formed. I was just a mole. And we brought you down.

Me: Yeah! Also Scott I have something to say to you.

I went over to him.

I grabbed him by his neck.

Me: You listen to me you worthless Canadian Redneck! I can't tell you how much I fucking hate you for everything you did! There are no words that descibe how much I hate you. But I don't want to talk about that. I want to tell you all about the mental damage you and your friends had on my best friend and buddy Lincoln Loud!

Scott: You mean that...

CRUNCH!

I squeezed his neck.

Me: SHUT UP! You will speak only when I tell you to! Lincoln went through a terrible history that spans back 403 years and it was all because of a mad monster that was out to destroy the entire universe all to stop a prophecy from coming true! Lincoln's ancestors the McLouds were all murdered by Dark Chase Young and he had help from Morag's ancesstor Aggie McLaughlin and they killed them! Now after 403 years Lincoln fulfilled the prophecy and killed that very monster because he is the Reincarnation of Amaterasu! He went through 18 years of hell because of Dark Chase Young! And you only added more fuel to the fire by poisoning his mind with your evil! Lincoln went through so much because of you and Dark Chase Young and I am not going to let you or your fuckup friends hurt him anymore! Lincoln is like a brother to me! And I am not going to let you hurt him anymore!

I Punched him in his face and bit off his nose!

Scott: (weakly laughs) Keep telling yourself that. But you were the ones who went on the Ridonculous Race in 2022 and let our first plan happen.

Me: That was in the past! News flash this is 2024. Now I think we are done here. And another thing. I have one last thing for you guys.

I pulled out a red hot branding iron shaped like the star of satan.

Me: Something that will forever brand you guys as outcasts forever.

I then put the brands on their foreheads and they screamed in pain! THEY WERE BRANDED WITH THE STAR OF THE DEVIL!

Me: Okay I'm done.

Nico: Me too.

Me: Get them out of here.

Evil Jimmy: I've had about enough of you!

Evil Jimmy got out his laser gun but Lego Deadshot shot it out of his hands.

Lego Deadshot: You guys focus on Grid now. We'll take care of these wannabes.

Me: Right!

We faced Lego Grid.

Me: Sorry about all that. Pent up rage and fury for yesterday.

Lego Grid: Understandable. I never liked working with those clods!

Me: I don't blame you.

Scott tried to punch DC Shrapnel

But he got stabbed all over by his metal shard body!

HE SCREAMED IN AGONY FROM THE BLADES!

Shrapnel: Nice try dirtbag!

I punched and blasted Lego Grid all over!

Evil Sasuke and Lego El Diablo shot fire at each other

But Lego El Diablo's fire was stronger and he blasted him down.

Nico punched Lego Grid and kicked him.

Qin fired blasts of fire and blasted him.

Lego Mirror Mater went into a mirror behind Tim Buktu

He reappeared and punched him.

I punched Lego Grid and Lincoln fired waves of lightning and electrocuted him.

Qin: Take that!

Tristan: I summon Cyber Commander!

He did so and he and Cyber Commander blasted Lego Grid and Team Buktu!

Lego Grid fired his weapons and fired lasers and missiles.

I deflected them all back to him.

Me: Try dancing to this.

I fired my new blaster I got from Tristan Terminate and made him dance like a sissy girl.

Me: I didn't know you could dance!

Lego Grid fired his own blaster

Me: Nice blaster.

Lego Grid: Thanks.

He fired it at me and I deflected the blasts back.

Eli fired waves of Force Lightning and electrocuted Lego Grid.

Poromon pecked him.

POINK POINK POINK POINK POINK!

Me: Oh before we do the combos... Poromon...

Poromon: Yes?

I whispered into his ear and told him to do something funny to Tim Buktu.

Poromon: Oooh good idea. Mascots come on!

The mascots went over to Tim Buktu!

Poromon: YOU WANT TO SEE SOMETHING SCARY!? SOMETHING SCARIER THAN KILLING KIDS!? WELL (SHOWS THE TRAILER) HERE! LOOK AT IT! IT'S HORRIBLE ISN'T IT!?

Nico: NEVER GETS OLD!

Sheena: While looking into Poliwag's heart, I kept hearing this.

Poliwag: Sorry.

Tim Buktu was screaming and farting in horror!

WE LAUGHED MORE!

Ling Chang fired waves of energy and blasted Lego Grid all over.

Ling Chang was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Anna and the others.

Anna Hidari: NO! We control the power! It doesn't control us!

They concentrated and reigned in the powers of their Pokemon and Landray forms and they transformed and fired waves of energy and elements and smashed Lego Grid and Team Buktu.

Give me a break. I'm going to make sure you regret all of your sins and your crimes, and those regrets will plague your cybernetic brain for all eternity.

Adrian Acmetropolis went after Lego Grid, and he fired extremely powerful blasts of black and midnight blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, black and midnight blue dark flames, darkness, dark magic, black magic, Satanic Magic, werewolves, rabbits, coyotes, ducks, roadrunners, Tasmanian Devils, phoenixes, and angels and they exploded with incredible power as they hit him, and he attacked him with massive swings of his massive greatsword and he got slashed at like crazy with nasty scars, and Adrian also used his gold-armored dragon claws and natural Werewolfairan claws as well.

He even unholstered his Sheffield Bowie knife in his left hand and he also slashed at him with it. Plus, he even threw it at Lego Grid, but it was hooked to the chain he has wrapped around his left arm and he swung it and the knife slashed Lego Grid on the chest.

Me: Nice one. (Thinking) I got the feeling he's going to fight Evil Sasuke tomorrow, and he's going to make him suffer big time. Adrian's heart, mind, and soul have been healed, and I hope he keeps him alive, we need to make sure the trial succeeds.

Then, I also went wild on him by slashing him hard with my gold-armored dragon claws leaving scars on him. Then, I held out my left hand and fired ten massive balls of fire at Lego Grid, and they collided and exploded as they hit him, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

Lincoln went wild on Lego Grid as he punched, kicked, and slashed at them like a wild beast, and he left scars on him, and I also did the same as well.

Then, Lincoln held out his left hand and fired ten massive balls of fire at Lego Grid, and they collided and exploded as they hit him, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

Finally, Lincoln formed a massive blue fireball in his left hand and he

threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

Lincoln, Super Brother, Tristan, Nico, and I and the rest of us went after Lego Grid and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Lego Grid, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his massive greatsword and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Lincoln, Nico, and I and the rest of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength.

Suddenly, Lincoln's massive white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his massive white angel wings spread out and four halos of rainbow energy formed with intricate designs inside it behind him and a massive halo of gold energy with intricate designs formed above his head with intricate designs.

Lincoln and I attacked Lego Grid with a last and powerful downward swing of our massive greatswords and that caused a massive explosion to erupt and the chains broke and Lego Grid was on his last legs as Lincoln and I landed in front of the team, and it also exposed Eman Reynolds' psychotically jealous brother, Adam Reynolds, who's now turned himself into a 720'11" hulking behemoth with abnormally massive and powerful upper and lower body muscles and twelve-pack abs with veins bulging all over, our secondary target who was then put into suspended animation until later.

Horsea squirted ink and blinded Lego Grid.

Lego Grid: You are not going to beat me.

Me: Oh yeah? Hit it!

Zig and Bernie pulled out a keyboard and Bernie pressed a button.

A new fountain I installed turned on.

Lego Grid: What the? (GROANS) UH OH!

Zig pressed another button and statues came and sprayed water.

Lego Grid: OH MAN! (GROANS) I SHOULDN'T HAVE DRANK ALL THOSE GLASSES OF ICED TEA BEFORE I LEFT!

Bernie: (CRACKS KNUCKLES)

He pressed numerous buttons and colored jets and waterfalls came on and LEGO GRID FELT LIKE HE WAS GOING TO EXPLODE!

Lego Grid: OH MAN! I WISH I HADN'T DRANK ALL THAT ORANGE JUICE TOO! I'M GOING TO EXPLODE! JUST BEAT ME UP AND GET IT OVER WITH! I GOTTA GO PEE!

Me: Well you should have gone to the bathroom before we started kicking the crap out of you!

Lego Lex Luthor: Where did you guys get that cool fountain?

Me: Oh we made it for LexCorp here. We installed it last night and designed the fountains and jets like the ones from the Bellagio hotel. Cool huh?

Lego Luthor: Go ahead and go to the bathroom while we continue to thrash Team Buktu

Lego Grid: THANK YOU!

ZOOM!

He ran into the restroom.

UNZIPS FLY!

Then...

LOUD MASSIVE AND POWERFUL EXPLOSION!

WATER RUSHING!

Lego Grid: (LONG SIGH OF RELIEF!)

We fired waves of energy and elements and blasted Team Buktu all over the place.

Maria: (TURNS DIAL) MUSHROOM MAYHEM FORCE!

She summoned Split Mushroom, Crackhouse Mickey, Goofy, Donald and Minnie, Gluttony (Fullmetal Alchemist), Dr. Destiny (X-Squad Universe), Killarok, Micha Jawkan (X-Squad Universe) and Argos (X-Squad Universe)!

Me: YEAH!

Maria: Just in case.

Horsea: Good idea.

Maria: Thanks!

We blasted them all over and more.

Lego Grid came back.

Me: Feel better?

Lego Grid: Much better.

Me: When you got to go, you gotta go!

Then P'andor, Man Ray, Kitty, Tar Pit, Avalanche, Moonstone, Takanuva, Tri-Klops, Enchantress and The Rowdyruff Boys came.

Nico: P'andor, Man Ray, Kitty, Tar Pit, Avalanche, Moonstone, Takanuva, Tri-Klops, Enchantress and The Rowdyruff Boys.

Lego Grid: I am not in the mood for ordering you guys this time.

Man Ray: Good.

Evil Jimmy blasted P'andor with his ray. But because he was made of nuclear energy he absorbed it.

P'andor: (Russian Accent) Thanks for the snack jerk!

He fired a wave of nuclear energy and blasted Evil Jimmy!

Me: You should know better than to attack a being made of pure nuclear energy.

Kevin Levin: Take it from past experiences.

P'andor: Looks like the secret's out.

Man Ray: About time.

Kitty: Now for the day when Team Buktu ends.

Me: Not much longer.

Tar Pit: (to Nico) We heard you fought Marcus.

Nico: We sure did and that was awesome.

Man Ray: And J.D. you look phenomenal.

Me: I sure do.

Kyd Wykkyd: (to Takanuva) You should take care of that Corsola.

Takanuva: I will.

Tombtress came out.

Me: Tombtress? Is it your turn?

Tombtress: Nope. I just came to do this.

She fired a beam of light and it hit me.

I felt myself.

Me: Uh nothing.

Then...

POW!

I got hit in the head.

Me: OW! What what the fuck was... (GASP)

I SAW ME DRESSED IN ALL RED AND HAD RED HAIR AND PIERCING RED EYES!

Me: WHOA! WHO THE FUCK ARE YOU!?

Rage me: (ANGRY) I AM YOUR RAGE!

Nico: Oh shit! This is gonna get ugly!

Me: I saw my hope side and now you! I didn't know I was this rotten tempered!

He went at me and I jumped and grabbed him.

Me: HEY UNLEASH YOUR RAGE ON THEM! NOT ME!

I pointed to Team Buktu!

Rage me: OKAY! COME HERE WHALEFUCKERS!

HE WENT AT THEM!

Tombtress: OH BOY! See ya!

Then Fogshell came.

Me: Fogshell for another round.

Fogshell: Yep. Tombtress coming was her idea. Wanting to see what else you have

Me: Oh. Okay.

Fogshell: Don't worry. Stane won't be hurt too much.

Me: Good. Besides like we learned during Cornelia's missions, it's only temporary.

Fluttershy: I was really joyful and happy during that time.

Cornelia: I remember that! That was the most happiest you ever were.

Me: I know and I saw my hope side. So full of optimism and guidance.

Nico: I remember. That was cool.

Fogshell: It sure was.

Me: I have a feeling I'm going to be getting into a pissing contest with my rage.

Nico: (GULP) This is gonna be brutal. LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway.

Tahu: He sure did and you should have seen what went down. We also met a girl named Sheena and she had this amazing power to talk to Pokemon into their hearts.

Boxing World: WHOA! That is a very mysterious power! That is cool!

Tahu: It sure is! Sheena found out that the mascots accidentally killed Kozak by blowing him into a million pieces with a bazooka accident!

THEY GASPED!

Sushi World: WHOA! Well the guy had it coming anyway for all the crimes he committed so I think you guys should care less about him.

Tahu: Yeah we do. Also we found out that Poliwag almost got turned into roadkill by a van driven by mobsters and found a HUGE BOATLOAD of cocaine and money and buried it. We had to stop the mobsters from coming after Poliwag and we arrested them.

Noodle World: HOLY CRUD! Did Roger try to get some of the cocaine? You know how he is.

Jamedean5842: Yeah he did and I was really close to turning him into a puddle of primordial slop.

Noodle World: WHOA! He almost incurred your wrath there!

Jamesdean5842: (LAUGHS) Yeah he sure did. Sebastian was on to Poliwag.

Noodle World: He sure has gotten really perceptive.

Jamesdean5842: He sure has. But you should have seen what happened before they met the mascot.

Noodle World: What happened?

Yakumo: J.D. went through the same purification process as Lincoln did and it was INTENSE!

Noodle World: Is that what that intense massive burst of energy was!? WHOA! That explains it!

Leanbow: Yeah no kidding!

Twilight Sparkle: Also before breakfast, Rarity was crying hard because she was really upset about what happened yesterday.

P'andor: Oh man! I heard about what happened yesterday with Scott and how he really made you guys angry like that. I'm sorry about that comrades.

Stellar Sparkle: It's okay. But Scott really put a massive wound on Team Buktu's reputation like that. J.D. said he saw what went down at their base using the magical mirror that Prince Adam had.

Noodle World: I forgot all about that magic mirror. WOW!

Stellar Sparkle: Ultraman really punished Scott for doing all that on his own and the Crime Syndicate was REALLY pissed at him. Ultraman burned him all over with laser vision.

Sushi World: Brutal! But he had it coming for the stunt he pulled!

Harmony Sparkle: Yeah he sure did!

Starshine Sparkle: Yeah that is for sure!

Gali: They sure did and we had a really fun day for this too. We met the next underground girl and her name was Ling Chang. She was turned into what's called a Anomalocarian Cambrianopod from the planet Cambrius. They are creatures that look like the Cambrian Period Anomalocaris.

Man Ray: WHOA! That is amazing! I remember seeing those in Paleozoic World.

Erica Tala: Her name was Kate-Liette! It's like a mixture of Kate and Juliette. But she was horrifying! She was not as feral as Kate's first Akuma but she was made because of all the horrifying things Kate had to go through in Antarctica. She vowed to kill all versions of The Thing.

Sapphire Ocean: We blasted her with fire and sent her into the Book of Vile Darkness.

Rarity (G5): We sure did and we trapped Bomb Shell too. Twilight finally got her shot in to trap a villain too.

Pohatu: Yeah it was called the Spaghetti Slurpfest and we found out that it was run by him while he was under an alias. He was going as Yug Rezarg.

Avalanche: His name spelled backwards. What was he serving there?

Pohatu: He was serving Italian Food mixed with chum and man was it horrible! EVERYONE was throwing up all over the place. After we exposed him everyone was ABSOLUTELY OUTRAGED and we sent him back to prison.

Terroranchula: He should have never had a restaurant like that and they should have seen his name. His restaurant and culinary licenses were revoked and he was blacklisted from ever doing all that again.

Wendy Marvell: Like it is with doctors, once you are branded as a convicted criminal, you can never get work as a doctor or own a restaurant ever again.

Rainbow Dash: You got that right! And also we met 2 of Lincoln's Guardian Angels who is the Keyblade Knight of the planet Tir na nÓg and the Queen of the Walpurgisnachtairaira!

Insect Queen: Sure!

Kopaka: It wasn't anything fancy but Nico, J.D., Lego Luthor, Lego Joker, and some of the others came in as Team Buktu are once again getting the trust of the people by destroying Elemental Darksides.

Moonstone: They tried again with that like they did back in 2022!

Kopaka: Yep. And Lego Luthor and Lego Joker simply told everyone the truth, which was enough to cast some doubt. Team Buktu threatened us that they weren't going to take any of our bullshit anymore but Lego Luthor and Joker grabbed them by the throats and threw them to the roof of Lexcorp where the others were.

Blaine: J.D. also added more fuel to the fire by showing everyone the truth too through his memories.

Arisia: And it worked really well! As you can see all the people in the city and the world are completely outraged.

Fluttershy: Yes it's all true and it was amazing as well.

Lilja: (Icelandic Accent) Yeah no kidding there! Now the people of the world see them for who and what they really are. Frauds and fakes.

Sólrún: (Icelandic Accent) Yeah no kidding and Nico's plan worked perfectly!

Zick: Well he is actually a combination of the T-1000, T-X, Rev-9 and the T-800 robots combined and he has all kinds of amazing weapons and more and he is powerful! But here is the shocker! He was made by Nico's Universe 666 Counterpart. He was actually Tristan that was made by his Universe 666 self into a Terminator Robot but he has a human heart in him!

---

Enchantress was next.

Enchantress: (to Ilana) Lego Grid is going to pay for his crimes. But I don't think he and the Crime Syndicate knew what Scott was going to do.

Ilana: No they didn't. Scott went behind their backs and did all that. Scott got REALLY brutally punished as a result. Lego Ultraman blasted him bad with laser vision blasts as punishment for his actions.

Enchantress: OH MAN! Even after how you guys brutally beat him up yesterday! That was intense! You dismembered him alive!

Stacey: That is a real understatement!

Chill Penguin: It sure is! Wow! I would hate to be the fool that experiences the ultimate full extent of that.

Cheryl: And from the looks of it it's not going to be the Crime Syndicate.

Princess Luna: This is intense power and it's amazing.

Dusk Eclipse: I agree there and it will be amazing to see who J.D. faces to test that power on.

Lego Grid got back up.

Lego Grid: (Robotic Voice) This is not over.

Grundy put a tracer on Lego Grid.

Grundy: Grundy want Cyber Man to remember this.

POW!

He knocked him down.

Tim Buktu: THIS ISN'T OVER TEAM LOUD PHOENIX STORM!

Me: No it's just beginning.

Tim Buktu: You don't want us to be heroes? Fine. But we're done taking orders. We are Team Buktu: SERVANTS TO NO ONE!

Tim Buktu pressed a nearby button before they teleported away. And then, a portal opened up. I protected us all with a force field. But Lego Joker, Lego Harley, and Lego Killer Frost weren't so lucky as they got sucked into the portal.

Nico: Where did they go?!

Iron Boy: I have no idea. That protal could've sent them anywhere.

Me: Uh oh. Well we better find them soon.

Qin: Yeah.

Lego Grid ran away, but not before Lincoln fired his tracer that went onto him as he went into the portal and escaped. We cheered as we holstered our weapons and powered down.

Me: And that should do it.

Nico: You said it.

Lincoln: It will not be long, now that The Crime Syndicate has seen that Scott, Evil Sasuke, Evil Jimmy Neutron, and Tim Buktu of Team Buktu are unhinged lunatics, they're starting to turn on them, and soon, we'll finish them off. Now, there's one last thing to do and one last loose end to tie up: getting rid of Adam Reynolds.

We then turned to Adam Reynolds who's still trying to get out, but he couldn't.

Adam Reynolds: (GROWLS) DAMN YOU! DAMN YOU ALL! WHEN I GET OUT OF THIS, I'LL SMASH ALL OF YOU INTO THE DIRT AND SPIT ON YOUR DAMN GRAVES!

When all is said and done, what did you even achieve through your heinous actions? You walk the path of a coward creeping your way through the dark, that's a lonely path, and it's one that will follow you into death. Adam Reynolds, may you suffer for all eternity with not a kindred soul to give you solace, it's time to put an end to this once and for all.

Lincoln, Eman Reynolds, Super Brother, Nico, and I went after Adam Reynolds, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Adam Reynolds, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Adrianne Acmetropolis did the same by firing black and orange, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Eman Reynolds, Super Brother, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was really pissing Adam Reynolds off.

Suddenly, Lincoln's enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and four massive halos of rainbow energy with intricate designs formed behind him and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Adam Reynolds and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left

fist into the stomach of Adam Reynolds and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind him. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 620'11" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 into Cell's stingers, Super Brother morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 into Cell's stingers, and I morphed the tips of my 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and we stabbed them into Adam Reynolds and we began sucking out and assimilated Adam Reynolds' newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Same with Super Brother as his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Along with me as my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large rainbow angel wings underneath my enormous white angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on my forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed.

RRGH!

And we also flexed our muscles even more which really aroused our harems even more, and at the same time, Adam Reynolds began shrinking in height and muscle mass as every last bit of his newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of him one at a time and was pumped into Lincoln, Super Brother, and I.

Adam Reynolds: (Groans) T-they're sucking me dry, I can't take much more of this!

Then, when Lincoln, Super Brother, and I were done and the stingers changed back, Adam Reynolds was back to his original height, but he was also now reduced to a skeleton completely sucked bone dry of his newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility and fertility, and extreme levels of testosterone, and we let out a loud and massive roar of dominance and power as we pounded our chests like three Alpha Male gorillas and we flexed our massive muscles as fire burst out of our massive biceps and massive muscles!

Then, Eman Reynolds fired a blast of poison water into Adam Reynolds' body through his mouth, and he began convulsing, and Adrian Acmetropolis cut him open with one slash of his demon fang greatsword. Then, The Gates of The Underworld appeared.

Me: Whoa! The Gates of The Underworld!

Rukia: Hadn't seen that in a long while.

Ichigo: Adam may not have been turned into a Hollow, but he committed so many evil deeds towards Eman and their parents, and he was doomed to that very fate.

The Gates then opened as Adam Reynolds' spirit was grabbed by the demons and he was dragged in and they closed. We cheered as we holstered our weapons and powered down and Eman Reynolds' new body, clothes, weapons, jewelry, Third Eye, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long aqua blue wolf tails, large gold halo and large gold Yata no Kagami mirror with gold ocean wave ring-shaped frame around it with embedded aqua blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold ocean wave ring-shaped frames around them with embedded aqua blue gems behind the gold rings behind her head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large aqua blue planets orbiting around her legs, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 smaller aqua blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized aqua blue planets orbiting around her wrists and ankles, and enormous aqua blue angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large aqua blue angel wings underneath her enormous aqua blue angel wings are permanent.

Eman Reynolds: It's all over, Adam, now this is goodbye and good riddance forever, you piece of work. Thanks for helping me get rid of Adam forever, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Adrianne.

Me and Nico: Our pleasure, Adrianne.

Suddenly, Eman Reynolds wrapped her arms around Lincoln's waist as he lifted her up to his face as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Eman Reynolds' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Eman Reynolds sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Eman Reynolds: It's finally over, now I'm finally rid of that piece of shit, Adam.

Me: That's for sure, he's finally gone for good. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Volcanic Laval Masters of Courage and Lavalval Dragun.

Lincoln: (GASPS) The symbol of The Volcanic Laval Masters of Courage and Lavalval Dragun.

Adara Vulcania: There's only one person who fits this: Abellona Vulcania, Avatar and Gene-Slammer of Lavalval Dragun, and you guys are going to love meeting her, Abellona Vulcania, Avatar and Gene-Slammer of Lavalval Dragun, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lavalval Dragun. She's The Volcanic Lava Dragun Master and member of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Abellona Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lavalval Dragun, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lavalval Dragun, and Lincoln was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Abellona Vulcania hates Scoots with a passion because that stupid old goat ran over her feet and she had to spend a month in a cast, and that old goat callously laughed at her with cruelty. Abellona got super enraged and angry, she fired a massive blast of fire at that old goat, and the blast of fire melted her scooter, and after that, Varie called the people at the Lansing Maximum Security Nuthouse and they took Scoots back to the nuthouse and tied her real good to the wall of her padded cell with a straitjacket.

WE GASPED!

Me: That rotten heartless old goat. I remembered that day when Varie came home pissed off in a really bad way.

Varie: I still remember that day all too well. Scoots didn't learn her lesson back then either.

Lincoln: Yep, Abellona had to spend a month with that cast on her feet.

Lynn: That old goat had it coming, and Paula helped Abellona get around especially with the casts on her feet.

Avalanche: Well, this is an unexpected twist.

Moonstone: Who knows where Lego Joker, Lego Harley, and Lego Killer Frost went.

Tri-Klops: I hope they're okay.

Enchantress: On the bright side, Team Buktu are on the run now.

Me: Yep.

Brick: But at what cost?

Me: Well it doesn't matter. We got the truth out.

Camie: Yep.

Me: Soon they will all be dead.

Nico: Yep. Great job guys!

Me: At least we got some well deserved payback on them. Especially Scott for reading SpongeBob's Diary and making Rarity turn into Nightmare Rarity.

Rarity: Indeed.

Me: Yep.

Nico: (To the viewers) They can run but they can't hide. We got Team Buktu on the run.

Me: Yep.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: And that was another Crime Syndicate member taken down.

Anna Anyanova: And Nico's plan is already going to come to fruition, The Crime Syndicate is seeing that Team Buktu are indeed the worst, and they're not heroes at all. Soon, those bastards will be put down forever.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters of the now expanded hot springs was Lincoln in the hot waters, but they also saw his towel was on the rack along with his orange speedo, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice)(Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs)(Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fesstertox's Perfect Gene-Slammer serum and Perfect God serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his towel around his waist about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice) (Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Alexander Avalon: So far so good. We took down The Dark Song Card, but tomorrow, I got a feeling we're going to take on the dark version of The Little Card, this thing caused trouble when she shrunk Sakura, but we'll be ready for that troublemaker.

Alexander Avalon went back inside: the hunt for The Dark Clow Cards was still on, and so was the big war against Team Buktu and Darkseid, and we'll make sure those monsters pay for their crimes with their lives.

TO BE CONTINUED...

Alright, and now, for tomorrow, the match-up scene is for Rochelle Yokoshima, Gene-Slammer of Darkfire Dragon, and she and Lincoln are going to destroy Lucius, The Omnipotent God of The Gates from Brave Frontier

For Lincoln's rescue tomorrow, Lincoln and his group and all of TLPS and The MOE are heading to the Jungles of Guatemala, and we're here to take down the clone of Hellfire Deathplague Dragon who has The Dark Little Card in hand, and once Lincoln sucks out the powers of The Dark Little Card, Lincoln's going to absorb the clone of Hellfire Deathplague Dragon, and we're going to meet Abellona Vulcania, Avatar and Gene-Slammer of Lavalval Dragun, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lavalval Dragun. She's The Volcanic Lava Dragun Master and member of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Abellona Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lavalval Dragun, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lavalval Dragun, and Lincoln was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Abellona Vulcania hates Scoots with a passion because that stupid old goat ran over her feet and she had to spend a month in a cast, and that old goat callously laughed at her with cruelty. Abellona got super enraged and angry, she fired a massive blast of fire at that old goat, and the blast of fire melted her scooter, and after that, Varie called the people at the Lansing Maximum Security Nuthouse and they took Scoots back to the nuthouse and tied her real good to the wall of her padded cell with a straitjacket.

DC SUPERVILLAINS PART 8

Part 8: Evil Sasuke

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a a green planet of endless spinach in The Forbidden Zone, but billions of years ago, this planet was inhabited by powerful warrior angels called The Spinachairairans, the males were not only natural born fighters and spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it which drives many females wild, but had immense superhuman strength, immense superhuman speed, immense superhuman endurance, immense superhuman durability, immense superhuman senses, immense power over all spinach, nature, spinach-themed plants, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the ability to grow stronger by eating spinach of every kind, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the female Spinachairairans, but they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day.

Lincoln woke up.

Lincoln: Whoa! Was that...?

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Another food planet in The Forbidden Zone, that was Spinachairaira, a green planet of endless spinach in The Forbidden Zone that was inhabited by powerful warrior angels called The Spinachairairans, the males were not only natural born fighters and spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it which drives many females wild, but had immense superhuman strength, immense superhuman speed, immense superhuman endurance, immense superhuman durability, immense superhuman senses, immense power over all spinach, nature, spinach-themed plants, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the ability to grow stronger by eating spinach of every kind, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the female Spinachairairans, but they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day.

Lincoln: Whoa, that's incredible!

Lincoln got up and got dressed, and he left a note explaining it, and he headed off to Spinachairaira, the green planet of endless spinach in The Forbidden Zone that billions of years ago was inhabited by The Spinachairairans, but were defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day.

Lincoln landed on Planet Spinachairaira, and it was everything he saw in his dream and his rainbow energy aura exploded as he grew stronger.

Lincoln: Wow! So, this is Spinachairaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) You said it. This place used to be full of life, but now, it's empty thanks to Arpina's former people.

Then, Lincoln sensed an extremely strong energy and he headed into the city, and there he found it: The Well of Souls of Spinachairaira. Then, Lincoln's hand hovered over the intricately carved stone cover and the green gem surrounded by angels glowed and it came off of the Well, and then, an extremely massive F5 green tornado of green souls and green energy came out: they were the septillions of souls of the male Spinachairairans of

Spinachairaira.

Lincoln: Incredible.

Suddenly, the septillions of souls of the male Spinachairairans of Spinachairaira flew at Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them all into his body, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their eons of combat experience, immense superhuman strength, immense superhuman speed, immense superhuman endurance, immense superhuman durability, immense superhuman senses, immense power over all spinach, nature, spinach-themed plants, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the ability to grow stronger by eating spinach of every kind, and incredible godly powers, immortality, excessive virility and male fertility, and invincibility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire as he pounded his chest like a gorilla.

Lincoln: Whoa...! This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed on his massive biceps and the image of cannons firing formed on his massive pecs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome!

Alan Almightairaira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels, now there's one last thing for you to do, Lincoln.

Lincoln flew deeper and deeper into the planet, and he found it: the core of Planet Spinachairaira, the inner and outer cores of the planet and the million other planets consisted primarily of iron and nickel and are extremely white hot with the temperature at more than 999,999,999,999,999,999,999,999,999,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the core of Planet Spinachairaira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Spinachairaira's massive Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming) (GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others. But, there's one more thing to be done.

Lincoln headed for Walpurgisnachtairaira, and it was everything he saw yesterday and his rainbow energy aura exploded as he grew stronger.

Lincoln: Wow! So, this is Walpurgisnachtairaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) You said it. This place used to be full of life, but now, it's empty thanks to Arpina's former people.

Then, Lincoln sensed an extremely strong energy and he headed into the city, and there he found it: The Well of Souls of Walpurgisnachtairaira. Then, Lincoln's hand hovered over the intricately carved stone cover and the purple gem surrounded by angels glowed and it came off of the Well, and then, an extremely massive F5 green tornado of purple souls and purple energy came out: they were the septillions of souls of the male Walpurgisnachtairairans of Walpurgisnachtairaira.

Lincoln: Incredible.

Suddenly, the septillions of souls of the male Walpurgisnachtairairans of Walpurgisnachtairaira flew at Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them all into his body, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, fire, flames, Dark Magic, Black Magic, Satanic Magic, and all the powers of all the demons, monsters, and creatures of the night, and all the powers of Walpurgisnacht itself times infinity, and the ability to grow even stronger, and incredible godly powers, immortality, excessive virility and male fertility, and invincibility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming) (GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Lily the Mermaid: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks) (Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger due to the powers of the Eroticairans of Planet Eroticaira he has and his primal urges went wild.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps,

forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning)(Thinking) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: That was the surprise you had planned for us. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then, where were we?

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

J.D. 2: Oh man, do I remember Spinachairaira all too well. Lincoln from my universe and I ate tons of Spinachairaira's spinach, and we really went wild doing bodybuilding poses and punching bastards all over the place like crazy.

Me: Whoa...!

Willow Walpurgisnachtairaira: And last night, he also absorbed the male Walpurgisnachtairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, fire, flames, Dark Magic, Black Magic, Satanic Magic, and all the powers of all the demons, monsters, and creatures of the night, and all the powers of Walpurgisnacht itself times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and he absorbed Walpurgisnachtairaira and its core into his body and Walpurgisnachtairaira's Sun into his body to preserve their legacy.

Nico: Didn't see that coming. But we did meet you and Serafina Tir na nÓg yesterday when Guy Grazer showed up.

Lincoln made a can of Spinachairaira's spinach appear: it was glowing neon green.

Super Brother: Whoa...! Can I try?

Lincoln: Go ahead.

Super Brother devoured the Spinachairaira spinach in one gulp.

Super Brother: That was good. (GROWLS) RRGH! Oh man, my body feels like it's growing even hotter!

Suddenly, Super Brother's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Super Brother: WHOA! What on Earth?!

Lincoln: That's the awesome part of it: when you devour a can of spinach from Spinachairaira, you gain all the immense superhuman strength, immense superhuman speed, immense superhuman endurance, immense superhuman durability, immense superhuman senses, immense power over all spinach, nature, spinach-themed plants, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the ability to grow stronger by eating spinach of every kind, and even more godly incredible powers, immortality, and excessive virility and male fertility of the male Spinachairairans.

Super Brother: That's so awesome!

Suddenly, Super Brother started flexing his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed on his massive biceps and the image of cannons firing formed on his massive pecs.

Super Brother: (GROWLS) RRGH! And I'm also even more ripped than ever! Ooh yeah, this is so awesome! (Seductive Voice)(Smirks to his harem) Like what you see, ladies?

The noses of Super Brother's harem literally gushed out blood like a fountain, but Super Brother's only getting started as he proceeded to do the bodybuilding poses he used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches on his massive biceps, pecs, obliques, back, legs, and twelve-pack abs.

Super Brother's Harem: (Swooning) So manly...!

Then, they pounced on him, and he engaged in a passionate make-out with them, and when it was all done, he had kiss marks on his massive pecs, arms, neck, and twelve-pack abs.

Super Brother: (In Heaven) So...worth it...!

We laughed.

Lincoln gave me and the other guys the Spinachairaira spinach, and we also gained all the immense superhuman strength, immense superhuman speed, immense superhuman endurance, immense superhuman durability, immense superhuman senses, immense power over all spinach, nature, spinach-themed plants, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the ability to grow stronger by eating spinach of every kind, and even more godly incredible powers, immortality, and excessive virility and male fertility of the male Spinachairairans, the girls also gained all the immense superhuman strength, immense superhuman speed, immense superhuman endurance, immense superhuman durability, immense superhuman senses, immense power over all spinach, nature, spinach-themed plants, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the ability to grow stronger by eating spinach of every kind, and even more godly incredible powers, immortality, and excessive fertility of the female Spinachairairans.

Me: WHOA! This is so awesome! When I see that big bully, Bluto, I'm gonna enjoy knocking him out.

Ino was sleeping.

Tsareena: Ino? Time to wake up.

Ino: (Snoring)

Tsareena: Ino?

Ino: (Mumbling) Aw five more minutes daddy. I don't want to go to the Academy yet.

Tsareena: Okay you asked for it. (Whistles)

In came the mascots!

Mascots: CUTIE WAKE UP CALL!

They jumped on Ino's bed and bounced!

Mascots: WAKE UP INO! WAKE UP WAKE UP WAKE UP!

They jumped and bounced on her.

Ino: (LAUGHS) Okay guys! I'm awake!

Tsareena: Time for breakfast!

She went and got dressed And went to the table.

Me: Morning Ino.

Ino: Some alarm clock guys.

Me: The mascots woke you up didn't they?

Ino: They sure did.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was our old enemy, Old Lady Munson, she's back from The Warp, and she's pissed at us and wants revenge!

Me: What the?!

Coop: Old Lady Munson's back?!

Fiona: I can't believe her! You know what, I've had it with her, she's in big trouble when we get after her!

Coop: You said it. Where is she at, Lincoln?

Lincoln: Ah, she's in Florida.

Me: So, that's where she's at, eh? Perfect, we'll teach her a lesson she'll never forget.

Lincoln: We may have been taught to respect our elders, but there's been exceptions, and Old Lady Munson is one exception. Alright, now let's finish breakfast and head out to teach her a lesson.

Nico: Right.

We finished our breakfast and we headed out for Florida to help Sweet Leaf unlock her Rainbow Power and take down Old Lady Munson who's back for revenge on us.

Ymir: Wow so this is St. Augustine.

Me: Yep. This is believed to be the very spot where the legendary Fountain of Youth was discovered.

Xenia: Yep.

Ymir: Wow! What is the fountain of youth?

Me: It's a legendary fountain that is said to be the key to holding the secret to eternal life.

Ymir: Wow! A fountain that can make people young forever?

Nico: Yep. Its been sought after for a long time.

Qin: It's true.

Jen Tennyson: Ben and Gwen and Grandpa Max are here for a bit to enjoy the sights too.

Nico: Cool!

Wire Sponge: This will be awesome to see though.

Lola: I remember Gallagher Elementary had the Fountain of Youth there and the Delightful Children were trying to destroy it.

Nico: I remember that! We found it and now Children can be 10 forever.

Xenia: Yeah!

Nico: Wire Sponge, I want to thank you, Soap Sam, and your teams for coming.

Wire Sponge: No problem Nico. This will be awesome.

SpongeBob The Strong: I'm glad this is gonna be a fun one. I've been wanting to try out my strength on man baddies here.

Nico: You're seperate from the Spongebob we know, right?

SpongeBob the Strong: I may be a separate version of him but I am still the same fun-loving Krabby Patty flipping fry cook and Jellyfish catching guy you all know and love.

Nico: Awesome!

Lily: Yeah and he is a strong guy too.

Sandy Cheeks: I'll say! That is the strength of Texas right there.

Camie: I agree there.

SpongeBob the Strong: And I like it.

Nico: How exactly were you made?

SpongeBob the Strong: It was in a dream where I was saving a damsel tied to a railroad by Jack M. Crazyfish.

Lily: He was a big strong fish with a teal hat and had a stereotypical villainous mustache and had a maniacal grin. That scene was also very similar to those Damsel rescue scenes in the silent movie era.

Nico: Boy that was over 100 years ago. Very common method when film was starting out.

Natilee: I used my powers and made SpongeBob the Strong real.

Nico: Wow! That is cool!

Natilee: And SpongeBob in this form has the strength of 500,000 men. He can smash a train into pieces.

Qin: WHOA! Holy crap! That is powerful!

SpongeBob the Strong: It's how I am known as SpongeBob The Strong.

Xenia: Nice!

Me: Cool!

Nico: Yep. Well guys we did it. Team Buktu's name is now officially mud.

Leni: I thought it was Team Buktu.

Lisa Loud: Leni that means that we exposed them for the fraudulent charlitans they are.

Me: Precisely.

Lincoln: It won't be enough until we fucking destroy all of them except Stane!

Me: That's right buddy! Now comes the final part of our plan. After Evil Sasuke we destroy them for good.

Lincoln: That is for sure. And J.D. did you really mean every word of what you said about me to Scott?

Me: Every single word of it buddy.

Lincoln: (Tears up) (CRYING) THANK YOU J.D.!

HE HUGGED ME!

Me: Aww no problem.

Nico: Maybe you guys weren't paying attention yesterday. But we got a new problem now. Lego Joker, Lego Harley, and Lego Killer Frost were sent to God knows where!

Me: Actually I did a scan earlier and found out that they are on Apokolips.

WE GASPED!

Nico: The Homeworld of Darkseid!? That's a death sentence!

Qin: Oh man!

Me: Nico remember that Lego Darkseid and his followers are in the M.O.E.?

Nico: Yeah?

Me: Well if my hunch is also correct, the Lego Justice League might be there too. So Evil Sasuke is probably there as well.

Qin: You're right.

Me: And with the tracers on them we'll follow them like following a trail of bread crumbs.

Nico: Very genius! Now that Team Buktu has been exposed, we can start looking for them.

Me: And killing them all in one fell swoop. But Alecto Slytherin still made a clone. So Nico looks like we're going to kill the Evil Sasuke on Ino's day after all.

Nico: The Clone. And then we'll take them all down tomorrow.

Jonny 2X4: RIGHT ON! My day is tomorrow!

Nico: I was also talking about finding the Lego Justice League.

Me: Yep. Like I said, they will lead us right to them.

Nico: And we haven't seen the Lego Justice League since we fought Lego Brainiac.

Pinkie Pie: I know! Feels like forever!

Xenia: I know!

Nico: (laughs) Can you believe it? Me worrying about the Joker! Crazy, huh?

Me: (LAUGHS) Very crazy.

Nico: Yeah.

We walked around.

Me: Hey look.

We saw Ben, Gwen and a man with black hair and a green shirt.

Me: There they are.

Ben: Guys you made it!

Gwen Tennyson: Look at Grandpa!

We saw Max and he WAS YOUNGER! HE WAS NOW LIKE HE WAS 10!

WE GASPED!

Max: (Younger Voice) Boy I feel amazing! I feel like a kid again!

Me: Well look!

I showed a mirror and he gasped!

Max: OH WOW! I feel amazing and I'm a kid again!

Me: You sure are! What happened?!

Ben: Grandpa, me and Gwen aren't 10 anymore. So, you're acctually shorter than us.

Max: I know! But I feel great.

Man: I think I can answer that.

We looked at him.

Me: Yes?

Hector: My name is Hector. But my real name is Francisco Cortez.

WE GASPED!

Jessie Knudson: But that's impossible! You can't be him. He disappeared back in the 16th Century!

Me: But how can you be him after all these years?

Hector: I should explain.

He did so.

* * *

Based on the inscriptions shown at the beginning of Don't Drink the Water, Hector was born in the year 1506. He was chosen to guard the Fountain of Youth by Juan Ponce de León over 400 years ago, being kept young by its mystical water. Unfortunately, Hex was able to force him to reveal its location. He had led a lonely life because if he became attached to anyone they would grow old while he did not, and warned a then-10 year-old Max Tennyson (rejuvenated by the Fountain of Youth) not to long for his kind of life. When the fountain was destroyed by Ben as Heatblast, Hector revealed that the effects of its water would gradually reverse themselves after a while. Liberated from his mission of protecting the Fountain, he was able to live a normal life again.

* * *

We were shocked and absolutely amazed.

Qin: You're over 500 years old!?

Hector: Yes drinking the water from the Fountain of Youth will allow me to live forever.

Me: WOW!

Nico: That's amazing!

Hector: But it was decided back then that it would remain a secret. I alone was chosen by Ponce de Leon and bound by honor to look over it for all of eternity.

Young Max: That was you as that Spanish soldier carved into that inscription.

Hector nods.

Young Max: Staying young forever... ...now that's a dream come true.

Hector: More like a nightmare. I have been unable to fall in love... ...to have a family like yours knowing they would grow older while I did not. Time is your friend, not your enemy. Appreciate what you have.

Me: We actually know the feeling ourselves. All of us on the team are immortal and we'll be eternally young. I've lived for over 150,000 years and I still have been able to fall in love and all that.

Ben: It's been a long time, hasn't it?

Hector: It has been a while hasn't it Ben. And you have grown amazing and strong. Same to you Gwen.

Gwen Tennyson: It has been a while.

Me: Hex is now in the M.O.E. And he is not going to come after the Fountain of Youth anymore.

Nico: Yeah.

Hector: That's good.

Me: But you have so much history to teach everyone here. You are living breathing proof that you found the legendary Fountain of Youth.

Qin: Yeah.

Albedo: That is true.

Hector: (to Albedo) You must be Ben's former evil twin. You did good exposing your former team. But now, they'll probably be unhinged.

Albedo: Stane won't.

Me: No because he's our mole in Team Buktu.

Hector: That's good. Team Buktu is a menace.

Me: Yes it is. And Hector, Kang the Conqueror may have given me my powers and my Immortality and Invincibility, but I live life to the fullest every day and beyond. I am still human like everyone else.

Nico: That's true.

Hector: Yes and I'm glad.

Lincoln: Okay, guys, we're here for one intense battle, we're here in Florida to help Sweet Leaf unlock her Rainbow Power and take down Old Lady Munson who's back for revenge on us.

Me: Even though I was taught to respect my elders, Old Lady Munson's an exception, she's just like Scoots!

Nico: That's for sure.

We had all of TLPS and The MOE with us.

Me: (CRACKS KNUCKLES AND MUSCLES BULGE) Well, she's in for one nasty surprise.

Nico: Now, you're talking!

Hector: Old Lady Munson?

Me: Her name is Annie Lucia Munson. She's our teammate Coop Burtonburger's former next door neighbor and she is a really grouchy and rude old woman.

Coop Burtonburger: Yeah she has hated me for doing stuff I didn't do. But her granddaughter Fiona has a huge crush and loves me.

Me: Aww that is adorable. But Munson thrashed Billy when we first met.

Billy: Yeah it was awful.

Me: Oh speaking of which, Coop are you still mad at your dad and your sister for everything that happened to you?

Coop: No I've forgiven them. But I'm not ready to come back into their lives yet.

Me: Well it'll take some time. But just give them another chance when you're ready.

Coop: Okay.

Hector: What happened?

Me: Well it's hard to explain but it involves a cat from another planet that always got Coop in a lot of trouble and his family didn't believe him. Even his mother.

Coop: My mother is dead actually so it was me, my dad and sister.

We gasped!

Me: Oh no. I'm sorry Coop. We were never told about your mother.

Coop: It's all right. She died in a plane wreck when me and Millie were young.

Me: Oh man. I'm sorry.

Coop: And Kat didn't help matters either.

Nico: I had to choose between sparing her and Billy. I chose sparing Billy.

Me: Well the Grim Reaper was about to probably come for her anyway.

Grim: (Jamaican Accent) He's right on that mon. She was about to die of a heart attack in a few seconds after Nico saved Billy.

Me: Whoa we didn't know that. But we saved you the trouble Grim.

Grim: Indeed mon.

Qin: Wow.

Hector: Ouch. Sorry you went through all that Coop.

Coop: I'll be all right. But thank you guys.

Me: You're welcome.

Ty Lee heard a Pokemon cry.

Ty Lee: Look guys!

We saw a Finizen in the river.

Me: Cool! A Finizen!

She was jumping and doing all kinds of acrobatic moves.

Sheena: Wow! She loves to jump and play in the water!

Ty Lee: Lets see how she likes this.

She jumped and danced and Finizen had her jump and dance along with her. Ty Lee was hopping on her with grace and fun.

Lola: WOW! Ty Lee is amazing!

Mai: Before she and I became part of Azula's team she was a circus performer.

Me: Wow that's right I remember hearing about that!

They jumped back onto the ground.

We cheered for them!

Me: Awesome performance!

Ty Lee: Thank you!

Finizen: That was fun! (DOLPHIN CHIRPS)

Me: Cool!

Ty Lee: You hungry?

She gave her apples and she ate them!

Ty Lee: There. You want to come with me?

Finizen: I would like that!

Me: Awesome!

SpongeBob: I would like to try something with some sailor talk now.

Me: Uh oh.

SpongeBob: (DOLPHIN CHIRPS)

Me: Number 11.

Nico: Yep.

Finizen: I get it now.

Me: Long story.

Qin: Yeah.

THUNDERCLAP!

Me: What the?

We saw a small storm cloud coming. Then out of it came a storm demon! It looked like a gargoyle creature!

WE GASPED!

Qin: Experiment Omega!

Shanan: OH MY GOSH! Not one of them! That's a Baalthorian Stormdemon from the planet Baalthor. They are storm demons that have intense power over the weather.

I formed chains of fire and held her down!

Me: There!

I got out a vial and injected her!

She reverted back and was a girl with neon red hair and had purple eyes.

We wrapped her in a blanket and brought her over.

Edzilla: ED IS STRONGEST THERE IS! (ROARS)

Me: YEAH!

She woke up.

Girl: (Groans) What hit me?

Me: Are you okay?

Girl: I think so.

Me: What's your name?

Erika Sullenburger: Erika. Erika Sullenburger.

Me: The famous weather plane architect! Wow!

Erika Sullenburger: That's right.

Me: Pleasure to meet you.

Shanan: You were turned into what's called a Baalthorian Stormdemon from the planet Baalthor.

She showed a hologram of it.

Erika Sullenburger: (GASP) I remember! I was working on my latest airplane when these men jumped me and everything went black.

Me: The Shredder's footsoldiers.

Sydney: The High Mage is dead though.

Erika Sullenburger: Thank goodness. And good to see you again Sydney.

Sydney: You too.

Nico: I'm guessing you're the strongest out of them?

Erika Sullenburger: Yes I am. I have amazing weather powers and can use all the elements.

Me: Whoa! That is amazing.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new pink and blue clothes.

Erika Sullenburger: I look amazing.

Me: You sure do.

Erika Sullenburger: Where am I though?

Me: You're in St. Augustine, Florida.

Erika Sullenburger: Oh man! But I'm glad the High Mage is dead.

Me: We didn't kill him though. Old enemies of ours did so.

Young Max: Long story on that.

Nico: And frightening.

Erika Sullenburger: I'll take your word for it.

Sheena: Guys look!

We saw a Mega Tyrantrum, Mega Barbaracle and Mega Cradily!

Me: WHOA! Mega Tyrantrum, Mega Barbaracle and Mega Cradily!

Nico: Where did they come from!?

Qin: Must be some of Dark Gale's work!

Sheena: Lets see.

She used her powers and gasped!

Sheena: These are Tina, Cambria and Lily Hidari!

Philip: More of our sisters!

Me: Oh boy! Lets go!

We went to face them.

Shotaro: It's us girls! Calm down.

Mega Tyrantrum used Head Smash

Donkey Kong fired coconuts and bashed her all over with them!

Patrick: DAHAHAHA! THAT GUY GOT HIT IN THE HEAD WITH 20 COCONUTS!

Qin: OUCH!

Mega Barbaracle used Boulder Crush and threw a boulder at me.

I swung a punch and then...

KRASMASH!

I smashed the boulder into a million pieces!

Nico: WHOA!

Poromon: Geez!

Me: You should have seen what I did to a giant hunk of land that Jirobo threw. I smashed it with a powerful punch that can smash a planet into dust!

Nico: HOLY SHIT!

Mega Cradily used Mud Shot and fired mud and drenched May in mud!

KRASPLAT!

May: EW! I AM A MESS!

Manaphy: Mama!

Nico: YUCK!

Me: Okay then.

I snapped my fingers and they reverted back.

Tina was a girl with brown hair and brown eyes and had brown angel wings and had the Tyrannosaurus Memory Symbol and W symbol on her arm and forehead.

Cambria had black hair and green eyes and had brown angel wings and had the Cambrian Memory Symbol with the W symbol on her forehead and arm.

Lily had purple hair and brown eyes and had purple angel wings and had the Dunkleosteus Memory Symbol with the W Symbol on her forehead and arm.

We wrapped them in blankets and brought them over.

Me: Wow!

They woke up.

Cambria Hidari: (Groans) Man what hit me?

Tina Hidari: What hap... OW! MY HEAD! I feel like I got hit by a bunch of coconuts!

Donkey Kong whistled.

Lily Hidari: Man what a rush!

Philip: Are you girls okay?

Tina, Cambria and Lily: BROTHERS!

They hugged them.

Shotaro: Thank goodness you're okay.

Me: You were turned into a Mega Tyrantrum, Mega Barbaracle and Mega Cradily by Dark Gale.

Tina Hidari: Oh man! We were fighting one of the Shinkengers enemies.

Me: The Japanese Samurai Rangers team! Wow!

Cambria Hidari: Yeah it was this hammerhead shark one.

Eli: WHOA! That's Urawadachi!

Me: I don't think we ever faced that one before.

Nico: No we didn't.

Me: I had a feeling we didn't.

Philip: And I remember the Shinkengers. They helped us out big time.

Me: Yeah.

Manaphy went up to them.

Lily Hidari: Aw you're a cute Manaphy.

Manaphy: And you got mama wet in mud!

She was covered in mud!

Maria: Here May.

She cleaned her off!

May: Thanks.

Manaphy: Shame on you!

Lily Hidari: I'm sorry about that.

Me: Manaphy calm down. She didn't mean to.

Poromon: What are your rider names?

Tina Hidari: I am Kamen Rider Tyrannosaurus. I have the appetite and power of the meanest dinosaur ever known. I maul them with the ferociousness of a Tyrannosaurus.

Me: WHOA! Ferocious!

Cambria Hidari: I am Kamen Rider Cambrian. I blast my enemies with the powers of all of life from back 550 million years ago.

Nicole: That is cool!

Lily Hidari: It sure is. And I am Kamen Rider Dunkleosteus. I don't know what that is.

Nicole: It's a shark like creature that lived in the Devonian Period over 382 million years ago. It looked like this.

She showed a picture of one.

Lily Hidari: WHOA! That is a scary looking creature!

Nicole: I know. And they were nasty back then too.

Nico: Whoa!

Lily Hidari: Wow no kidding!

Rarity: Lets get you all some new clothes darlings.

The Fashion brigade gave them new clothes.

Tina's were brown and white and she had a dinosaur sword.

Cambria's were brown and green and she had a Fossil Sword.

Lily's were purple and brown and she had a fire sword.

Lily HIdari: We look great!

Me: You sure do.

Manaphy: Shame!

May: Manaphy it's okay. They said they were sorry.

Me: At least it was mud and not coconuts.

May: True.

Nico: We're not done yet.

Me: We have a job to do.

We took off to take down Old Lady Munson.

We were flying in the air, and there we saw Old Lady Munson, and she was out for our heads!

Me: There she is.

Nico: She hasn't changed at all, has she?

Caleb Maxwell: If anyone is ending that old hag, it's me! (DEMONIC VOICE) TIME TO DIE, BITCH!

Me: There's that old badger!

Qin: Yeah!

Me: Time to put you in a nuthouse you old crone!

Nico: Remember us?

Old Lady Munson: YOU RUINED ME!

Me: No you brought that on yourself when you thrashed Billy!

Billy: YEAH! You really mangled me up!

Caleb Maxwell rushed in and threw her into the water with utter malice! Then, he came back to us

Adrianne Acmetropolis: What the Hell, Caleb Maxwell?! She's gonna drown! Allie, your brother's an absolute piece of work!

Allie Maxwell: You sure you're not referring to Drake Maxwell, Adrianne? Because Caleb although he was taught to respect his elders, he had none for Dad's scumbag relatives after finding out they were absolute pieces of trash.

Me: Wait, but why does that water look familiar?

Lincoln: Let's find out.

We landed, and then, we saw Old Lady Munson emerge, but to our shock, she was now an 18-year-old SMOKING HOT BABE!

THE MALES GASPED!

Nico: WHOA! OLD LADY MUNSON'S NOW AN 18-YEAR-OLD SMOKING HOT BABE! She had blond hair and blue eyes and her clothes were too big to fit in and she had a voluptuous frame.

Maria: Wow, that's what she looked like in her youth!? Dang!

Young Lady Munson saw herself.

Young Lady Munson: Why, I'm an 18-year-old smoking hot babe again! But, how? It must be from that water I fell into.

Me: (GASPS) No wonder that water looked familiar, she fell into The Fountain of Youth!

Nicole: No way! And it was right here in Florida this whole time! But we already knew about that.

Fiona: So, that's what my Grandmother looked like in her youth. Wow.

Young Lady Munson: Why, I look amazing again! (Strikes a sexy pose) Like what you see, boys?

Me: WOW! You look awesome! I always wondered what you were like back then.

I showed a mirror to her.

Young Lady Munson: Wow! I had 60 years taken off me! I haven't been like this in years!

She did dancing and moves and more.

Young Lady Monsun: It's all coming back to me! My strength, my speed, stamina, beauty, everything! Wow!

We almost wound up getting nosebleeds. But, the only male who didn't was Caleb as he fired a massive blast of black and red energy at her!

Males: WHAT THE?! CALEB!

But, to our shock, she dodged it!

Me: WHOA! She dodged it!

Then, she did somersaults and...!

POW!

SHE PUNCHED CALEB MAXWELL HARD IN THE STOMACH AND SHE SENT HIM FLYING AS HE LET OUT AN UNHOLY AND

DEMONIC SCREAM OF AGONIZING PAIN AND BLOOD TEARS CAME OUT OF HIS EYES!

Nico: Her strength, flexibility, and reflexes have also been restored to full strength, incredible!

Caleb Maxwell got back up, but he was so angry and so pissed off beyond imagination, even more blood tears came falling down even more from his eyes!

Caleb Maxwell: (GROWLS) YOU OLD HAG!

Me: No this is an old hag!

I fired a wave of energy and separated her old half from her young self.

Me: There!

Old Lady Munson: WHAT THE!? YOU MONSTERS!

Young Lady Munson: (GASP) Is that me!? Was I really that old!?

Me: Unfortunately yes. You were a crazy and grouchy and rude old crow.

Young Lady Munson: I can't believe I was like that!

Nico: For the record, you brought this on yourself for trying to kill Billy.

Young Lady Munson: I know!

Old Lady Munson: You will pay!

Me: You first!

Coop: YEAH! Especially for all the times you hurt me!

Me: I was told to respect my elders but in this case, I'll make an exception!

Finizen charged at her and blasted her with water blasts.

Ty Lee jumped and blasted her with energy blasts.

Ty Lee: Take that!

Tahu got out his Sentai Ring and fired Fire Blasts.

Gali got out her Sentai Ring and fired Water Blasts.

Lewa got out his Sentai Ring and fired Wind Blasts.

Onua got out his Sentai Ring and fired Earth Blasts.

Pohatu got out his Sentai Ring and fired waves of Earth and Stone.

Kopaka got out his Sentai Ring and fired Ice Blasts.

Takanuva got out his sentai ring and fired light blasts.

Laney got out her Sentai Ring and fired waves of leaves, grass and flowers.

Lisa got out her Sentai Ring and fired gears and energy.

Lily got out her Sentai Rng and fired water blasts.

The blasts blasted Old Lady Munson all over.

Hector: Lemme guess. Hero Time, right?

Ben: You know it!

He turned into Clockwork!

Clockwork: (Swedish Accent) CLOCKWORK!

Me: Now to turn you into dust in the wind!

Hector: So that's one of your new aliens?

Clockwork: Ja many more too.

Me: We found out that there are millions of aliens in the galaxy. But there are an infinite number of aliens in over 2,000,000,000,000+

Galaxies.

Hector: WHOA! That's a lot!

Qin: I know!

Clockwork fired a time ray and it hit Old Lady Munson and aged her into a 200-year old woman!

Nico: Huh. Not much changed.

Me: She is now SUPER OLD!

Super Old Lady Munson: Huh?

She then fell into the Fountain of Youth and it made her Old Lady Munson again.

Me: Wow!

Clockwork turned into Cannonbolt

Hector: I remember this one.

Cannonbolt: CANNONBOLT!

He rolled and smashed her down.

Billy: This is for beating me up!

He squeezed his nose.

HONK!

He splattered her all over with a massive deluge of snot!

Horsea squirted ink and blinded her.

Me: You think Lori's fart's smell bad, smell this!

I drank a Mississippi Queen down and then pointed my butt at her!

Me: FIRE IN THE HOLE!

LOUD MASSIVE AND POWERFUL FIERY FART OF INTENSE POWER!

It smashed her down.

Nico: GEEZ!

Me: It may be a potent drink but it does get the job done.

Nico: I'll say.

Qin: Yeah!

Young Lady Munson: That sure is awesome!

Manaphy: I know!

Tina Hidari: Now it's our turn!

Lily Hidari: Lets do it!

TYRANNOSAURUS! CAMBRIAN! DUNKLEOSTEUS!

Tina, Cambria and Lily: HENSHIN!

They transformed!

Tina: THE CARNIVOROUS WRATH OF THE TYRANNOSAURUS! KAMEN RIDER TYRANNOSAURUS!

Lily: THE DEVONIAN TERROR OF THE SEAS! KAMEN RIDER DUNKLEOSTEUS!

Qin: WHOA!

Me: COOOL!

Nico: YEAH!

They fired waves of energy and blasted her all over the place.

Poromon got on a slingshot.

Poromon: Fire!

He fired himself and bashed her down.

Philip: Lets get her!

Philip, Shotaro, Tina, Cambria and Lily: PREHISTORIC STORM BLAST!

They fired waves of energy and life and blasted her down

Nico punched her.

POW!

Nico: Take that you old crow!

Young Lady Munson: Yeah!

Maria fired water blasts and drenched her.

Maria: You are a shameless bitter old crow!

Lola: And your Lawn Gnomes are disgusting!

Ymir: They are?

Coop: They sure are. You should see how many of them she has.

Young Lady Munson: I can't believe I was obsessed with those.

Camie: Yikes.

POW!

May Punched her!

May kicked her in her face!

May: The Goosebumps Lawn Gnomes were much better looking than you!

Manaphy: You tell her mama!

Manaphy hopped on her face and headbutt her!

Manaphy then grabbed her arm.

She made her hit herself with it!

Manaphy: STOP HITTING YOURSELF! STOP HITTING YOURSELF! STOP HITTING YOURSELF! STOP HITTING YOURSELF!

Terk: THE FUN HAS ARRIVED! Thank you very much!

Me: YEAH!

Old Lady Munson slapped her. But Manaphy dodged her!

Manaphy: HA! YOU MISSED!

She slapped at her again and missed!

Manaphy: MISSED ME MISSED ME! NOW YOU GOT TO KISS ME!

She kissed her full on the mouth!

SMOOCH!

Old Lady Munson: (SPITS AND GAGS)

Horsea went up to her.

Horsea: Hey you crackerface! You want some of this!

She fired Ink into her mouth and it tasted terrible!

She spit all over the place!

She tried stabbing her. But she missed and Horsea kicked the knife out of her hand.

Horsea: HA HA! You think we're scared of you!? You're nothing but a worthless piece of shit garbage! Nobody likes you! You're nothing but a worthless piece of dirt old lady that gets a sick thrill out of makng other's miserable and you only like your pathetic lawn gnomes! You're a stupid piece of dirt shit! Young Lady Munson: YEAH YOU TELL HER!

Old Lady Munson roared in rage and fury!

Maria: Nice job, Horsea!

Old Lady Munson: YOU SHUT UP YOU STUPID DUCK!

DONALD DUCK THEN EXPLODED INTO ONE OF HIS TANTRUMS!

Donald Duck smashed a piano on her and then punched and bashed and pulverized her all over!

Mevya went up to her.

Mevya: SMELLOGRAM!

LOUD NASTY BELCH!

He belched into her face!

Mevya: That's what you smell like you dusty old wrinkled sack of prunes!

She tried choking him but he slipped out of her hands.

Mevya: HA! Trying to grab me is like grabbing a bar of slippery soap!

Hippowdon: CANNONBALL!

He crashed onto her and then...

SICKENING BONES CRUNCHING!

ALL THE BONES IN HER BODY BROKE!

Old Lady Munson: (SCREAMING) MY BODY!

Nico: That's the least of your problems!

Young Lady Munson: YEAH! And from now on I am not going to be a grouchy old shrew like you! I am going to treat others with love, kindness and respect! I will be the opposite of you!

Xenia: YEAH!

Horsea: You tell her!

Qin: YEAH!

Old Lady Munson growled and then screamed with fury!

Then, the skies turned black and red with darkness and madness and he made blood rain down, and it tried to get into The Fountain of Youth's waters, but its power was too great for Caleb's demonic blood rain!

Nicole: Wow! The great power of The Fountain of Youth easily took down the demonic blood rain of Caleb Maxwell.

Caleb Maxwell was starting to get even more pissed! But, Young Lady Munson stood her ground.

Old Lady Munson: Well, what are you waiting for, you stupid psycho? (Smirks) Bring it on.

THAT DID IT!

Caleb Maxwell: WHY YOU! HOW DARE YOU FUCKING MOCK ME!

Old Lady Munson: I can mock you however you want, you're just a dead man who lost his life and was never even popular to begin with! I'm sure your family was glad to see you die!

WE GASPED IN HORROR!

Marlene Maxwell: YOU ROTTEN TWISTED BITCH!

THE SKIES TURNED EVEN REDDER AND THE WATER ON THE BEACH SUDDENLY TURNED RED WITH BLOOD!

Caleb Maxwell: You absolute good-for-nothing hag! Having that kind of nerve to say that about me about who I was in the past! I knew that Mom taught me to respect my elders, but after seeing Dad's relatives for the piles of shit they were, I realize that people like that no matter how old they are deserve no respect from me!

SUDDENLY CALEB MAXWELL STARTED TO GET MEGA PISSED OFF!

Caleb Maxwell: (GETTING PISSED OFF) But you! You're also just like them, you're not worthy of any respect, you're just another person I wish to see dead! You deserve a million deaths, you deserve to suffer unendurable horror and dread throughout every single waking moment of your damn life, but above all! (DEMONIC VOICE) YOU DESERVE TO DIE BY MY HAND!

CALEB MAXWELL FINALLY LOST IT BIG TIME AND FIRED A MASSIVE BARRAGE OF BLACK AND RED ENERGY BLASTS WITH ABSOLUTE HATRED IN HIS HEART! BUT, OLD LADY MUNSON DODGED THE BLASTS YET AGAIN!

CRACK! HER BACK CRUNCHED!

Me: OOH! OUCH!

Qin: YIKES!

Old Lady Munson: MY BACK!

Me: Jesus! (To Allie Maxwell) Your older brother's got a short temper!

ENRAGED SCREAMS!

THEN, WE HEARD ALLIE MAXWELL AND MARLENE MAXWELL ALONG WITH TYLER MAXWELL AND ALEXANDER MAXWELL LET OUT ENRAGED SCREAMS AND THEY WENT AT OLD LADY MUNSON, BUT THIS TIME, SHE WASN'T ABLE TO DODGE THE NEXT BARRAGE OF ATTACKS FROM CALEB MAXWELL, AND SHE GOT HIT WITH AN ENERGY BLAST TO THE CHEST!

Old Lady Munson: Ouch...!

Caleb Maxwell: (Demonic Voice) And now, I am going to end you once and for all, you're gonna die a slow and painful death!

Suddenly, Caleb Maxwell formed The Death Ball in his left hand, but it was the size of The Sun! HE WAS COMPLETELY OUT OF HIS MIND AND REALLY OUT FOR BLOOD!

Caleb Maxwell: (Demonic Voice) NOW, DIE AND MAY YOUR ENTIRE FAMILY'S BLOODLINE BE WIPED FROM THE FACE OF THE EARTH!

Caleb Maxwell fired The Death Ball to kill Old Lady Munson as he was cackling insanely!

Lori: Allie, has your brother literally lost his mind?! If he kills her, he'll wipe all of Florida off the map!

Allie Maxwell suddenly snapped out of it!

Allie Maxwell: (GASPS) Oh shit!

Allie Maxwell ran and she held back Caleb's Death Ball, and with a mighty yell, she punched The Death Ball and sent it flying out into space where it exploded with incredible power, and that very powerful explosion also caused the skies to clear and turn back to normal, but Caleb got hit by the shockwave released and was sent flying down to the sandy beach. He got back up, but he was still demonically pissed off at Old Lady Munson!

Caleb Maxwell: Don't you dare think you're getting out of this alive, you old hag!

James Blunt: I'll stop Caleb.

Lincoln: Wait, here, Mr. Blunt.

Lincoln got out a large bottle of blood, but it was a neon glowing red color and he gave it to James Blunt who drank it all down. Suddenly, he felt a massive surge of pure undeniable power surging through his veins!

James Blunt: (GROWLS) Oh man, I feel even stronger than ever! What was that?

Lincoln: 100% Pure True Alpha Vampirairan Blood, and this stuff is really strong and powerful!

James Blunt: Honestly, even if you had changed in appearance, if your heart is still as rotten as your personality, that's something that can be changed through deep reflecting of your actions, but since you hadn't changed your ways, you turned into a rotten old hag with a mean heart and a meaner personality.

SUDDENLY, JAMES BLUNT STARTED GETTING SUPER PISSED OFF AS HIS ENERGY AURA FLARES UP EVEN MORE AND HIS MUSCLES STARTED TO BULGE AND GROW MUCH LARGER!

James Blunt: And after what you said about Caleb, you caused the young man I took in after his return from the dead to turn into an absolute demon and almost destroy Florida, and for that, I'm gonna enjoy beating you into a bloody pulp for this!

James Blunt: (Divine Heavenly Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Cosmic Star Divine Darkness Dark Hellfire Bloody Darkness True Alpha Vampirairan Blood Fire Storm Fury True Seraphim God Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope,

I feel even more powerful than a regular newly turned vampire and pureblood vampire, and all my powers have gotten infinitely stronger than ever.

Caleb Maxwell: (To Old Lady Munson) You...! You...! YOU MISERABLE ROTTEN BLACK-HEARTED HAG!

CALEB POUNCED ON OLD LADY MUNSON AND HE PROCEEDED TO BEAT HER TO A PULP WITH SWINGS OF HIS FISTS AND HIS GUNS, AND WE SAW IT: HIS EYES WERE CRYING OUT TEARS OF BLOOD EXCESSIVELY, HIS NOSE WAS BLEEDING AND BLOOD WAS COMING OUT OF HIS MOUTH AND HE KICKED OLD LADY MUNSON HARD AND SENT HER FLYING!

Caleb Maxwell: YOU DON'T KNOW A SINGLE DAMN THING OF THE HELL I WENT THROUGH, AND YOU HAD THE DAMN GALL TO SAY THAT MY FAMILY WAS GLAD I WAS KILLED?! YOU'RE SO FULL OF SHIT! (ENRAGED SCREAM) YOU'RE SO FULL OF SHIT! MY FAMILY MISSED ME DEARLY WITH ALL THEIR HEARTS ON THE DAY I WAS KILLED, I WAS LOVED BY MY MOM'S FAMILY, BUT HATED BY MY DAD'S HEARTLESS FAMILY! EVEN MY OWN DAD LOVED ME DEARLY, BUT I WAS! I WAS...! (Suddenly started to finally break down) (Voice Breaking) I was...!

This was it: Caleb's ultimate breakdown.

Caleb Maxwell: (Voice Breaking) I was betrayed and beaten to a bloody pulp at every turn by my ex-younger brother, Drake Maxwell, who gave into the evil that my Dad's family carried ever since my final year in Middle School in 1979, I was betrayed by those who called themselves my friend only to reveal their true colors and everyone treated me like trash...! It went on for the four years I was in high school, my innocence was truly lost when I had to kill my fellow students and teachers, and in college, my nightmares didn't even stop, they only got worse and worse. I lost so many good friends, true friends who stayed with me to the very end, and the final days of my life, I knew in my heart that my dream was dead, it would have helped no one if I were to die a year later, only to find out I would die much sooner than that, and the days I killed my brother's bodyguards, and I shot my own brother in the stomach and let my own hatred guide my actions.

He was starting to cry and open up.

Caleb Maxwell: (Voice Breaking) My own future, my own dream was dead, and the night before I was killed, I was too angry at the world and every living soul in it, I wanted to see the world burn along with all those who made my life Hell. But, that night, that night that would be my last, the calm I had was replaced with a clarity, like I knew my life was finally over, and I let my old self: the one who always cared about others instead of myself come out, and in the end, I saved the two vampires I met even at the cost of my own life.

We saw it for ourselves, and that really hit us real hard in the heart: now we were really seeing the true Caleb Maxwell: the one who was severely broken by all his tragedies and depression back in the past.

Nico: Oh man...! So, this is...!

Me: The Ultimate Breakdown of Caleb Maxwell: his true meltdown.

Young Lady Munson: Oh man poor guy. He went through a nightmare.

Fiona: He sure did.

Caleb Maxwell: (Voice Breaking) Even after all this time, I...I knew there was no escaping my own past, no matter how many times I fight back, I was always destined to be alone. The happy, bright, determined child back in the late 1960s...is gone, and in his place is just a...broken shadow of that little boy.

Caleb Maxwell was gripping his hands so tightly, his gold-armored dragon claws punctured the palms of his hands and really drew blood. Suddenly, James Blunt walked up to Caleb Maxwell who didn't bother to look and he was blinded by his blood tears.

Caleb Maxwell: So..., this is it: this is the end of everything I'd regained, I knew this was always to be my fate no matter what: always being alone, no longer surrounded by family or friends, despised at every turn, no one there to help me anymore, and destined to lose everything just for being caught in a raging tornado of evil, toxicity, and chaos. I...!

But, then, James Blunt placed his left hand on Caleb's right shoulder, and a flashback occurred as we saw it for ourselves: it was on the very day James Blunt found out about Caleb's past back in 1993 and every last talk they had.

Past James Blunt: Caleb, what you went through, this wasn't your fault. I admit that you didn't tell your Mom about everything you went through when that whole nightmare began for you in 1979 and throughout 1980 to 1985, but that doesn't make it okay for you to keep everything bottled in and try to deal with it yourself. It may not be the place for a vampire to tell a mortal that, but you, you're among the very mortals who's been part of our world since the late 1940s, and thus, you're now one of us.

Past Caleb Maxwell: I...! (Sighs) Y-you're right..., Mr. Blunt. All these years..., I kept everything so bottled up inside me and tried to deal with it myself, but in the end, it poisoned my outlook on life and everyone around me, and in the end, it wasn't just Drake who ended my life, it was also the very poison inside me that ended me: the poison of bottling up all the chaos, all the evil, and all the toxic nightmares I had seen.

The flashback ended.

James Blunt: (Divine Heavenly Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Cosmic Star Divine Darkness Dark Hellfire Bloody Darkness True

I knew that you had a very dark and tragic past, but hearing it from your mouth, that not only proved everything I heard from my contacts, but from how you said it, it was far darker than anyone could realize.

Suddenly, James Blunt wrapped his left arm around Caleb Maxwell and picked him up and hugged him.

James Blunt: (Divine Heavenly Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Cosmic Star Divine Darkness Dark Hellfire Bloody Darkness True Alpha Vampirairan Blood Fire Storm Fury True Seraphim God Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Cosmic Star Divine Darkness Dark Hellfire Bloody Darkness True Alpha Vampirairan Blood Fire Storm Fury True Seraphim God Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) But, at the very moment of your death in 1985, you didn't let that poison from your past inside you win, instead, you got Cage and Travis out of the way even though they're vampires and can't die from gunshot wounds. That night, you let your old self out: the bright, determined child who always wanted to help others, even if it were to cost you your own life. When Cage and Travis saw that moment of your façade finally shattering and revealing the true you, they also saw what kind of person you really are: someone who was crying out for help, not the person you called yourself. (Smiles Gently) There's no need for you to hold on to that damnation that you forced on yourself when it wasn't your fault, Caleb. You can let go of the toxic ties that destroyed you long ago.

Those were the very gentle words that finally caused Caleb Maxwell to break down and he cried his heart out as he cried hard onto James Blunt's chest.

Me: (Stunned) Wow...!

Fiona Munson: Man he had it really rough.

Cage Blunt: Dad finally broke the final toxic tie in Caleb's heart. Now, Caleb's finally freed at long last.

Travis Tackett: Everything he said, that was the very word that broke the final toxic tie in Caleb's heart, now his heart can finally be healed.

Suddenly, Caleb Maxwell began barfing up tons of dark red blood mixed with black liquid: this was the manifestation of all the toxicity he had to deal with from Drake and his high school classmates and teachers who ostracized, the chaos of losing his true friends, and all of the pain of the past he'd been forced to endure.

But, then, the dark red blood mixed with the black liquid went into a portal Caleb opened up which led to Team Buktu's HQ, and through the viewing mirror from Beast's Castle, we saw the dark red blood mixed with the black liquid come through and it went into Scott, Evil Sasuke, Evil Jimmy Neutron, and Tim Buktu and they screamed in absolute pain and agony, and the sclera of their eyes turned black and their eyes turn crimson red, and they let out demonic screams of pure rage and anger!

Me: WHOA! HOLY SHIT!

Nico: WHAT THE HELL WAS THAT?!

Caleb Maxwell: (Coughs up more dark red blood mixed with black liquid) It's a result of the severing of the final toxic tie in my heart.

Normally, I would ask you to banish it to The Black Abyss, but this would serve as an advantage. J.D., I know your plan's working, those idiots think they're wining, but in truth, they're going to lose, and that dark red blood mixed with black liquid will also make sure of that. Their true natures will be amplified infinite-fold and they'll forever be labeled as nothing more than heartless, toxic, powerhungry, monstrous, evil fucked-up assholes with hearts of cruelty and darkness, and this is also payback on Scott from me for making Rarity cry and unleashing Nightmare Rarity.

OUR JAWS DROPPED TO THE SAND!

CLANG!

Lincoln closed our jaws using telekinesis.

Lincoln: Oh, I just knew you weren't going to let that go in the slightest, Caleb, I may have gotten my payback on him two days ago, but you. If you didn't snap at Young Lady Munson, then your revenge would've been ruined.

Suddenly, Caleb Maxwell exploded with power and he was surrounded by a massive vortex of black and crimson red, white, golden yellow, and blue energy with stars, aura energy, white, golden yellow, and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, and blood surrounding the vortex, there are vampire bats, phoenixes, and angels flying around the vortex, and in the vortex is a red phoenix with blood red eyes glaring at Old Lady Munson: the blood red eyes of eternal death, eternal damnation, and eternal judgement, and we saw heavenly lights shining down on the vortex.

Then, as the vortex and heavenly lights faded, Caleb Maxwell emerged, but he was forever changed.

Yet, I feel as though all of the darkness I once carried in my heart is truly gone.

Ichigo: That was because of Cage's dad breaking that final toxic tie in your heart. You still carried it even after you killed that nightmare version of Drake Maxwell.

WE GASPED!

Me: What? Rukia, is Ichigo...?

Rukia: He's right.

Lincoln: So, that's why I still felt that horrific darkness, but now it found a new home inside Team Buktu, and soon, they'll no doubt go insane.

Lincoln: I had a surprise planned in case this would happen, and I also alerted them of Aizen's return along with his men.

Me: Wait, you traveled to The Spirit World? Why didn't you ask me for help?

Rurika Matsumoto: I know of your past adventures with The Soul Society, but I think Lincoln had a reason: do you remember when you defeated Aizen and his men twelve years ago?

Suddenly, I remembered.

Me: Oh God, I remember.

Saijin Komamura: Yes, that day when Aizen and his men attacked, you and Ichigo Kurosaki defeated him and sealed him away, J.D., and the rest of his dishonorable men hated you since then. And when we heard of what Team Buktu was planning, Lincoln asked us for help especially since there's also the matter of Darkseid as well.

Now, it's my turn, let me at her.

Super Brother went after Young Lady Munson and he fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Young Lady Munson and they exploded with incredible power as they hit her.

Super Brother also attacked her with his massive greatsword, and he mixed up his attacks with left hand punches, kicks, tail swipes from his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were brutal than ever, and he fired intense fire and elemental blasts at her and they explode with fiery and intense power and he, Lincoln, and I really trashed Old Lady Munson with really immense godly superhuman strength.

Old Lady Munson was really thrashed all over the place.

James Blunt: (Thinking) Even after all the damage we did to her, Lincoln, Super Brother, and J.D. also did the same thing damaging her big time, impressive work.

Caleb Maxwell: (Thinking) Yep, and soon, my two brothers are gonna initiate their demolition derby spree.

Then, Lincoln used telekinesis and lifted Old Lady Munson into the air, and suddenly, three massive fire auras surrounded me, Lincoln, and Super Brother, and the flames were extremely hot and intense, and the flames covered the 620'11" massive, wide, double-edged hulking gold blades.

Nico: Wait, what are they?

Rukia: I'd recognize the flames from anywhere. They're going to use one of Captain Yamamoto's techniques against her.

Lincoln, me, and Super Brother: Jōkaku Enjō!

Lincoln, me, and Super Brother created an immense wall of flame, which surrounds Old Lady Munson and formed a huge contained sphere of flame which imprisoned her, but we weren't done yet.

Lincoln, me, and Super Brother: Taimatsu!

Then, we swung our massive greatswords and fired a wave of immense fire that hit the wall of fire and formed into a great inferno and with great precision, Old Lady Munson got burned badly, and when she came down, she was dizzy and mangled big time.

Nico: Incredible.

Genryūsai Shigekuni Yamamoto: Well, well, well, you've practiced and perfected my techniques in these past few years, J.D.

Saijin Komamura: I knew of J.D.'s power over fire, and he used our captain's techniques before, but he also practiced and perfected the captain's techniques. He truly has gotten stronger and more skilled, and even trained Lincoln in using the techniques as well.

Suddenly, Lincoln was surrounded by an immense golden yellow aura with sunlight and light and with wolves surrounding him as The Sun shined even brighter and heavenly lights shined down from Heaven.

Eli: He's about to use The Atavism of The White Wolf of Amaterasu again!

Lincoln: (Speaking in Japanese) 私は日光と天に呼びかけ、この恐ろしい悪の忌まわしい存在を倒し、永遠の破滅の地へ送り届けます。祝福された者の魂が立ち上がり、強力な狼の姿をとって、罪人に永遠の罰を与え、永遠に冥界の闇へ送り届けますように。私の歌が天の審判をもたらし、この忌まわしい存在を永遠の安息の地へ送り届けますように。(I call upon the light of day and The Heavens to bring down this terrible abomination of evil and send her to her place of eternal damnation! Lincoln sang a heavenly song and let out a howl as immense light shined down from the sky, The Sun, and from the Heavens and formed into white wolves with glowing golden yellow markings and they ran at Old Lady Munson and attacked her with fierce fury.

Saijin Komamura: The Atavism of The White Wolf of Amaterasu, it has been many centuries since I'd last seen it.

Suddenly, I was surrounded by an immense orange and yellow aura with flames and with wolves surrounding me as The Sun shined even brighter and heavenly lights shined down from Heaven.

Eli: What the!?

I sang a heavenly song and let out a howl as immense light shined down from the sky, The Sun, and from the Heavens and flames rose from the ground and they formed into orange wolves with glowing golden yellow markings and they ran at Old Lady Munson and attacked her with fierce fury.

Eli: WHOA! What kind of Atavism is that?!

Varie: The Atavism of The Orange Wolf of Eternal Fire! I remembered seeing it before!

FLASHBACK TO ELEVEN YEARS AGO

Varie: (Narrating) I saw that very Atavism eleven years ago when J.D., Sakura, and I were in high school along with some of his old friends, and back then, we dealt with a dangerous bastard from our class.

Then, the image of a cackling insane twisted young man with black hair showed as he was killing disabled kids like crazy!

Sakura Knudson: (Narrating) That guy's name was an insane murderous racist asshole by the name of Yoshinobu Sago, he was the leader of an organization of right wing extremists called The Gokoku Sotenkai, they were twisted in the head, and their ideal was to kill the weak and make the country great again, it was similar to the idea of eugenics, and he found out about The Bubble Period of Japan, that was the darkest period in Japan's history, and he wanted to bring that idea to America by killing all disabled, weak, and sick men, women, and children.

Nico: That guy is sick in the head, he and his entire organization!

Varie: That's for sure, Nico. (Narrating) Anyways, after we stopped Sago from trying to target a clinic in Colorado, he tried to shoot us and everyone there since their attack failed. But, then, J.D. used The Atavism of The Orange Wolf of Eternal Fire, a fire elemental version of The Atavism of The White Wolf of Amaterasu, and he summoned orange wolves with glowing yellow markings, and they killed all the members of the Gokoku Sotenkai, and finally, J.D. and his orange wolf army killed Sago and the wolves dragged Sago's soul and the souls of his entire organization to Hell for good.

Past Me: Maggots...! Burn in Hell, all of you!

FLASHBACK ENDS!

Nico: Oh man, I had no idea about that power J.D. has, and I heard about that incident. Sago was one sick twisted individual, he should've been killed years ago, but death finally caught up to him.

Varie: We swore that if Sago and his organization of maggots come back, we will send them to a place far worse than Hell.

Then, I held out my left hand and fired 999 massive balls of fire at Old Lady Munson, and they collided and exploded as they hit her, and I also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

Finally, I formed a massive blue fireball in my left hand and I threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

KRABOOM!

IT EXPLODED IN A MASSIVE FIERY EXPLOSION OF BLUE FIRE AS IT ROSE UP INTO THE AIR AND THE EXPLOSION ALSO HIT OLD LADY MUNSON AND PILLARS OF BLUE FIRE ROSE FROM THE GROUND AND HIT HER AND SHE GOT BURNED!

Alexander Maxwell and Tyler Maxwell: THAT WAS FOR THOSE HEARTLESS WORDS YOU SPEWED AT OUR ELDER BROTHER, YOU OLD HAG!

But, then Old Lady Munson charged at Alexander Maxwell and Tyler Maxwell and...!

Nico: Ew, burnt flesh and hair.

Qin: P.U.!

Suddenly, Lincoln fired more fire blasts at Old Lady Munson and burned her badly.

Saijin Komamura: Impressive work. Allow me to also join in.

Suddenly, Saijin Komamura transformed causing him to gain angular metal shoulder pads segmented into three progressively larger segments, black ropes encircling his upper chest and the air behind him identical to those of Kokujō Tengen Myō'ō, a gray metal wristband etched with vertical lines on his right wrist and the left pauldron of his original armor set on his left hand and wrist, a yellow sash diagonally encircling his chest from his left shoulder to his right hip, and a tattered version of his haori forming a cloak around his waist, with his fur turning red with a lighter patch on his chest and jaw, the back of his neck gaining a short mane of lengthened fur, and fire emitting from Komamura's mouth and ears while he wields a proportionally smaller version of the sword of Kokujō Tengen Myō'ō.

Nicole: That's...!

Rukia: In an alternate universe, Captain Komamura gained that power, a power beyond Bankai, and our universe's Captain Komamura gained it thanks to your father, Nicole.

Saijin Komamura attacked Old Lady Munson with fiery slashes of his sword which emitted blasts and streams of fire with every swing.

Then, Lincoln joined them and he let out a war cry that thundered all over the place, and the warriors also bellowed out a war cry and they rushed at Old Lady Munson and they began attacking her with their claymores, war swords, and greatsword.

Rayman fired a barrage of purple energy fists that attacked Old Lady Munson with swift fury and brutality.

Old Lady Munson: YOU WILL NEVER WIN! DO YOU HEAR ME?!

Nico: Oh, that's a good one. Look who's talking. Caleb, do it.

That was the signal: Caleb Maxwell finally lost it and he let out a horrendous string of curse words and foul language at Old Lady Munson, and it was absolutely horrific, and it spread to The Keyblade Graveyard and to Anti-Monitor's HQ along with the world where Team Buktu was at, and when Anti-Monitor and his minions heard it, they all screamed in utter horror and their ears were bleeding like crazy!

When Caleb was done with his rant, Old Lady Munson was literally bleeding from her ears and blood was spurting out of her ass!

Eli: OH MAN!

Maria: OH MY! (BARFS)

Marlene Maxwell: Nice one, Caleb! (To Old Lady Munson as she flips her the middle finger) And up yours, you hag!

Me: And that's that.

Nico: That'll teach her. Now, for the second part of business.

Sebastian Mendez: But first, I got to do this.

Sebastian Mendez made a beam of light which went into Lincoln and removed more negative and irrational emotions which were planted in there by Alecto Slytherin and destroyed them.

Lincoln: (Groans) I can't believe it, I may have been permanently purified thanks to going into The Palace of Eternal Purification, but Alecto Slytherin decided to fuck that up big time.

Me: What a fucking snake.

Lincoln: Which is why later on today, we are going after Alecto Slytherin and we are getting rid of that fucked-up racist snake once and for all!

Me: WHOA MAN! I KNEW IT WAS TIME FOR THAT!

Nico: But, where is he at?

Lincoln: Hogwarts, ever since he fled, he'd been hiding out there and he's planning yet another attack on Hogwarts to avenge his ancestor. But, that'll be where he draws his final breath.

Eli: About damn time.

Lincoln: I am not going to let that damn snake live any longer, today, he dies for good.

Me: Yep.

Horsea: I wonder what would happen if a Pokemon got exposed to the water.

Lola: I think you would be turned back into an egg.

Horsea: I think you're right on that.

Qin: Yeah.

Fiona Munson: Thanks guys.

Qin: You're welcome.

Xenia: Wow that was awesome.

Lola: It sure was.

Annie Munson: You guys can just call me Annie from now on. Young Lady Munson sounds too crude.

Me: Okay then.

Lola: Good idea.

Finizen: That works.

Nico: Nice job, Finizen.

Finizen: Thanks Nico! It was cool!

Me: It sure was.

LOUD NASTY HORRIBLE FIERY FART!

I accidentally farted in May's face.

Me: Oops sorry May.

May: No worries. (COUGHS)

Poromon: Want some beer?

Finizen: Oh no thanks. But you got any Grog?

Me: That we can do.

I made him some grog and he drank it and got drunk.

Finizen: (BARNEY GUMBLE BELCH)

Mr. Krabs: (LAUGHS) Another Grog Buddy.

Barney Gumble: Welcome to the party! (BELCH)

I reverted him back to normal.

Poromon: We're doing something later.

Nico: Ok. Is it going to a whorehouse, getting involved with drugs, showing kids Robot Chicken sketches, or making beer robots?

Poromon; NO! None of those!

Homer: Aw I wanted to see beer robots.

Poromon: We're doing Brain Teasers.

Me: Ooh those riddle like math problems.

Poromon: Yep.

Me: Nice!

Nico: Oh, Wire Sponge, what do you like to do in your free time?

Wire Sponge: Oh didn't you hear? I'm a fry cook now at Lynn's Table. I like making Krabby Patties and more foods.

Qin: Cool!

SpongeBob: (LAUGHS) Looks like we have so much in common too.

Varie: I'll say!

Sheena: That is awesome!

Annie Munson: It sure is.

Qin: Yep.

Annie Munson: After this I have a lot to make up for and help redeem myself. It's time to start my life fresh and with a new vigor.

Me: Love that spirit!

Nico: Now for the Anothers.

Lincoln: (Sensed The Anothers) Ah, and The Anothers are coming.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is The Avatar of The Little Card.

Nico: Uh..., she's not...?

Lincoln: Nah, she's human sized.

Nico: Phew. Thank God, I don't want any of us to step on her.

Me: That woud not be good. So Wire Sponge, SpongeBob the Strong, Neptune, Princess Mindy, Pearl Krabs, Mrs. Puff, Larry the Lobster, Squilliam, Patrick, Sandy, Mr. Krabs and Squidward are up and we're facing Another Soap Sam, Bubble Poppin Boys, Lord of Atlantis, Universe 666 Morgana, Clam Head Candy Cad, Helen the Felon and Slobster.

Nico: Yep.

Lola: Cool!

Nico: There they are!

With a West Side Story style entrance while snapping their fingers came Another Bubble Poppin Boys, Lord of Atlantis, Universe 666 Morgana, Clam Head Candy Cad, Helen the Felon and Slobster.

Me: Nice entrance.

Qin: Yeah!

Annie Munson: Loved West Side Story.

Me: Yeah!

Another Lord of Atlantis: (In a girls voice) Awesome play there.

They reverted back and were the gene-slammers of Paladin of White Dragon and Paladin of Cursed Dragon!

Nico: Sierra and Gloria Paladin! Wow!

Sierra Paladin: Good to see you again Nico.

Gloria Paladin: Same here.

Me: The gene-slammers of Paladin of White Dragon and Paladin of Cursed Dragon! Wow!

Gloria Paladin: That's right.

Me: Awesome to meet you girls. By the way are the rest of the Anothers friendly or hostile?

Sierra Paladin: One is friendly and the other is REALLY hostile!

Me: Uh oh!

Gloria Paladin: And J.D. you are not going to like who it is! It's someone that really has it out for someone named Iruka and Naruto and you.

WE GASPED!

Me: Wait I have a feeling I know who it might be.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

They glowed and the anothers were separated.

Me: Action time!

Rolf: YOU HAVE BROKEN THE CELERY STALK ON THE SPINE ON THE SEA URCHIN!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Rolf: MAY THE FLEAS FROM YOUR COW INFLAME YOUR RHUBARB!

Qin: YEAH!

Nico: And now, we wait. But who do you think the Another Ino is?

Me: I have a really good idea on who it is. It's a former Academy instructor I know with a REALLY BIG FUCKING MOUTH!

Nico: Uh oh!

Lola: We'll find out who it is in a few seconds!

Out came Another Soap Sam and Ino!

Me: There they are.

Qin: Yep.

Another Soap Sam: (In a girls voice) This will be fun.

She reverted back and it was the Avatar of The Little Card.

Lincoln: Tiny Little! Wow!

Tiny Little: Good to see you Lincoln.

Nico: Care to introduce us?

Anna Anyanova: Sure. This is Tiny Little, Avatar of The Little Clow Card, she's Lincoln's Guardian Angel from Japan and she's a very powerful angel who was born with the powers of shrinking, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Little Clow Card, and the magic of Clow Reed. She's The Shrink Master of The Mystic Order of Clow Card Justice, a group of girls who were born with the powers of the stars, the elemental forces, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Clow Cards, and the magic of Clow Reed, and their goal is to not only defend Lincoln, but also defend the world from those who use the powers of dark magic to cause havoc. Tiny Little is a master of the powers of The Little Clow Card and she's a powerful master of the powers of shrinking and magic, and she also defends Sakura from Tory who always he gives her a hard time, and she never messes around. Tiny Little came to Royal Woods where she met Lincoln, and she taught him how to master the powers of shrinking, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Little Card, and the magic of Clow Reed, and over time, Lincoln gained the powers of shrinking, all forms of magic, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Little Card, and the magic of Clow Reed, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's not only used her powers to keep Lincoln's enemies in line, but she also defended Lincoln from Lori, Lynn, Lola, Lisa, and Luan by using her powers to shrink those five harpies down to the size of mice after she caught them trying to kill Lincoln and she put them in a jar and they were screaming their heads off in pure rage at her.

Me: WHOA! Pleasure to meet you. But that s cool.

Tiny Little: It sure is.

Qin: Yep.

I looked at the Another Ino.

Me: I don't think you being as Ino suits you. Now why don't you reveal yourself MIZUKI!

Another Ino: (In a mans voice) Aw fuck!

He reverted back and it was MIZUKI!

Mizuki: How did you know it was me?

Me: You reeked of snakes and your ego and hatred are as big as your fucking mouth!

Naruto: I should have known you would return Mizuki!

Mizuki: You're still as evil as ever demon fox!

Me: YOU SHUT YOUR FUCKING MOUTH MIZUKI! For your information Naruto is the jailer that holds the fox! Not the Fox herself!

Natsume: Yeah! Naruto is not me! If he were then I would have destroyed you all long ago!

Mizuki: WHY YOU! I WILL KILL YOU ALL!

Me: You just don't ever learn do you Mizuki!

Kaito: (gets out Zyuogher gear) Did Swartz promise you anything?

Zocks: (gets out Ninninger gear) Because we can grant it instead.

Tiny Little: No he didn't. I shrunk and flushed myself down the toilet as he was heading back from lunch.

Me: Yuck! And Mizuki must've wanted something.

Mizuki: I don't follow him. I only follow Lord Orochimaru. I was given power from him and I will use it.

Me: You still follow that fucked up snake after all this time. Well newsflash for you bub. We killed Orochimaru. He's gone for good. He's never coming back from the Black Abyss.

Naruto: Yeah so you are out of luck Mizuki!

Sougo: (gets out Zyuogher Ridewatch) At keast you're not listening to Swartz

Geiz: (gets out Ninja Steel Ridewatch) But you're still going down

Sougo got ZyuohEagleArmor while Geiz got NinjaSteelRedArmor.

Mizuki: Well come and get me.

Me: Gladly. But in case you've forgotten, I've gotten more powerful since our last encounter.

Mizuki: We'll see.

He pulled out a beaker full of a red liquid.

Me: You don't get it do you Mizuki. You tried that formula the last time and in the end it destroyed your entire shinobi career.

Mizuki: We'll see about that. Your lies have no power over me.

Me: We'll see who's lying.

He drank it down.

Mizuki: Now I can get my revenge on you J.D.

He then bulked up with intense mass and strength and curse marks formed on him and he grew tiger fangs!

He was REALLY buffed up and ready to fight!

Me: I still haven't forgotten this form even after 150,000 years.

Mizuki: Well now you will face my wrath!

Me: I don't think so cathead. Nico you guys fight the Anothers. I'll face Mizuki.

Nico: Go get him.

Lincoln snapped his fingers and separated the Anothers.

Me: Lets dance.

I teleported and punched him in his face and punched him in his stomach many times and kicked him and kneed him in his face and smashed him into the ground!

KRASMASH!

Nico: Oh, that's where your lies and power line came from. I get it now!

Mizuki: SHUT UP!

He went at Nico but I teleported and grabbed Mizuki's hand before he can touch him.

Me: Your fight is with me. Leave the others out of this!

I kicked him!

He was knocked down.

Me: I expected more of a challenge from you Mizuki. But you are still the same pathetic little coward that couldn't stand up to the divine power of a God.

Mizuki: I'll show you power!

HE CHARGED UP AND THEN GREW FUR AND HAD EARS AND A TAIL! HE WAS A TIGER!

Mizuki: Now I'm going to really make you suffer!

Me: I'll make you suffer the wrath of the 9 Circles of Hell!

I went at him more and kicked him and punched him all over!

Nico: (Gets out Soap Sam's Ridewatch) Sponge Power!

May: (Gets out Lord of Atlantis Ridewatch) Atlantis power!

Universe 666 May: (Gets out Universe 666 Morgana's ridewatch) End of Ursula!

Maria: (Gets out Clam Head Candy Cad's ridewatch) THE RAGING WHIRLPOOL!

SpongeBob the Strong: (Gets out Bubble Poppin Boys Ridewatch) Time to blow bubbles in your face!

They used the powers of Soap Sam, Bubble Poppin Boys, Lord of Atlantis, Universe 666 Morgana, Clam Head Candy Cad, Helen the Felon and Slobster and blasted the anothers.

I then formed a powerful Typhoon Rasenshuriken!

Me: TYPHOON STYLE NINJA ART: SUPERTYPHOON HAIYAN RASENSHURIKEN!

I threw it.

Mizuki: What is that!?

It slammed into him with incredible speed and then it exploded with intense and incredible power!

NUMEROUS AND COUNTLESS NUMBERS OF CHAKRA SWORDS HIT HIM ALL OVER AND DESTROYED HIS CHAKRA NETWORK ALL OVER WITH INDISCRIMINATE FURY!

When the smoke cleared he was a broken and brutally mangled up mess!

He was down in a crater and bloody and back to normal but he was REALLY MANGLED UP BAD!

Me: It's over Mizuki.

Hinata: Byakugan!

She activated her Byakugan.

Hinata: His Chakra Network! Its all been completely destroyed!

WE GASPED!

Nico: HOLY SHIT!

Hinata: No I mean its been completely obliterated. Not even a molecule of it is left!

Naruto: WHOA! The Typhoon Style Variant of that must be an enhanced variant of my version of it.

Me: That's right bro. It attacks the entire chakra network at the subatomic level and obliterates it completely. Not even an atom of it remains.

Nico: HOLY FUCK! That is powerful!

Eddy: (to me) You know what line Nico's talking about

Me: Yeah I based that line from Dante when we fought the Devil. Mizuki thought I was lying when I was telling the truth.

Nico: Oh I get it.

Me: Yeah. Mizuki thought he could use that line against me but he was blinded by his own delusions.

Nico: Oh. Good.

I powered down.

Me: In the end, his power destroyed him.

He woke up and he was coughing up blood and was really weak and more.

Me: I'm amazed you were able to survive that. But shinobi days are done.

Mizuki: (Weakly) You rotten motherfucker! What the fuck have you done to me?

Me: Destroyed your entire shinobi career forever.

I then tied him up and put him on my back.

Me: I got to report this to Lady Hokage when we get back.

Nico: Should we kill him?

Me: Nah. He's not worth it anymore. Besides we got much bigger fish to fry.

Then out came Slime Monster (TTG), Dimitri (Yugioh GX), Slime Mutant (Scooby Doo), PuruPuru, Hollywood Wolf and Alcatraz Jailbird (Looney Tunes)!

Me: WHOA!

Nico: Nice team Slime Monster!

Slime Monster (TTG): Thanks Nico.

Jaden: Dimitri! Been a long time.

Dimitri: It has been a while.

Me: You did a magnificent job imitating Pharaoh Atem.

Dimitri: (Imitating Pharaoh Atem) That is true and it was a very good one too.

Pharaoh Atem: That's very good.

Eli: You sound just like my father! Very well done!

Yugi: Wait. You're the one who imitated me?

Dimitri: Yeah I'm called the Copycat Duelist. I copy other duelists to win.

Syrus: He used Professor Crowler, Kaiba's deck, Joey Wheeler's deck, Tea's and Yugi's decks and lost to me and Jaden, Alexis, Bastion and Chazz.

Dimitri: Yeah it didn't work well.

Me: Wait Yugi, your deck was there?

Yugi: I had it displayed at Duel Academy for everyone to see.

Me: The god cards weren't in it I'll bet.

Yugi: Nope.

Me: Oh.

Nico: Probably for a good reason.

Me: Yeah because of their immense power.

Goop: (Gurgling voice) But this means my team is up next.

Lola: Yep it sure does.

Kaiba: I'd hate to see your impression of me.

Dimitri: (Imitating Kaiba) Does this answer your question you pathetic low-grade dog!?

He gasped!

Me: WHOA That was really well done!

Kaiba: Okay. That was pretty good.

Me: Yep.

Then we heard something.

Me: Wait hear that?

We heard singing.

Lola: Is that singing?

We saw a wave of water coming and on it was DEEP SEA SIREN DIVA! She was singing with amazing beauty and had a divine voice.

Qin: WOW!

She landed.

Deep Sea Siren Diva: Thought you all could use a hand.

Nico: Sirenia Diana! Wow!

She reverted back.

Sirenia Diana: Good to see you again Nico. I got this.

She fired waves of energy and blasted the Another and I caught the Ridewatches and purified them.

Me: YEAH!

Nico: Nice job!

Sirenia Diana: Thanks Nico. That was awesome and fun.

Lola: Your voice is magnificent!

Qin: Sirenia is known as Diva Siren Sirenia. She had the best voice in all of music class.

Me: Wow!

SpongeBob the Strong: And you must have good memories of Nico?

Sirenia Diana: I sure do. Where Nico was at one of my concerts and I was singing Can you Feel the Love Tonight by Elton John and Nico was playing the piano for it.

Nico: It's a hidden talent. The star pianist for that day was sick and I filled in for him.

Me: That sucks but that is really cool that you can do that.

Nico: It sure is.

Nico and Sirenia hugged.

Nico: I've missed you.

Sirenia Diana: Same here.

Me: You guys head back. I got to report to Lady Hokage.

Nico: Okay.

I teleported to the Leaf.

Everyone went back home.

Lincoln: No, it's not, it's in the hand of the clone of Hellfire Deathplague Dragon, the Hypothetical Akuma of Leo and a master of energy and light and darkness. He looks like Life Stream Dragon, and he was made because of the crimes of the Dark Signers and vowed to destroy them all.

Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) We better get going and catch him.

We got a move-on, and we spotted our target: the clone of Hellfire Deathplague Dragon who has The Dark Little Card in hand. Lincoln fired an energy blast that hit him that forced The Dark Little Card to come out and took on its true form. Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of The Dark Little Card and he began sucking out all its shrinking powers and magical powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels really good! RRGH!

Then, when Lincoln was done and the stingers changed back, The Dark Little Card was weakened to a severe degree.

Alexander Avalon: Alright, now's our chance! Serenity, Sakura, Sarah!

Alexander Avalon raised his staff, same with Serenity, Sakura, and

Sarah, as the magic circle appeared beneath their feet.

Alexander Avalon, Serenity Avalon, Sarah Avalon, and Sakura Avalon: Powers of Light and Dark, hear our plight, descend upon this world and undo the dark magic of Salazar Slytherin!

They fired beams of light from their staffs that hit the weakened Dark Little Card, and the light destroyed it and the card was rendered blank and it went into The Dark Clow Book, and in the place of the Dark Little Card was a black onyx sphere with a green ominous light and a black and green aura surrounding it. But, then, the black and green aura released negative energy which we absorbed and it made us stronger.

Nico: Awesome! Now, for our final target: the clone of Hellfire Deathplague Dragon.

The clone of Hellfire Deathplague Dragon fired blasts of energy, but Lincoln absorbed the blasts and it made him stronger.

Lincoln: Nice try. Alright, let's get him.

Then, when Lincoln was done, nothing was left of the clone and he also sucked out all the energy remaining in his soul and the clone faded away and he let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles as fire exploded out of his massive biceps and massive muscles!

We cheered as we holstered our weapons and powered down and we returned home to The World Tree Estate.

Nico: We did it, we took care of The Dark Little Card and Lincoln absorbed the clones of Hellfire Deathplague Dragon.

Me: That was one intense battle we fought.

Lincoln: You said a mouthful. Either way, we took down another of Alecto's minions and took down yet another Dark Clow Card.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, long crimson red hair with yellow streaks with orange flower in her hair, crimson red eyes, massive fire colored angel wings, she has The Volcanic Laval Masters of Courage symbol on her right arm and the pendant on her necklace, The Laval Crest on her forehead, and Lavalval Dragun on her crimson red skirt, crimson red short-sleeved blouse, orange sleeveless midriff top with Lavalval Dragun on it, crimson red bridal gloves, orange stockings, crimson red knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, fire, flames, lava, phoenixes, and angels on the coattails, and on the back is

Lavalval Chain, and she has a fire greatsword, and with her are the two girls.

Lincoln: (GASPS) Abellona Vulcania, Avatar and Gene-Slammer of Lavalval Dragun.

Abellona Vulcania: That's right, and I got them away from the clones of Hellfire Deathplague Dragon and The Dark Little Card, and you guys did good taking them down.

Me: We sure did.

Lincoln: We took care of The Dark Little Card when I sucked out its powers and absorbed the clone of Hellfire Deathplague Dragon. (To Abellona Vulcania) And it's so good to see you again, Abellona.

Abellona Vulcania: You too, Lincoln, it's been eight years since we last met, but wow, you've really grown that much.

Suddenly, Abellona Vulcania had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Abellona Vulcania was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Abellona Vulcania: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Abellona Vulcania's waist and hugged her, and Abellona Vulcania was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, thick brown goatee on his chin, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Abellona Vulcania: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 620'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Abellona Vulcania, Avatar and Gene-Slammer of Lavalval Dragun, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lavalval Dragun. She's The

Volcanic Lava Dragun Master and member of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Abellona Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lavalval Dragun, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lavalval Dragun, and Lincoln was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Abellona Vulcania hates Scoots with a passion because that stupid old goat ran over her feet and she had to spend a month in a cast, and that old goat callously laughed at her with cruelty. Abellona got super enraged and angry, she fired a massive blast of fire at that old goat, and the blast of fire melted her scooter, and after that, Varie called the people at the Lansing Maximum Security Nuthouse and they took Scoots back to the nuthouse and tied her real good to the wall of her padded cell with a straitjacket.

Nico: Lincoln told us of what you did, that old goat got what was coming to her.

Me: And you don't have to worry, we sent her to The Black Abyss last year.

Lincoln: She's gone for good, and she is never ever coming back, and now that you're here, Abellona.

Lincoln with his massive muscular arms still wrapped around Abellona Vulcania's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Abellona Vulcania: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Abellona Vulcania with crimson red gems on the gold lightning bolts and crimson red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and a rainbow Thunderbird wedding ring on her left pinkie.

Abellona Vulcania: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Abellona Vulcania.

Abellona Vulcania had a smile on their faces and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Abellona Vulcania's waist, and he leaned down to her face and kissed her on the lips, and with Abellona Vulcania's hands still on his massive hairy pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Abellona Vulcania had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Abellona Vulcania: (In Heaven) My God. And Lincoln, tell the guys to run to their rooms, the two girls I rescued are...!

Red Savarin and Travis Tackett: GUYS, YOU KNOW THE SIGNAL! MOVE!

We ran into our rooms leaving Lincoln, Nicole, and his harem, then they went up to the two girls, and when Lincoln saw them, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the two girls are Midori Sakurako and Shinjou Saria from TRUE BLUE.

Lincoln: Oh whoa, it's Midori Sakurako and Shinjou Saria from TRUE BLUE.

Nicole: Travis and Red shouldn't have warned the rest of the guys to flee to their rooms, the girls are cute.

Lincoln: Unfortunately, that's not the case since it's hard-wired into them. Are you girls okay?

Midori Sakurako: Yes, we're okay, thanks to you.

Then, when Midori Sakurako and Shinjou Saria saw who it was that saved them from The Dark Little Card and the clone of Hellfire Deathplague Dragon, their faces turned atomic red and their noses gushed out blood upon seeing the 620'11" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in light brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle with beard stubble on his jawline and thick brown goatee on his chin, long wild rainbow hair going down to the upper part of his back with white Midori Sakurako: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made a clone of himself, and he and his clone went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clone, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Shinjou Saria: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Midori Sakurako and Shinjou Saria with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: We took down another Dark Clow Card and Lincoln sucked out its powers and absorbed yet another of Alecto's forces.

May: That's for sure.

We heard Alecto's scream of rage.

Lincoln: And we just pissed that snake off. Later on today, he's going to meet his final end.

Nico: That's for sure.

Me: And we won't stop until we put an end to that lunatic's scheme.

?: That's for sure.

Suddenly, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, tanned skin, long green hair with green flower, green eyes, she was dressed in a green two-piece bikini, she has massive green angel wings, and she has a nature greatsword in hand.

Lincoln: (GASPS) Selena Spinachairaira, Queen of The Spinachairairans of Planet Spinachairaira.

Nico: The last living Spinachairairan, and you know her, Lincoln?

Lincoln: Indeed I do.

Anna Anyanova: And so do we, this is Selena Spinachairaira, Queen of The Spinachairairans, she's Lincoln's Guardian Angel from the planet Spinachairaira in The Forbidden Zone, a planet of endless spinach. She was the Queen of The Spinachairairans, who ruled the planet of Spinachairaira and she's also far more powerful than her own people: in addition to being a natural born fighter and having immense power over all spinach, superhuman strength, and the ability to grow even stronger, but she was also born with angel wings, immense superhuman strength, immense superhuman speed, immense superhuman endurance, immense superhuman durability, immense superhuman senses, immense power over all spinach, nature, spinach-themed plants, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity, and Selena left her home when the Infernairans invaded eons ago and she swore to return and put them to the sword. Selena Spinachairaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers of immense superhuman strength, immense superhuman speed, immense superhuman endurance, immense superhuman durability, immense superhuman senses, immense power over all spinach, nature, spinach-themed plants, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, immense superhuman speed, immense superhuman endurance, immense superhuman durability, immense superhuman senses, immense power over all spinach, nature, spinach-themed plants, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of the Spinachairairans times infinity, and he was already born with immortality and invincibility and his vampire powers grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and help him build up more muscle mass and helped him grow in intelligence, power, and knowledge, and Lincoln can also create his own Spinachairaira spinach for more additional muscle power. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln absorbed the souls of her people, her planet's core and planet itself, and her planet's Sun to preserve their legacy and she swore to thank him for what he did. Lincoln made her an awesome nature greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to beat those dirtbags into the dirt.

Selena Spinachairaira: I knew Lincoln absorbed the septillions of trillions of souls of the male Spinachairairans into his body gaining their eons of combat experience, immortality, invincibility, regeneration, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers immense power over all spinach, nature, spinach-themed plants, and incredible godly powers and immense virility and fertility and absorbing Spinachairaira and its core into his body along with Spinachairaira's Sun into his body to preserve their legacy.

Arpina Infernaira: That's right.

Me: Wait, you also included immense virility and fertility as well? That means...!

Selena Spinachairaira: We knew Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with Dr. Feinstein, he did show us all of what you just told us, Alana.

Nico: Wow...!

Selena Spinachairaira: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last I saw you.

Suddenly, Lincoln pinned Selena Spinachairaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo

on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Selena Spinachairaira with green gems on the gold lightning bolts and green crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more like what happened yesterday.

Selena Spinachairaira: That's my special gift to him: Spinachairaira's

Blessing of Spinach Muscle Power Justice, and each of the Forbidden Zone Planet Queens have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 620'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Selena Spinachairaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Spinachairairans both males and females were extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

After Lincoln drained The Dark Little Card of all its powers and absorbed the clone of Hellfire Deathplague Dragon after we took him down, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing

Abellona Vulcania: My God, I was right that Lincoln's really grown into a 620'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even

more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Abellona, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Abellona Vulcania: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Abellona Vulcania: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0

Lincoln: So, you're finally on the move, Alecto Slytherin.

Me: It's time! Let's go take that ugly snake down and send his butt to The Black Abyss forever!

We showered and we went to Hogwarts, and as soon as we got there, we saw Alecto Slytherin who's now out of his mind and he's heading for the castle with a massive army of werewolves, vampires, dragons, Minotaurs, and Centaurs.

SUPER OMEGA KAMEHAMEHA!

WE ALL FIRED A MASSIVELY INTENSE AND ULTIMATE POWERFUL KAMEHAMEHA BLAST! AND THE BLAST OVERWHELMED THE REVENGE DEATH BALL AND DESTROYED IT, AND IT HEADED RIGHT FOR ALECTO SLYTHERIN WHO TRIED TO FIGHT BACK, BUT IN THE PROCESS, HIS STAFF WAS DESTROYED AND HE WAS OVERWHELMED BY THE BLAST!

Alecto Slytherin: NO! NO! THIS CAN'T BE HAPPENING! NO! NO! NOOOOOOOOOOOOOOO!

SUPER OMEGA EXPLOSION!

KRABOOM!

IT'S FINALLY OVER, AFTER DAYS OF TERROR AND CHAOS, ALECTO SLYTHERIN, THE RACIST DESCENDANT OF SALAZAR SLYTHERIN AND NIGHTMARE TO HUMANS AND WIZARDS, WAS COMPLETELY OBLITERATED AND HE ALONG WITH SALAZAR SLYTHERIN WERE BANISHED TO THE BLACK ABYSS FOREVER TO JOIN VOLDEMORT AND THE DEATH EATERS!

We holstered our weapons and powered down as we cheered wildly, and we also felt it: Alecto Slytherin's black magic was destroyed, but his clones of the Hypothetical Akumas along with the remaining Dark Clow Cards are still out there. We went back home and continued our workouts.

Lincoln: We got rid of Alecto Slytherin, but the remaining Dark Clow Cards along with his clones of the Hypothetical Akumas and the other villains who have them are still out there. But, we'll get them.

Me: That we will.

Suddenly, Eli smelled something.

Eli: Hey, who's cooking something?

The Mascots came in and they had a Sangria glass filled with that FAMILIAR NEON GLOWING RED DRINK!

Caleb Maxwell: (GASP) Oh God, that's The Mississippi Queen!

Poromon: Yep, but we made a more potent and powerful version of it by increasing the amount of Kimchi, Pasta Sauce, Sashimi, Chuco, Soy Sauce, Clams, Shrimp, and Mayo, but for the Hot Chili Peppers, we also added in Mrs. Casagrande's hot chili peppers and many other red hot chili peppers!

Poliwag: We call it Mississippi Queen Alpha Omega, and we made this for Lincoln.

EVERYONE GASPED!

Luna: Dude! Are you guys absolutely nuts!?

Muscle Man: You all went through that kind of euphoria when you first drank it, and J.D. drank the normal version of it, but making a more potent and powerful Mississippi Queen, that's playing with fire.

Manaphy: It's true only a Spice Demon can easily handle a crazy amount of spice. So, we decided to kick things up a bit.

Caleb Maxwell: If you pipsqueaks think you're gonna get away with it, you're wrong!

Caleb Maxwell ran at The Mascots to destroy The Mississippi Queen Alpha Omega drink and punish them big time, but Lincoln snapped his fingers and Caleb fell through a trap door underneath the floor that sent him to Lynn's Table, and when he saw the jerks, he went wild and he trashed them like crazy.

Me: (Snickers) Nice one.

They then offered Lincoln the Mississippi Queen Alpha Omega, and he drank it all down.

Lincoln: Hmm, not bad.

But, then, Lincoln's body started sweating even more!

Lincoln: (GROWLS) RRGH! I feel something happening! Wait, I don't feel the nasty Cocaine Overdose Induced Euphoria, in fact, I feel...wilder than ever!

Mordecai: Oh dude, this...is gonna be bad!

Rigby: Winter's gonna freeze them to death if...!

Tough and manly, if any ladies see you guys handle something like that, they'd be drawn to you like a magnet.

Then, Lincoln, his harem and kids, and Braeden Carnes headed for The Light Elemental Land.

Braeden Carnes: This is our next stop: The Light Elemental Land.

Lincoln: Wow, it's really beautiful.

Twilight Sparkle: Princess Celestia would love coming here since she's The Princess of The Light Skylanders. So, who's our next target?

Braeden Carnes: That would be The Dark Animal-Spirits, Toxic Sting, Beauty Sea, Butterfly Dancer, Skullcrusher, Spark-Genie, Viper-Pit, Deadblast, Malfunction, Myotis, and Princess Gigatron.

?: You got some nerve showing up, Carnes!

Lincoln, his harem and kids, and Braeden Carnes went at Toxic Sting, Beauty Sea, Butterfly Dancer, Skullcrusher, Spark-Genie, Viper-Pit, Deadblast, Malfunction, Myotis, and Princess Gigatron and blasted them with energy blasts and elements and knocked them down.

Then, Braeden Carnes got out his specially made Traps and threw them, and they began sucking in Toxic Sting, Beauty Sea, Butterfly Dancer, Skullcrusher, Spark-Genie, Viper-Pit, Deadblast, Malfunction, Myotis, and Princess Gigatron.

Toxic Sting, Beauty Sea, Butterfly Dancer, Skullcrusher, Spark-Genie, Viper-Pit, Deadblast, Malfunction, Myotis, and Princess Gigatron: You can't do this to us!

Then, The Dark Bounty Hunters were sealed into the Traps that went back into Braeden's hand.

Princess Gigatron: Curse you, Braeden! WE'LL GET YOU FOR THIS!

Braeden Carnes: It's over, Gigatron. But, I'm not killing you nor any of the others, all of you are just as much a part of The Elemental Lands as The Elemental Heroes, I intend to redeem you all and free you from this cursed path you set out on.

Beauty Sea: Maybe, I think it's time for a career change.

Princess Gigatron: Alright, fine.

They came back home.

Me: So, that was the third part down.

Lincoln: And nine more to go. But, so far so good, and it's just like our adventures in The Skylands.

Nico: You said it.

Braeden Carnes: That's right. Soon, we'll be reunited once more, and the person responsible for this will pay.

We got a shower, and then, Lincoln, Apple Dumpling, Crocell Kerori, Cora, Tessa, and the Simulator versions of Raphiel Grimlight, Felicia La Nacuras, Alistine Mi Rosiel, Karla Lil Earthian, Giltia Lu Dorud, Usami Runa, Meamea Fo Rusalka, Chichizaki Momina, Raelda Le Failda, and Minya Prenavas8102 are heading to Lake Lamode, and joining them are the rest of Lincoln's harem.

Lincoln snapped his fingers, and the 620'11", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Apple Dumpling, Crocell Kerori, Cora, Tessa, and the Simulator versions of Raphiel Grimlight, Felicia La Nacuras, Alistine Mi Rosiel, Karla Lil Earthian, Giltia Lu Dorud, Usami Runa, Meamea Fo Rusalka, Chichizaki Momina, Raelda Le Failda, and Minya

Prenavas8102 and the rest of Lincoln's harem were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Apple Dumpling, Crocell Kerori, Cora, Tessa, and the Simulator versions of Raphiel Grimlight, Felicia La Nacuras, Alistine Mi Rosiel, Karla Lil Earthian, Giltia Lu Dorud, Usami Runa, Meamea Fo Rusalka, Chichizaki Momina, Raelda Le Failda, and Minya Prenavas8102 had feelings for Lincoln, and he also had feelings for them and he also saved them from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Crocell Kerori: Wow, we're here in Lake Lamode, it's so beautiful.

Lincoln: (Fiery Godly Voice) You said it, Crocell, and it's perfect for our first date, but the next hypothetical Akuma clone is going to try to ruin our date and kill us.

Lincoln, Apple Dumpling, Crocell Kerori, Cora, Tessa, and the Simulator versions of Raphiel Grimlight, Felicia La Nacuras, Alistine Mi Rosiel, Karla Lil Earthian, Giltia Lu Dorud, Usami Runa, Meamea Fo Rusalka, Chichizaki Momina, Raelda Le Failda, and Minya Prenavas8102, and the rest of Lincoln's harem dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Apple Dumpling, Crocell Kerori, Cora, Tessa, and the Simulator versions of Raphiel Grimlight, Felicia La Nacuras, Alistine Mi Rosiel, Karla Lil Earthian, Giltia Lu Dorud, Usami Runa, Meamea Fo Rusalka, Chichizaki Momina, Raelda Le Failda, and Minya Prenavas8102, and the rest of Lincoln's harem also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he did the same thing giving Apple Dumpling, Crocell Kerori, Cora, Tessa, and the Simulator versions of Raphiel Grimlight, Felicia La Nacuras, Alistine Mi Rosiel, Karla Lil Earthian, Giltia Lu Dorud, Usami Runa, Meamea Fo Rusalka, Chichizaki Momina, Raelda Le Failda, and Minya Prenavas8102 and the rest of his harem a deep tissue massage, and when he was done with that, they were relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Apple Dumpling, Crocell Kerori, Cora, Tessa, and the Simulator versions of Raphiel Grimlight, Felicia La Nacuras, Alistine Mi Rosiel, Karla Lil Earthian, Giltia Lu Dorud, Usami Runa, Meamea Fo Rusalka, Chichizaki Momina, Raelda Le Failda, and Minya Prenavas8102 and the rest of Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Lily the Mermaid: (Swooning) He's still such a handsome and manly wolf hunk.

Suddenly, they saw the clone of Lady Hurricane Dragon.

Anna Anyanova: Uh oh, is that...?!

Lincoln: (Fiery Godly Voice) The clone of Lady Hurricane Dragon, Zoe's hypothetical Akuma.

Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the clone of Lady Hurricane Dragon, and he began absorbing her and he assimilated Lady Hurricane Dragon's powers of dragons and wind, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (Fiery Godly Voice)(GROWLS) Ooh yeah, this feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, Lincoln sucked out every last bit of energy from the clone's soul and the clone faded and Lincoln let out a loud and massive roar of dominance and power as he pounded his strong chest like an Alpha Male gorilla and fire and winds exploded out of his massive biceps and muscles.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Apple Dumpling, Crocell Kerori, Cora, Tessa, and the Simulator versions of Raphiel Grimlight, Felicia La Nacuras, Alistine Mi Rosiel, Karla Lil Earthian, Giltia Lu Dorud, Usami Runa, Meamea Fo Rusalka, Chichizaki Momina, Raelda Le Failda, and Minya Prenavas8102 and the rest of his harem and he hugged them in his abnormally massive and powerful muscular arms, and Apple Dumpling, Crocell Kerori, Cora, Tessa, and the Simulator versions of Raphiel Grimlight, Felicia La Nacuras, Alistine Mi Rosiel, Karla Lil Earthian, Giltia Lu Dorud, Usami Runa, Meamea Fo Rusalka, Chichizaki Momina, Raelda Le Failda, and Minya Prenavas8102 and the rest of Lincoln's harem placed their hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had them lying down on a beach towel with him on top of them.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into their right trapezius and he began feeding on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from their right trapezius as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Fiery Godly Voice) (Whistles) Wow, it looks like you really had a good time at Lake Lamode, eh, Lincoln?

Lincoln: (Fiery Godly Voice) (In Heaven) It...was...so... AWESOME!

Suddenly, fourteen Elemental Thunderbird Necklaces of Eternal Love appeared on the neck of Apple Dumpling, Crocell Kerori, Cora, Tessa, and the Simulator versions of Raphiel Grimlight, Felicia La Nacuras, Alistine Mi Rosiel, Karla Lil Earthian, Giltia Lu Dorud, Usami Runa, Meamea Fo Rusalka, Chichizaki Momina, Raelda Le Failda, and Minya Prenavas8102 with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklace of Shangdi along with fourteen white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: And now, Apple Dumpling, Crocell Kerori, Cora, Tessa, and the Simulator versions of Raphiel Grimlight, Felicia La

Nacuras, Alistine Mi Rosiel, Karla Lil Earthian, Giltia Lu Dorud, Usami Runa, Meamea Fo Rusalka, Chichizaki Momina, Raelda Le Failda, and Minya Prenavas8102 are in your harem, Linky.

Apple Dumpling, Crocell Kerori, Cora, Tessa, and the Simulator versions of Raphiel Grimlight, Felicia La Nacuras, Alistine Mi Rosiel, Karla Lil Earthian, Giltia Lu Dorud, Usami Runa, Meamea Fo Rusalka, Chichizaki Momina, Raelda Le Failda, and Minya Prenavas8102 showed the marks Lincoln made on the right side of their trapezius.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. The clone of Lady Hurricane Dragon came after us.

WE GASPED!

Nico: (Fiery Godly Voice) The hypothetical Akuma of Zoe?! That little...!

Lincoln: (Fiery Godly Voice) Don't worry, I used my Cell stingers and absorbed her and assimilated all her powers of dragons and wind. Then, I sucked out every bit of energy from her soul and the clone faded.

Me: Thank goodness.

Selene Arcangela: And with Alecto gone, we don't have to hear his screams of rage ever again.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999

large white angel wings underneath his enormous angel wings had spread out and they generated a cool breeze cooling us down and fire and wind exploded from his massive biceps and muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: (Fiery Godly Voice) She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: (Fiery Godly Voice) You know we made a clone of that mutant.

Lincoln: (Fiery Godly Voice) He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: (Fiery Godly Voice) The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: (Fiery Godly Voice) That's still as hilarious as ever! (LAUGHS)

Nico: (Fiery Godly Voice) Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We were busy watching TV, and many of us were doing work-outs

to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Same with Super Brother doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Lincoln: (Fiery Godly Voice) We don't have long before our next mission starts, so I still like to keep myself busy.

Me: (Fiery Godly Voice) That's true, and we're also doing work-outs just like you, Lincoln.

Nico: (Fiery Godly Voice) Yep.

Then, we saw Lincoln deadlift an extremely mountain-sized massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

The mascots came with books.

Tayuya: So, what fucking brain teasers did you guys get?

Poromon: Well here they are.

Ymir: This will be good.

They read one.

Poromon: How do you spell "Our Time is up, pay me lots of money."?

Me: O-U-R T-I-M-E I-S U-P P-A-Y M-E L-O-T-S O-F M-O-N-E-Y.

Poromon: Correct!

Ino: I don't get it.

Poromon: These are ones we learned from many sources.

Poliwag: Next. If Johnny has 3 apples and David has 2 apples why don't they just shut up and eat?

Me: Because they can share one by cutting it in half and then they would be even on that.

Poliwag: Correct again.

Francesca: I remember these questions.

Lana: Me too. We learned about them when Courage was becoming a Therapist to help Eustace and Muriel get their marriage back together.

Bai Tza: Oh yeah when the Ghost of Widow McPherson was wreaking havoc.

Eustace: I remember that. And I remember this too! STUPID DOG! (Puts on Ugly Mask) OOOGA BOOGA BOOGA!

Courage: AAAAAAAAAAAAAAAAAAHHHHHHHHHH!

Eustace laughed!

BONK!

Francesca bashed him on the head with a rolling pin!

Eustace: OW! What did I do?!

Ransack: You know what you did.

WE LAUGHED!

Nico: That is for sure.

We learned all kinds of brain twisters.

Nico's brain was really sparking.

SPARKS ZAPPING

Eli kicked him in his butt.

Nico: OW! These brain twisters are hard to understand though.

Me: I know. But these are easy ones compared to ones that are really hard.

Windcharger: What about this one?

Poromon: Okay. If we're discussing the secret formula on the third Wednesday in January and it's not raining outside after we've gargled with vanilla pudding, what do we do?

Lily: I remember this one. We guzzle down barrels of root beer followed by eating 144 Black Licorice jellybeans through a straw.

Poromon: Correct!

Nico: WHOA!

NICO'S HEAD EXPLODED!

SPLAT!

Poliwag: Geez!

Me: YIKES!

Nico regrew his head back.

Nico: WHOA! That was a tough one.

Then the alarm went off.

Me: Uh oh!

We went to the computer and saw something going on at the park!

Me: There's a disturbance downtown! Lets go!

We went to the park!

We got there and saw many of the people frozen in blocks of ice and flying above the park was a Mega Articuno!

Me: WHOA! A Mega Articuno!

Nico: Where did that come from?

Me: Must be one of Dark Gale's work.

Sheena: It's a girl named Sierra Shindo!

Stacy Storious: My teammate Sierra! Whoa!

Me: Lets go help her! Nico, everyone you thaw out the people.

Nico: Right!

We flew up to her.

Stacy Storious: Sierra calm down. It's me Stacy!

Nico fired waves of fire and Lola fired waves of fire and blasted the ice and thawed the frozen people out.

She used Ice Beam on Horsea but she put her clone in front of her.

But the ice beam hit May instead and froze her in a block of ice!

Manaphy: MAMA!

Lola fired a wave of fire and thawed her out.

May: Ahh! Needed that!

Manaphy: WHY YOU!

She fired a wave of energy and blasted her.

I snapped my fingers and she reverted back. She was a girl with blue hair and blue eyes and had blue angel wings and had the Blades Symbol with a snowflake on her forehead and arm.

We wrapped her in a blanket and brought her to a bench.

The other people were thawed out.

Me: WHEW! Boy that was cold!

Lola: No kidding!

She woke up to see Horsea's smiling face

Sierra Shindo: (Groans) Huh? A Horsea?

Horsea: You didn't hit me!

Manaphy: But you hit Mama! Shame on you!

May: Manaphy it's okay. It's okay.

Sierra: Oh man I'm sorry.

Me: You were turned into a Mega Articuno by Dark Gale and you froze lots of people here in blocks of ice.

Sierra: Oh man! Sorry about that.

May: It's okay.

Sierra: I was battling the Sentai Megid when it happened.

Me: I remember that one. He was from the awesome teamup of the Zenkaigers and Saber Riders!

Touma: Boy that guy was tough!

Megan: Yeah.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new blue clothes and an ice sword.

Sierra Shindo: Wow I look awesome.

Me: You sure do.

We went back home.

Erika got in her jumpsuit and it was Neon Red.

Erika Sullenburger: Perfect!

Lego Luthor contacted us.

Lego Luthor: Nice job exposing Team Buktu yesterday.

Nico: Thanks. But they're still on the loose.

Me: Not we have to destroy them.

Lego Luthor: We'll worry about them later. You guys were right. Our scans indicate that Joker, Killer Frost, and Harley landed on Apokolips. You'll need to find them.

Me: Just as I thought.

Nico: You're not going with us.

Lego Luthor: We need to make sure thigns stay under control here.

Broccoli Guy: Got it, man. In case something happens to us-

Lego Luthor: We'll continue the good fight. I know. (chuckles) Bet you never thought you would have this kind of conversation with any version of me.

Me: No.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was a clone of Evil Sasuke, and he's causing havoc. When we saw it, we knew it meant trouble!

Lincoln, me, and Nico: So, you've finally shown up, you Jutsu-stealing douchebag!

Eli: That piece of shit's finally shown himself.

Lincoln: (Fiery Godly Voice) Or rather, his clone.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: (Fiery Godly Voice) Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's the clone of Evil Sasuke, and he's causing havoc.

EVERYONE GASPED!

Ino: So, the clone of that freak is finally on the loose! But, how is he still kicking? Didn't we just kill Alecto Slytherin?

Me: (Fiery Godly Voice) We did. The last remnant of his dark magic died when we killed him and sent him to The Black Abyss.

Suddenly, when we pieced it together, we got pissed off!

Nico: (Fiery Godly Voice) THAT FUCKING DOUCHEBAG! HE MUST'VE STOLEN ALECTO'S LAST REMAINING BIT OF DARK MAGIC AND PUT IT INTO THE CLONE! THE COWARD! HE DOESN'T WANT TO FIGHT US FOR TODAY! (GROWLS) I'M GONNA RIP HIM APART!

Ino: Lincoln, you got a plan?

Lincoln: (Fiery Godly Voice) Of course. If he wants to play dirty, then I think it's time we give him a taste of his own medicine.

ENRAGED SCREAM!

Nico: (Fiery Godly Voice) Uh oh!

Naruto: That sounded like Aunt Tsunade!

Me: (Fiery Godly Voice) Oh God, sounds like Lady Tsunade found out about it and she's super pissed off! She's like Lola on another of her sleepwalking rampages!

THE LOUDS SHUDDERED!

Luna: That was a lot of property damage she caused to our house.

Nico: (Fiery Godly Voice) (GULPS) We better head over there right now before she starts beating the shit out of him.

Lincoln: (Fiery Godly Voice) Uh..., right. But, either way, Evil Sasuke's time is done, now he's going to pay.

Me: (Fiery Godly Voice) And they are on Apokolips.

Qin: Darkseid's world!? Oh man! That is a death sentence!

Xenia: Not good!

Nico: I know.

The previous group came.

Man Ray: Can me, P'andor, Kitty, Tar Pit, Avalanche, Moonstone, Takanuva, Tri-Klops, Enchantress and The Rowdyruff Boys go with you guys?

Boomer: And can I see one of those brain teasers?

Nico: Yes and yes you all can come with.

Poromon showed them to him and they shorted out his mind.

Boomer: (Groans) Whoa.

Me: We're going to the Lego world of Apokolips guys. We're going to blow that entire planet to smithereens.

Nico: Wait...

Me: AFTER we face Prime Universe Darkseid.

Nico: Oh that's better.

Chill Bill: Nico, which Gene Slammer do you think you'll meet next?

Nico: Hmm. Herald of Orange Light next.

Qin: Ooh! Cool!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Lucius, The Omnipotent God of The Gates from Brave Frontier, and he's come here to destroy all of humanity. When we saw it, we knew it meant trouble.

Lincoln: (Fiery Godly Voice) Oh man...! We got trouble!

Me: (Fiery Godly Voice) Oh man! Was that?!

Lincoln: (Fiery Godly Voice) Lucius, The Omnipotent God of The Gates from Brave Frontier, and he's come here to destroy all of humanity.

Rochelle Yokoshima: Looks like you'll need to absorb him after we take him down, Lincoln.

Lincoln: (Fiery Godly Voice) Right, Rochelle, and one I'm looking forward to.

Nico: (Fiery Godly Voice) Omnipotent God of Good VS. Omnipotent God of Destruction, this is gonna get pretty destructive, you'll have to take the battle to Glaren for this one. Alright, team, let's go, it's time to deliver the ultimate death sentence to the Uchiha Coup family members.

Lincoln: (Fiery Godly Voice) Their crimes against The Five Great Nations have gone unpunished for too long, now this is where they meet their end once and for all, and once we get done with them, you're next, Lucius.

Rochelle Yokoshima: Your days of trying to destroy humanity are done, Lucius, this is where your immortal life ends now.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed out to take down the clone of Evil Sasuke and have him executed along with the rest of his hated family for their treason against The Five Great Nations, and once we get done with him, Rochelle Yokoshima and Lincoln are going to take down Lucius and Lincoln's going to absorb him.

We were off to Apokolips

We arrived on the Lego version of Apokolips.

Qin: Apokolips, Capital planet of Darkseid.

Xenia: Yep. A place where the one of the Justice League's best battles took place.

Tar Pit: Let's call Hydrax and Plastique.

Me: Good idea.

We did so.

Plastique: We're ready guys.

Hydrax: And this will be fun.

Me: Yes it will. Also in the Prime Universe, this planet will be the battleground where we battle our version of Darkseid.

Nico: Let's also call Queen Aga'po as well.

Me: Good idea.

We did so.

Queen Aga'po: I am here everyone.

Me: Awesome.

Qin: Okay we got to find Lego Joker and the others.

Lego Harley: Hey, guys! We're over here!

We saw Lego Harley and the others!

Me: Thank goodness!

Lego Harley: We were sent here by Team Buktu.

Me: We know. But thanks to the tracers we found you guys.

Lego Joker: Yeah and we found out that the Justice League is here.

Me: I knew the Lego Justice League was here!

Nico: (hugs Lego Joker) I'm so glad you're ok!

Nico then realized what he was doing and let go of Lego Joker embarrassed.

Lego Joker: (chuckles) Not used to hugging any versions of me, huh?

Nico: Actually, no.

Lego Joker: I don't blame you. But I'm glad you were worried.

Me: We all were.

Qin: Never thought we would be saying that.

Lola: Yeah.

Lego Killer Frost: (sweating from the heat) So...hot!

Me: Apokolips is a fiery place.

Eye Five: Not for long. Lana?

Lana fired waves of ice and blasted Lego Killer Frost.

Lego Killer Frost: Thanks Lana.

Lana: Anytime.

Me: Now we got to get the Lego Justice League out.

Lego Joker: There's gotta be something around here we can use.

Moonstone: Over there.

We looked to see a nearby tank.

Me: A Dragon Tank

Lego Joker: (smirks) You guys thinking what I'm thinking?

Me: Lets steal it.

Nico: Bingo.

Lego Joker: Yeah!

Me: We should have many of those in our arsenal.

Lego Joker walked up to the Parademons near the tank and used his joybuzzer on them.

ZZZZZZZZAAAAAAAAAAAAAAAAAAAPPPPPPP!

Ed: Zappity Zap Zap!

They were burned and I blasted them and destroyed them.

Me: There.

Lego Joker got into the tank while smoking a cigar

Gulper: Want some soda with that cigar?

Lego Joker: Sure!

He gave him some.

Eli: I sense the Lego Justice League in that building there.

He pointed to a prison building.

Me: Lets ram the wall down!

Nico: Any guards or Parademons stop us, blast them.

As we were blasting Parademons with the tank, someone stood in the way

Paddy Tanniger: So, you got a tank? Big whoop, wanna fight about it?

Tri Klops: We don't have time for this!

Me: Yeah so make like a rocket a take off!

I fired a blast of energy and blasted Paddy Tanniger!

Me: Get out of the road you roadhog!

Lego Joker: Who was that?

Slobber Trap: You're better off asking Brian and Stewie

Brian: Oh that was Paddy Tanniger.

Stewie: He used to be a driving range owner and Chris's boss.

Me: I think I remember seeing him the first time we brought Lois and Peter in.

Lois Griffin: Yes he was at the trial and he hurled golf balls at us.

Me: Ouch! I must not have been paying attention to that.

Qin: Yeah!

Me: I thought no residents of Quahog were still alive after we blew it to kingdomcome.

Nico: Makes you wonder doesn't it.

Lego Joker was piloting the tank and blasting Parademons with it.

Brick: Woohoo! We're raising some hell!

Me: YEAH!

?: NOT SO FAST!

We saw another Aquaman!?

Me: WHAT THE!?

Aquaman: Is that me!?

Me: Wait a minute!

I jumped and slashed the Aquaman 2 and knocked it down and it was a robot!

Me: A Robot lookalike of Aquaman!

Nicole: I remember that! Darkseid made robot versions of Aquaman, Batman, Superman, Wonder Woman, Green Arrow and Flash in the game Justice League Task Force. Looks like Lego Darkseid did the same thing here.

Me: WHOA! You know this gives me an idea. We can have the robot versions protect the sectors of the city that they protected while the originals help us.

Nico: Genius idea!

Butch contacted Lego Luthor.

Lego Luthor: Did you find them?

Butch: Yep! And now, we need you as well as your versions of Cheetah, Brainiac, Grodd, Sinestro, Grundy, and Black Manta to get here ASAP!

Me: Lego Brainiac was who we fought that brought us together.

Nico: I remember.

Me: As much as I don't trust him we could use his help. But I think he's the only version of Brainiac I find tolerable.

Nico: Me too.

Nico: Don't worry about it. It was our version of Brainiac who was the real mastermind anyway.

Me: Yeah the Prime Universe version was the much bigger threat.

Nico: It's all water under the bridge.

Lego Brainiac: Good. Thanks.

We pressed on.

Then Batman appeared!

Me: Another Batman!

Nico: I got this one!

Nico punched him down and it was a robot too!

Me: 2 down!

The robots of Aquaman and Batman got up but Lego Black Manta and Lego Grundy respectively charged at them.

They smashed them down and I pulled out batteries and they were turned off.

Me: There. Lego Darkseid made robot versions of the Justice League hense why we called you guys.

Lego Luthor: That explains it.

Lego Grundy: Grundy smash robo Batman good.

Lego Black Manta: We still haven't found Aquaman. So me killing his robot did nicely.

Me: Actually Robot Aquaman is here and he's in the lab for reprogramming.

Lego Black Manta: Oh sorry.

Robot Superman and Robot Green Lantern came!

Me: WHOA! Robot Green Lantern and Robot Superman!

Lego Luthor: Oh, I'm going to enjoy this so much.

Lego Sinestro: I hope this robotic Green Lantern is more of a challenge then Power Ring

They fired energy blasts and knocked them both down and I pulled out batteries.

Me: 4 down.

We sent them to the lab.

Then Robot Martian Manhunter and Robot Wonder Woman came!

Me: WHOA! Robot Martian Manhunter and Robot Wonder Woman!

Robo Flash got up but Lego Grodd grabbed and used his powers on him and knocked him out.

I pulled out the batteries.

Me: YEAH! That's that.

Nico: BRACE FOR IMPACT GUYS!

We held on!

The Lego Justice League was sitting in their cell when suddenly!

KRASMASH!

Our tank smashed through their wall!

Me: Someone call for the cavalry!?

Lego Superman: J.D., Everyone! Boy are we glad to see all of you!

Lego Wonder Woman: Thank goodness you all came.

Lego Flash: Long time no see!

Nico: I know. Feels like forever. Been 2 years actually.

Lego Green Lantern: But we're glad you made it.

Me: Team Buktu captured you guys and sent you here no doubt.

Lego Batman: Team Buktu? We were sent here by Ultraman when he threw something at us.

Me: It's a really nasty story.

Nico: We'll explain later. Right now we got work to do here.

Me: One of Team Buktu's members is here now causing trouble.

But then we heard the sounds of bloodcurdling screaming and insane laughter and the sounds of blood, guts and gore being splattered all over the place.

Me: That's not Lady Tsunade that's here. This is something else.

Lincoln: Oh man! It's the work of Ino's Akuma, Flower Yandere! The Hypothetical Akuma of Ino Yamanaka and a master of flowers and has an intense bloodlust! She was made because of Sasuke Uchiha being an ABSOLUTE ASSHOLE to her and her friends and vowed to kill the ENTIRE UCHIHA CLAN NO MATTER WHAT WITH EXTREME SAVAGERY!

WE GASPED!

He showed us a sketch of her and she looked like a school girl from Japan with clothes covered in blood and she had wings of flowers and a bloodsoaked knife in her hand and she had a VERY SADISTIC AND INSANE GRIN ON HER FACE!

Nico: Oh good god!

Qin: YUCK!

We followed the screams and we saw her standing over a pile of freshly killed and slaughtered Uchiha Clan members! ALL of them are dead! Including her worlds version of Itachi! She was about to kill her worlds version of Mikoto!

Me: OH DEAR GOD!

Ino: I am a sadistic psychotic monster!

Me: HEY YOU BITCH! GET AWAY FROM HER!

I teleported and kicked her down and rescued Mikoto!

Lego Joker: What's her problem?

Swift Foot: Lincoln just said.

Me: She's a dangerous nutjob!

Flower Yandere: I WILL KILL ALL UCHIHA! (LAUGHS LIKE A FUCKED UP LUNATIC!)

Me: SHE IS FUCKING INSANE!

I went at her and she had her knife out and went at me and I clashed and blocked her strikes! Numerous sparks flew all over the place!

I kicked her and bashed her face!

Sakura Haruno: You are seriously in need of nasty problems Ino Pig!

Flower Yandere: SHUT YOUR FUCKING TRAP YOU UGLY BILLBOARD BROW!

Me: Uh oh! You fucked up big time!

Sakura Haruno: (EXPLODES IN RAGE) CHAAAA!

She went at Flower Yandere with intense speed and strength and kicked her hard into the air and activated her Hundred Strengths Seal!

Sakura Haruno: HUNDRED STRENGTHS JUTSU!

Me: CHICXULUB DEVASTATION SUPER PUNCH!

We both punched her and smashed her into the ground with INCREDIBLY AND UNBELIEVABLY DEVASTATING FORCE!

EXTREMELY MASSIVE AND UNBELIEVABLY POWERFUL SMASH OF INTENSELY METEOR FORCE!

THE EXPLOSION WAS SO MASSIVE AND DEVASTATING THAT IT SHOOK THE VERY FOUNDATION OF APOKOLIPS TO THE CORE!

Nico: HOLY FUCKING SHIT!

Xenia: THAT WAS POWERFUL!

In a MASSIVELY HUGE CRATER was Flower Yandere and she had MANY BONES all over her body broken and she was covered in blood and she is still alive. But she is laughing insanely like she is enjoying it!

Me: She is really insane!

Enchantress: Ino? Is that you?

She got up and we heard bones crunching!

Flower Yandere: (RESETING BONES) (GROANING IN PAIN)

Me: OOH! OUCH!

Flower Yandere: It's not me anymore! I am going to kill you all with the Uchiha!

Me: Well then you are going into the Book of Vile Darkness.

Nico: Calming her down is completely out of the question.

Hydrax: I'm afraid so.

Me: Yep. I need to save my energy for Evil Sasuke.

I teleported and punched her in her stomach and kicked her down.

Ino and Hydrax fired waves of flowers and energy and blasted her all over!

She went at us laughing insanely! I kicked her in her face and Nicole sealed her into the Book of Vile Darkness!

Lego Joker: Time to get back in the tank!

Masker Mind: Geez, you really love that thing now

Lego Joker:Can you blame me?

Me: Not at all.

Lincoln: (Fiery Godly Voice) Okay, before we go after Evil Sasuke's clone, here's my attack plan on him.

Lincoln pulls up a hologram of the Apokolips and zoomed in on one particular area.

Lincoln: (Fiery Godly Voice) Now, we already know the clone of Evil Sasuke is here on Apokolips, and ever since we exposed Team Buktu for the monsters they are, he's finally causing havoc, and with no one there to restrain him, he's attacking anyone he sees as a threat, but it's not long before he comes after us. So, here's the plan, I'll drain The Parademons of their lifeforces using Omega Beams infused with Anti-Matter to suck the life out of them, and then, we go after the clone of Evil Sasuke, but as always, the one there will be a Substitution.

Me: (Fiery Godly Voice) Yep. (Smirks) But, that's where Lincoln and I will spring our trap once we expose the Substitution.

Me: WHOA! Looks like the Fight's starting without us!

Qin: Again!? How rude!

We headed out, and Lincoln saw Lady Tsunade already beating the shit out of Team Buktu goons and Parademons! We had sweat drops falling from our heads in shock!

Me: (Fiery Godly Voice) Uh..., Lincoln!

Lincoln: (Fiery Godly Voice) Right...! Time to head out.

Nico: (Fiery Godly Voice) And take that piece of shit down before Lady Tsunade takes all the fun out of it.

We flew out, and we saw the Evil Sasuke clone, and just as Lincoln said, he's causing havoc and we saw Lady Tsunade beating the shit out of Team Buktu thugs and Parademons.

Suddenly, more Parademons, this time, sent by Darkseid have shown up.

Nico: Darkseid, you really are a damn monster.

Me: He has and always will be a monster.

Lincoln: (Fiery Godly Voice) He's not getting away with this.

Lincoln fired powerful Omega Beams infused with Anti-Matter, and they hit the massive army of Parademons with the clone of Scott and the next group of Parademons sent by Darkseid, and then, Lincoln sucked out all of their energy and it went into Lincoln as he grew much stronger, and The Parademons were turned to desiccated corpses. Then, he saw more Parademons appear, and he used Simone De Bastien and Shang Tsung's powers and he sucked out their souls, and he used his own soul sucking powers along with the other powers of many soul stealers to suck out the souls of the next group of Parademons and he absorbed them and drained their souls of energy and sent them to The Black Abyss.

Lincoln: (Fiery Godly Voice) That's the Parademons out of the way. Now, for the Evil Sasuke clone.

KRABOOM! SLASH!

Then, we looked to see Alexander Michaelson and Adrian Acmetropolis taking down the Evil Sasuke clone's men and they were punching, kicking, and slashing at them with unimaginable power and strength!

Eli: Looks like they're sweeping things up.

Kyd Wykkyd: Lets get in there!

Then, we saw them heading to Lady Tsunade to restrain her as she's about to fight the Evil Sasuke clone.

Me: (Fiery Godly Voice) And that's the signal!

Nico: (Fiery Godly Voice) They restrained her, nice one!

Then, we saw the Evil Sasuke clone heading to kill Adrian Acmetropolis and Alexander Michaelson, but they kicked the asshole away and they fired blasts of dark lightning and electrocuted him!

Suddenly, the spirits of ninjas appeared and they attacked the Evil Sasuke clone with fury along with sudden blasts of red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, elemental forces, magic, mythical beasts, phoenixes, and angels from Alexander Avalon. Then, the spirits converged and a massive explosion erupted as a Thunderbird Screech, Dragon Roar, Wolf Howl, Tiger Roar, and Phoenix Cry was heard, and we appeared, and this pissed the Evil Sasuke clone off, especially when he saw me again and Lincoln forever purified!

Evil Sasuke: YOU MISERABLE FUCKING CUR! WHY CAN'T YOU AND THAT WHITE HAIRED FREAK JUST DIE?!

Me and Lincoln: (Fiery Godly Voices) OH, SHUT THE HELL UP, YOU PIECE OF SHIT!

WE FIRED MASSIVE FIRE BLASTS AT THE EVIL SASUKE CLONE AND HE GOT BURNED BADLY AND THE FIRE BLASTS ALSO EXPOSED THE REAL EVIL SAUSKE HIDING IN THE SHADOWS!

Me: (Fiery Godly Voice) Did you really think we would be broken?! Not a chance in Hell!

Lincoln: (Fiery Godly Voice) And you and your buddies have already lost.

Lincoln: (Fiery Godly Voice) And you and your buddies have already lost.

Suddenly, the Evil Sasuke clone and Evil Sasuke himself suddenly realized in horror, too late by the way, that it was all part of my plan! Finally, Evil Sasuke lost it big time as he let out a scream of pure rage as Caleb's poisonous darkness took over as the sclera of his eyes turned black and his eyes turn crimson red and he got out his sword slit his own clone's throat and drank his blood, and Lincoln fired a blast of holy white fire that destroyed the clone's body and the last bit of Alecto Slytherin's dark magic!

Lincoln: (Fiery Godly Voice) Guys, what's say we really turn up the heat?!

Me: (Fiery Godly Voice) Now, you're talking!

Nico: (Fiery Godly Voice) Let's get that fucking asshole!

Super Brother: (Fiery Godly Voice) Time to reduce that asshole to ashes!

Rainbow Firestorm Phoenix Angel: (Fiery Godly Voice) He's just as much of an asshole as the one from our world, Lincoln.

Rainbow Firestorm Dragon Saiyan Angel: (Fiery Godly Voice) Then, let's burn his ass to the ground!

We formed massive fireballs of rainbow flame, white hot holy flames, neon red hot red flames, and neon hot colored flames!

Lincoln, Me, Nico, Super Brother, Rainbow Firestorm Phoenix Angel, and Rainbow Firestorm Dragon Saiyan Angel: (Fiery Godly Voices) TAKE THIS, ASSHOLE! NOW YOU BURN!

WE FIRED THE MASSIVE FIREBALLS AND THEY HIT EVIL SASUKE, AND...!

KRABOOM!

SUPER MASSIVE SUPERNOVA EXPLOSION!

THE FIREBALLS EXPLODED AS THEY HIT EVIL SASUKE AND HE SCREAMED OUT LOUD IN PAIN AS THE FLAMES WERE REALLY REALLY BURNING HIM!

Maria: WOW! THAT MISSISSIPPI QUEEN ALPHA OMEGA THOSE MASCOTS MADE IS REALLY INTENSE!

May: No fooling!

Eli: That was really incredible!

Buster Bunny: (To Evil Sasuke) And that's for all the crimes you and your Uchiha Coup family members committed! Now, burn in Hell forever!

Babs Bunny: BURN BABY BURN!

Evil Sasuke: YOU MOTHERFUCKING CUR! I WILL KILL YOU ALL! DO YOU HEAR ME!?

Me: Oh shut the fuck up you assfucker!

Evil Sasuke saw the tank we got, got enraged, and threw a fireball at the tank, hitting it.

Venom: That's not good.

Lego Joker: Abandon tank!

I snapped my fingers and fixed it.

Me: Now this is where you die.

I was about to do my Evil Sasuke rant, but...!

Caleb Maxwell: That's enough!

We got stopped dead cold by Caleb's voice: it wasn't the rage-filled voice of years of anger and hatred, not anymore, but it was something else: that was when we knew that not only had he evolved, but he finally truly let go of the last of the years of anger, hatred, and rage that plagued him for so long.

Me: A lot of shit has been happening over the last 8 days.

Evil Sasuke: (laughs evilly) Oh, we've had so much fun there being the heroes while making those mud people do what we want. And we enjoyed watching that Cur Knudson and his friends fight each other too!

Me: SHUT YOUR FUCKING MOUTH!

He stopped.

And also, there's also the problem of your clan's notorious reputation for cheating, murdering innocent people and powerful Shinobi, and stealing Jutsu just to add to your repertoire, you're not only cheaters and traitors, but you're also thieves and murderers. You're no different from the scumbags I've killed in New York in my world, many of those who died at my hand were cheaters, thieves, and murderers, but I was like you once, angry and full of hatred towards those who ruined my life and I carried it to the grave, but there's one thing that made me 100% different from you and the rest of your clan: even back when I was the angry vengeance-driven undead teen turned immortal dark angel of vengeance, not once have I ever taken an innocent life. To take an innocent life would mean having innocent blood on my hands and their soul full of anger and rage against me, that alone would haunt me for eternity.

That did it as Evil Sasuke lost his mind and went at Caleb Maxwell driven mad by his hatred of me and all of us and everyone on Earth and he tried to slash off Caleb's head, but he blocked Evil Sasuke's sword with his massive greatsword and they clashed head on, but Evil Sasuke was no match as Caleb also fired bullets into him with his left gun in hand, and Caleb Maxwell fired extremely powerful blasts of black and crimson red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, blood, vampire bats, demons, phoenixes, and angels, and they exploded with incredible power as they hit him. I blocked all his punches and kicks and he jumped back and threw numerous kunai and I deflected them all and fired a powerful blast of fire and it hit him in his arm and burned him bad! He was screaming in pain and then he was screaming in agony. But then his screams of pain quickly turned into maniacal and insane laughter. He was laughing like an insane and totally fucked up monster that was fucked up to the core six ways till Sunday and he went at me again and I kicked him in the face and knocked him down and he got up and went at me again and I dodged him and fired a blast of lightning and it hit him in the crotch and electrocuted him all over. He went at me some more and I dodged his strike and kicked him in the back and sent him smashing into a rock and he got up and fired massive blasts of lightning at me and I deflected them back with my sword and he got electrocuted all over and I punched him in the face and he went at me some more and I was making him madder and madder and madder and he was only making me stronger with all his hatred and more. When the tornado faded he jumped out and fired more fire blasts and me and I fired waves of crystal at him and they hit him and cut him all over the place and then I fired waves of wood at him and smashed him all over the place with incredible force and smashed him all over. He ran at me with a Chidori and I teleported and fired waves of lava and burned his hands and he screamed in pain as he was burned all over and then I kicked him in the face and smashed him into a rock! Then he popped out of the rubble and threw the rock at me and I smashed it with incredible brute strength and smashed him with waves of rocks and pebbles and smashed him all over the place! Plastique charged at him and blasted him with explosives.

Erika fired waves of lightning and electrocuted him.

Sierra Shindo fired ice beam blasts and froze his hands.

Nico: The comfort you've always felt at wanting to be heroes will come to an end today. No more will the words Team Buktu-

Lego Flash: (cuts me off) Just hit him already!

I grumbled at being interrupted.

Nico: Let it go, dude. Besides, you did this one yesterday.

Me: Oh yeah. I forgot.

I fired waves of energy and blasted him all over the place with incredible fury.

Me: I always keep forgetting the stuff I already did.

Lego Joker: So, this is a clone, right? The real one will be killed tomorrow?

Nico: That's right. Why?

Lego Joker: Just wondering! (sprays him with Joker toxin)

Evil Sasuke coughed and then laughed uncontrollably and then had a familiar grin and he was laughing like a fucked up lunatic!

I fired waves of energy and blasted him intensely!

Nico: I was wondering if you were ever going to use it.

Lego Joker: (sheepishly) Sorry. Was trying to find a good time.

Me: Now was a good time as any.

Qin: Yep.

Erika fired waves of lightning and electrocuted Evil Sasuke!

Erika: YEAH! How do you like that!

Tsareena charged at him and blasted him with a Solar Beam!

Tsareena: Take that!

Qin: YEAH!

Qin fired fireballs and blasted him.

Erika Sullenburger: Take this!

She fired more blasts of lightning and smashed him.

Then she yelled in surprise as her body was twitching and expanding.

Same with the others.

Erika: NO! We control the power! It doesn't control us.

Then Erika, Tina, Cambria, Lily and Sierra concentrated and reigned in the powers of their gene-slammer forms and they transformed and fired waves of energy and blasted him all over!

Lego Grundy: Puny ninja!

Hulk: HEY! Hulk wanted to say that!

Lego Grundy: Green man can help Grundy smash puny ninja then

Hulk: Hulk like that.

They smashed and pulverized Evil Sasuke all over.

Ino punched Evil Sasuke.

KRABLAM!

She punched him so hard that she gave him a REALLY NASTY black eye!

Ino: I don't know what I was thinking, lusting afer you!

Nico: Trap Jaw, Beast Man, Unicorn, Hsi Wu, Mummy, Shendu, Killer Shrike, Bane, Calamitous and Ebon.

Evil Sasuke was still laughing uncontrollably.

Me: I think Evil Sasuke is laughing himself to death to talk.

Trap Jaw: You're right on that.

Trap Jaw: How did you guys find Apokolips?

Lego Flash: Terrible.

Beast Man: Figures.

Unicorn: But it could be a good place to revisit.

Lego Batman: As long as you explain to us the full situation later.

Me: We will. But it will take a while to explain.

Hsi Wu: (to Nico) We heard you fought Old Lady Munson.

Nico: We sure did.

Hela: (to Ty Lee) You should take care of that Finizon

Ty Lee: I will and it's awesome!

?: Cool!

A figure came and it was METEORITE JAMEN from episode 12 of Kiramagers!

Meteorite Jamen was sent to Earth by Carantula to execute Operation Tiered Surprise. Said surprise called for Meteorite Jamen to break into a CARAT observatory and destroy it so that they could not track a massive meteor that he summoned to cause another Ice Age and exterminate humanity. However, security arrived and him which alerted Muryou Hakataminami to the break-in so he sent the team since the observatory was also supposed to be an early warning system to alien attacks. Meteorite Jamen easily overwhelmed the security guards and moved into the facility where he planned to destroy a satellite dish only for four of the Kiramagers (Sayo was not present as she was adventuring with a strange man) to confront him and transform. They ignored his subsequent warning to keep from interfering so he summoned meteors from the sky to bombard them but they just rolled away until Shiguru activated his Kiramai Sword and prepared the Blue Cosmo Slash which cut apart the last few meteors. He then revealed the oncoming extinction level event meteor on it's way so they did battle but even an energy slash to the face from Shiguru and one to the groin from Sena did nothing and a combined attack from Juru's Kiramai Sword though Tametomo's Kiramai Shot managed to knock him down.

However, before they could finish him off, a newly unearthed Monstone appeared (having accidentally been unearthed by the man) and merged with Meteorite Jamen who was amazed by his new boost of power. Tametomo was unimpressed and fired a Kiramai Charge at Meteorite Jamen but his aura meant that the Kiramai Bullets melted into nothing before they even reached him. He then charged in his Sizzling Magma Attack, headbutting and smacking down all four of them before bombarding them with lava and easily pushing them back when they crossed Kiramai Swords over his head. He then blasted them so hard with his magma that they were sent flying into the quarry where he prepared to finish them off with his deadly headbutt but the mysterious man appeared before he could and the Jamenshi was struck down by the descending Shiny Breaker before he could act and introduced himself as Takamichi.

The Kiramagers were shocked by his presence whilst Meteorite Jamen was just very confused until he transformed into Kiramai Silver which got the Jamenshi to summon a Bechat to aid him in combat. Said Bechat crushed the man into a truck with a massive dump truck which Meteorite Jamen thought was the end of him until the man forced apart the vehicles by doing the splits between the two. He summoned more Bechats to kill the man but all were wiped out by the Shiny Breaker's Drill Strike. Takamichi asked that he not be so crude so Meteorite Jamen summoned meteors down on top of him but Silver deflected most of them and took him down with a glancing hit and they clashed again until the Meteorite Jamen pushed him back with lava to little effect. The Jamenshi then fired more at the Kiramager but he spun out of the way and landed behind him and kicked him into the Shiny Breaker which he then summoned to his hand. The Meteorite Jamen was stunned so he turned his Shiny Breaker into One Hand Mode and used it to spin the Jamenshi around and around before releasing him into a rock wall. Meteorite Jamen planned to bring the meteor down right on top of them but Takamichi instantly obliterated him with his signature Shining Beam Attack before he could bring it down on top of them. Since he had not targeted anyone except for the Kiramagers, he did not produce enough dark energy for Carantula to create a Jamen Beast from him.

After Meteorite Jamen's death, it was revealed that Takamichi was actually Takamichi Crystaria who had previously been affected by a Monstone so was raised in Crystaria by King Oradin and was Princess Mabushina's adopted brother.

Juru: Meteorite Jamen!

Meteorite Jamen: Been a while rangers.

Me: I remember you! You were sent to destroy the CARAT Observatory and stop it from tracking a meteor that can bring a new ice age and then you brought forth a Monstone!

Meteorite Jamen: That's right! Good memory.

Me: Yep.

Takamichi: It was also my first battle.

Meteorite Jamen: Hey, you just got lucky!

Me: I also remember that. That was awesome.

Rarity: Indeed it was darlings and it was quite fun.

Camie: I'll say!

Meteorite Jamen: And great job dealing with Emperor Yodon.

Me: Yeah he was a butt-ugly guy!

Nico: No shit! LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway!

Cassidy: That's incredible! He lived that long thanks to the fountain?

Sydney: He sure has and his real name is Francisco Cortez. He lived for over 400 years and has been around since the time of Juan Ponce de León. He lived ever since 1506.

Butch: That is amazing! He lived over 500 years!

Sydney: I know! We were amazed ourselves and J.D. said he knows what it's like to be immortal and all that. Also we saw Max there and we got a shock seeing Max as a young kid again. The water from the fountain of youth took 50 years off him.

Roulette: WOW! He must've been reliving what he lost.

Sydney: He was. And you wouldn't believe what happened to Old Lady Munsen too. She accidentally drank some of the fountain of youth water and this is what happened.

She held up a photo of Munson and she looked incredible!

Roulette: WHOA! She had over 70 years taken off her!

Butch: (CATCALL) WHAT A FOX!

Talking Burrito: WHOA BABY! She looks hot!

Sydney: That was amazing though. Even Fiona was amazed by it. Her old age is what made her so mean and nasty! When she was old she was mean and evil. Now that she is young she is nice and awesome.

Spyro: She sure does. But at least she is cured of that.

Trap Jaw: Maybe spending some time in a bad retirement home will do her some good. Lets do this!

Lincoln and the girls fired waves of violet energy and elements that transformed into said Star Sapphires and they attacked Evil Sasuke.

Lincoln and his harem: And this is the price you pay for your life of hatred and madness, Evil Sasuke! STAR SAPPHIRE FINAL SMASH: REPTILES OF ETERNAL LOVE!

Lincoln and his harem summoned reptiles made of The Violet Light of Love, and they attacked Evil Sasuke and they exploded with incredible power and he also got burned by the power of love.

Hydrax: I still have to do this.

Hydrax put a tracer on Evil Sasuke. The real one at last.

Hydrax fired waves of energy and blasted him.

Finally, Caleb Maxwell slashed him with his massive greatsword, and all of the Jutsus he and the evil members of his clan have stolen over the years were passed down to us, and this made him so furious, we saw him split into two: one had the black sclera and red eyes due to being infected by Caleb's poisonous darkness, and the other had the black flame ember marks on his left arm and the left side of his face and black sclera and yellow left eye.

Evil Sasuke Infected by Caleb Maxwell's Poisonous Darkness: (DEMONIC VOICE) DAMN YOU ALL! THIS ISN'T OVER YET!

The Evil Sasuke Infected by Caleb Maxwell's Poisonous Darkness ran away, but not before Lincoln fired his tracer that went onto him as he went into the portal and escaped.

Tsunade: Damn it, he escaped!

Me: (Fiery Godly Voice) Sorry about that, Lady Tsunade.

Lincoln: (Fiery Godly Voice) But, all's not lost, I put the tracer on him, and thanks to his psychotic breakdown, look who's joining his family for execution.

Tsunade: Well, at least, one's better than nothing. Let's tie him up and bring him in.

We tied up the Evil Sasuke who had the black flame ember marks on his left arm and the left side of his face and black sclera and yellow left eye.

We holstered our weapons and powered down, and we headed for The Hidden Leaf Village. Then, we brought him, Fugaku, Madara, and all the other evil members of The Uchiha Clan to the execution grounds and prepped them for execution: after Lincoln used his holy white purifying flames to remove Evil Sasuke's Curse Mark, he used his Cell stingers to suck out and absorb the powers, abilities, and Jutsus of the other evil Uchiha clan members.

Me: Now for the trial. PRESENTING THE FIVE GREAT NATIONS NINJA TRIBUNAL AND THE UTROM HIGH COUNCIL!

On 7 stands came the Utrom High Council and the 5 Great Nations Ninja Tribunal.

Utrom High Council Leader: Hail and peace to all sentient beings, In the name of the great lawgiver, Matthes Arles, this tribunal is now called to order. And it is good to see you all again Team Loud Phoenix Storm.

Me: Its been 6 years since we last saw each other.

Nico: It sure has been a while.

Utrom High Council Leader: We sit in judgment over Sasuke Uchiha, for war crimes and atrocities committed throughout the galaxy.

Nico: The Galaxy?

Me: Sasuke's crimes are not just limited to Earth but also to countless other worlds all over the galaxy.

Nico: Oh man.

Utrom High Council Leader: Sasuke Uchiha, also known as Evil Sasuke, Sasuke the Despised, Sasuke the Elite, Sasuke the God, and Sasuke the Golden Child of the Leaf. Prepare to face the following charges. Let it be known that as Volthro has testified, you did willingly launch an attack on the planet Canithra. Over one million innocent inhabitants perished. And as Raja-Nor-Evin has proven, you incited an intense war on Lovos IX in an effort to destroy their forces to spite J.D. Knudson. 3.2 million perished. Finally, the crimes off your clan against the Hidden Leaf Village and the Five Great Nation include many multiple attempts to take control of the government through an illegal and violent coup as well as multiple murders and crimes committed throughout the ages.

We went over many crimes the Uchiha Clan has done all over the place and more.

Utrom High Council Leader: We will now commune upon the verdict.

They decided and I glared at Evil Sasuke and the Uchiha Coup Conspirators with righteous fury and my eyes glowed neon blue instead of blue with intense righteousness.

Utrom High Council: In the name of the great lawgiver, this tribunal finds you, Sasuke Uchiha and Uchiha Clan... guilty!

HE WAS ENRAGED!

Utrom High Council Leader: We will hand over te sentencing to Lady Tsunade of the Leaf.

Tsunade: Thank you council. Ladies and Gentlemen of The Hidden Leaf, today, we are here to witness the execution of all the evil members of the Uchiha Clan, all of them have been found guilty for their crimes against The Hidden Leaf and The Five Great Nations along with what happened on that night 17 years ago on October 10th. And also the crimes committed all over the universe too, and as punishment for all of their crimes, they are hereby sentenced to death!

We then brought them up to the execution block and had all of their heads bowing down, and then, Lincoln and I unholstered our massive greatswords.

Me: (Fiery Godly Voice) We have no words to even say to you lot. All of you had this coming, including you, Evil Sasuke.

Lincoln: (Fiery Godly Voice) Along with you two, Fugaku, Obito, and Madara Uchiha.

Me: May your actions haunt you in the Black Abyss for all eternity!

Suddenly, the 620'11" massive, wide, double-edged hulking gold blades of my and Lincoln's massive greatswords were covered by holy white hot white flames and surrounded by white energy.

Me and Lincoln: (Fiery Godly Voices) And now..., THIS IS THE END OF ALL OF YOU!

WOOSH! SLASH! SQUELCH!

WE BEHEADED FUGAKU, OBITO MADARA, EVIL SASUKE, AND ALL OF THE EVIL UCHIHA AND THEY BURST INTO WHITE FLAMES AND THEY WERE SENT TO THE BLACK ABYSS!

Back in Team Buktu HQ, the Evil Sasuke infected by Caleb Maxwell's poisonous darkness felt his powers and Jutsu being destroyed: and he screamed with pure rage and even attacked Tim Buktu, Evil Neutron, Scott, and Stane! We saw it through a one-way viewing mirror I created.

Lincoln: (Fiery Godly Voice) Let's send out a declaration for war.

Me: (Fiery Godly Voice) Let's do it.

Suddenly, in Team Buktu HQ, flames came to life and crackled all over the place, and a set of rainbow and deep sapphire blue eyes appeared.

Me: Team Buktu!

Lincoln: (Fiery Godly Voice) For far too damn long, we've had to deal with your damn bullshit and schemes to destroy our reputation and destroy us at the same time.

Me: (Fiery Godly Voice) But, in the end, thanks to one of your own's fucked-up desire for cruelty, you single-handedly destroyed yourselves, now everyone sees you for the monsters that you all are! But soon, this will all end badly for you and Anti-Monitor's temporary ally!

Me and Lincoln: (Fiery Godly Voices) TEAM BUKTU, TOMORROW SHALL BE YOUR FINAL DAY ALIVE IN THIS WORLD AND IN THIS PLANE! YOUR ANGELS OF DEATH ARE COMING FOR

YOU!

THE FLAMES AND EYES FADED, AND THEY ROARED IN FUCKED-UP ANGER AND RAGED AT US!

YEAH, WE'RE COMING FOR YOU, TEAM BUKTU, ALONG WITH DARKSEID!

Nico: (Fiery Godly Voice) And with that, our declaration for war is set!

Lincoln: (Fiery Godly Voice) Tomorrow, they're going to meet their end. Now, there's one last thing to do and one last loose end to tie up: Lucius.

We then turned to Lucius who's still trying to get out, but he couldn't.

Lucius: When I get out of this, I will destroy all of you and all of humanity.

Rochelle Yokoshima: You saw humans as nothing but disrupting the order and decided to eradicate all of them. You walk the path of a coward creeping your way through the dark, that's a lonely path, and it's one that will follow you into death. Lucius, may you suffer for all eternity with not a kindred soul to give you solace, it's time to put an end to this once and for all.

Lincoln, Rochelle Yokoshima, Super Brother, Nico, and I went after Lucius, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Lucius, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Rochelle Yokoshima did the same by firing orange, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Eman Reynolds, Super Brother, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was really pissing Lucius off.

Suddenly, Lincoln's enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and four massive halos of rainbow energy with intricate designs formed behind him and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Lucius and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomach of Lucius and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind him. Manipulation, and omnipotent powers and Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

RRGH!

And he also flexed his muscles even more which really aroused his harem even more, and at the same time, Lucius began growing weaker as all his powers were being sucked out of him one at a time and was pumped into Lincoln.

Lucius: (Groans) He's sucking me dry, I can't take much more of this!

Then, when Lincoln was done and the stingers changed back, nothing was left of Lucius, and Lincoln sucked out all of Lucius' remaining energy in his soul and banished him to The Black Abyss, and we let out a loud and massive roar of dominance and power as we pounded our chests like three Alpha Male gorillas and we flexed our massive muscles as fire burst out of our massive biceps and massive muscles!

We cheered as we holstered our weapons and powered down and Rochelle Yokoshima's new body, clothes, weapons, jewelry, Third Eye, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long orange wolf tails, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded orange gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded orange gems behind the gold rings behind her head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large orange planets orbiting around her legs, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 smaller orange planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized orange planets orbiting around her wrists and ankles, and enormous orange angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large orange angel wings underneath her enormous orange angel wings are permanent.

Rochelle Yokoshima: And this where it ends for you, Lucius, and this is goodbye and good riddance. Thanks for helping me get rid of Lucius, Lincoln. You too, guys.

Lincoln: (Fiery Godly Voice) (Smiles Warmly) You're welcome, Rochelle.

Me and Nico: Our pleasure, Rochelle.

Suddenly, Rochelle Yokoshima wrapped her arms around Lincoln's waist as he lifted her up to his face as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Rochelle Yokoshima'a face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Rochelle Yokoshima sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Suddenly, we saw something appear in Lincoln's large gold halo behind his head: it's a second smaller halo with intricate designs made out of light and The Sun and The Moon in it, and six gold halos with smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and behind his left and right thighs.

I made a mirror and showed it to Lincoln!

Lincoln: (Heavenly Godly Voice) Whoa! Now, this is what I call an upgrade.

Nico: (Fiery Godly Voice) You said it! Plus, The Sun and The Moon symbolizes you, Lincoln: The Sun and The Moon of The Elemental Storm.

Me: (Fiery Godly Voice) That's for sure. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Volcanic Laval Masters of Courage and Laval Archer.

Lincoln: (GASPS) The symbol of The Volcanic Laval Masters of Courage and Laval Archer

Adara Vulcania: There's only one person who fits this: Calida Vulcania, Avatar and Gene-Slammer of Laval Archer, and you guys are going to love meeting her, Calida Vulcania, Avatar and Gene-Slammer of Laval Archer, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lava Archer. She's The Volcanic Lava Archer Master and member of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Calida Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Archer, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Archer, and Lincoln was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True

Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Calida Vulcania hates Flip with a passion because that moron almost tried to scam her family and almost cost them their home and all their savings. Calida got super enraged and angry, she fired a massive blast of fire at that mutant, and the blast of fire scorched off all his sweat-stained smelly clothes leaving him butt-naked, and the cops got called, and they arrested Flip again and took him back to prison!

WE GASPED!

Me: (Fiery Godly Voice) Thank goodness that didn't happen!

Lynn: Flip had it coming, after all the scams that moron had done in the past, if we didn't stop him and send him to The Black Abyss last year, someone else was bound to get scammed!

Lego Flash: So, let me see if I got this right. After the Crime Syndicate sent us to Apokolips, they replaced us as our Earth's heroes and Team Buktu was helping them. And you guys, with the help of the bad guys, played the part of the villains to oppose them. Did I miss anything?

Mummy: Just that Team Buktu went rogue yesterday.

Shendu: Other then that, you're good.

Me: That's pretty much the whole thing in a nutshell.

Lego Superman: Meet us at the Watchtower tomorrow to discuss our next move.

Killer Shrike: Sounds like a plan.

Me: Yeah. Sorry you guys missed out on a lot these last 8 days.

Nico: Yeah.

Bane: We also know that Darkseid's involved somehow.

Me: Yep.

Calamitous: What can he be looking for in all this?

Ebon: I got the feeling the answer's closer then we think.

During all this, Lego Harley was playing with her box that she had during this whole adventure.

Me: What's in the box Harley?

Lego Harley: Oh something interesitng.

Me: Can you show us later?

Lego Harley: Sure can.

Nico: Great job today everyone and J.D. I did not expect the Utrom Tribunal to help too.

Me: Evil Sasuke fights were not just limited to Earth but to all over the universe too. So many planets were involved and I had to have the Utrom Tribunal come to be part of this too.

Nico: I see your point. But great job today guys.

Lego Superman: Yeah now we can patch things up with you guys.

Me: You sure can.

Jonny 2X4: (To the Viewers) Now we're ready for my day tomorrow guys!

Me: We sure are. You guys go ahead. I got to file my report.

Nico: Oh yeah. Always comes first.

I filed my report and received Triple Z-Rank Mission Credit. Also Nico's friends got credit too.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: I can't believe Evil Sasuke escaped!

Anna Anyanova: Caleb's poisonous darkness caused him to split in two, and we took the one with The Curse Mark on him and got him executed, and tomorrow, we're going to kill Team Buktu once and for all, and get ready for when we face off against Darkseid. But, at long last, we are finally rid of Alecto Slytherin once and for all.

?: That's for sure.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters of the now expanded hot springs was Lincoln in the hot waters, but they also saw his towel was on the rack along with his orange speedo, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice)(Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs)(Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fesstertox's Perfect Gene-Slammer serum and Perfect God serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his towel around his waist about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice) (Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Alexander Avalon: So far so good. We took down The Dark Little Card, but tomorrow, I got a feeling we're going to take on the dark version of The Mirror Card, this thing caused trouble for Sakura, and Tory got hurt big time.

Alexander Avalon went back inside: the hunt for The Dark Clow Cards was still on, and tomorrow, the final showdown against Team Buktu was about to begin, and we would make those monsters pay for their crimes and soon, we would make Darkseid pay for all his crimes!
